Creating new account

1. Click on creator an account
2. Register the account by providing name, email address, and create a unique password.
3. Agree to the terms and conditions.
4. Add your student(s) - Must have a student ID which you can get from your child's school and provide last name.
5. Click on the send low balance letters.
6. When adding your student, you can set up the low balance notifications
7. You will need to enter payment information, but you will not be charged any fees until you use your credit card or checking/savings account.
8. You are ready to make lunch/breakfast payments and school fee payments at this time.

If you need more assistance with EZPay, click on the [Get Help button](#) in the top right corner or click on [Contact Us](#) at the bottom of the page or **Call 1-866-MYEZPAY** (1-866-693-9729) Take Option 1 for Parent Assistance. Or Click the Get Help Link at the top of the page to send an email to our help desk.

How do I add a student to my account?

Click the My Account link at the top of the page. Then click on the Add Student link under your personal information. You must have your students assigned ID number from the district, and their last name. If you do not have your student ID, please contact the school as EZpay cannot give out this information.

How do I make a payment?

To make a payment, add the amount to apply to the student and then press the cart icon to add it to your cart. You can add both lunch and fees to the cart. Once done, choose the cart option at the top and submit your payment.

How do I change my password? Or I need to reset my password.

After logging in to EZpay, you can click the My Account link at the top of the page to access your personal information. You can update your address, Email account, and Password information, as well as maintain the students that are linked to your account and access your payment history. If you need your password reset, please click the

"This does not answer my question" below and send us a message. We will be happy to send you a temporary password.
