

Parental & Family Engagement Campus Policy 2024-2025

Cleckler-Heald Elementary believes that student success is directly linked to parental involvement; therefore, our goal is to develop and strengthen the relationship between home and school providing information in a timely manner. It is the policy of the school to plan and implement, with meaningful participation of parents, administration, teachers, programs, activities, and procedures for the involvement of parents in its Title I programs, thus complying with the following expectations:

- Conduct a Parent Orientation, in the beginning of the school year, to explain to parents the Title 1 program, its requirements, and their right to be involved throughout the year.
- Encourage parents to participate in the planning, developing, review, and improvement of the parent involvement programs, including the school parental involvement policy and compact through personal invite, at our monthly meetings and email, upon their agreement to participate. Parents/families will be provided timely information about school programs through our Google Calendar, flyers and mass emails.
 - The **policy** is distributed annually in English & Spanish to each student, emailed out to parents, posted at two local businesses, posted on our school website, and shared at our monthly meetings on our PowerPoint presentations.
 - The **compact** is distributed in English & Spanish to each student and posted on our school website. This document outlines how parents, staff and students will share the responsibility for improving student achievement, and will be discussed by teachers with parents during the teacher-parent conference.

Cleckler-Heald Elementary shall convene a Title 1, Part A Annual meeting on two different days at a convenient time, morning and evening, to which all parents of participating children shall be invited and encouraged to attend. This meeting serves to inform parents of their school's participation in the Title 1 program and to explain the requirements of this part, and the right of the parents to be involved. Cleckler-Heald Elementary will offer the following meetings:
