

Pre-Professional Programs

PRE-LAW

“The program provides the students with opportunities, such as arguing the facts of a case in front of the Florida Supreme Court, year after year... which is something that some courtroom attorneys do not get a chance to do in their lifetime.”

Instructor Testimonial —Ani Porter, Attorney

About the Program

The American Heritage Schools Pre-Law Program is a 4-year program beginning in 9th grade and culminating in 12th grade with an internship. In order to fulfill the requirements of the program, students must complete a total of 5 credits. In order to remain in the program, students must maintain a 3.75 cumulative GPA and a B or higher in law classes. All of the Pre-Professional Programs are taught daily by medical doctors, attorneys, judges, engineers, computer scientists, business leaders, and entrepreneurs.

Top Instructors

The program is taught daily by adjunct or full-time teachers who are practicing judges and attorneys, in multiple fields of the law. The program is taught at the college level using college level textbooks and curriculum.

Internships

The program culminates in a senior year internship when students experience the practice of law in real life. Seniors leave campus a few times per week to rotate through different law firms, agencies, offices, and courtrooms throughout South Florida. They also visit judges in Circuit Court, the County Sheriff's Office, the State Attorney's Office, the Public Defender's Office, and the United States Attorney's office. The connections our seniors make with practicing judges and attorneys are invaluable and often result in industry connections and future jobs.
