Attendance Update:

Welcome back, Lancer families! CHS and the district are hitting the ground running with our attendance initiative: The Back to School Challenge (formerly known as the 20-Day Attendance Challenge) in hopes of connecting with our families of students whom we have missed on campus. Regular attendance is critical for all students as attendance is the #1 indicator of success for all students. If your student is unable to attend school, please be sure to report the absence to the school ASAP. You may do so by leaving a message on the Attendance Line (916) 294-2450 ext. 810800 or emailing our Attendance Clerk, [Tricia Rodriguez](#).

Attendance Update Cont:

Lastly, if your student has an appointment scheduled during school hours, please have them bring a medical note when they arrive at school. Arriving for part of the day is always better than missing the full day.

Please reach out to the school if you have any questions or are needing support regarding your student's attendance.

Instructional/Academic Support Coach Updates

Welcome back! The role of our CHS Instructional/Academic Support Coach is to support teachers in doing what works best for their students. Our entire support team comprises an Instructional/Academic Support Coach, a Math Instructional Coach, an English Language Development Program Monitor, a Student Support Specialist, a Special Education Teacher on Special Assignment, and a Social and Emotional Learning/Climate Coach. Everyone on this support team is a credentialed classroom teacher with many years of successful experience with students. Each of us has intensive training in our area of expertise. We each specialize in a different type of classroom support, but there is quite a bit of overlap, so we also collaborate with each other and with teachers in all subjects. We work closely with CHS site administrators and counseling staff to facilitate ongoing growth schoolwide and to optimize best practices in every classroom each day. For more information about how we are working hard to support teaching and learning at CHS, please contact Melissa Lawson, Instructional/Academic Support Coach, at mlawson@fcusd.org.
