

Registration is now open for the 2024-2025 season.

Any LS student in 1st through 6th grade
can register for a fun season of basketball right here in LS!
Go to our website to register - be sure to register soon so you
don't have to be placed on a waitlist.
(there is a cap per league due to gym availability within the district)

Remember...we need volunteers, because without you we can't
run all these fun opportunities for our kids.
We are so excited for a great season!

Registration will close September 18th, 2024
