### CAMPUS VISION

Lions Leading Forward

### CAMPUS MISSION

Lamar Elementary is dedicated to being a collaborative community committed to high expectations, where all students are empowered and inspired to achieve their highest potential.

### STUDENT PLEDGE

We will empower each other to lead forward.

### ABOUT US

Lamar Elementary is celebrating our 20th anniversary this year. We opened our doors in 2004. Lamar serves approximately 600 students in grades K-5 as well as the San Angelo ISD Functional Academic Special Program. Our goal is to support each child socially, emotionally, behaviorally, and academically. We strive to empower our students by creating student leadership opportunities and building relationships that encourage learning. We strive to build and maintain working relationships with our parents, staff, and community members to provide a meaningful educational experience for all our students.

### SURVEY DATA HIGHLIGHTS

**100%** of students feel respected by the adults at Lamar Elementary
