Create an environment that educates, empowers, and equips life long learners to achieve their personal best.

ABOUT US

McGill Elementary is a Title I school made up of about 600 students in grades K-5. Our neighborhood school is built on safe, respectful, and responsible core values. We strive to empower our students by creating student leadership opportunities that encourage learning. We build strong working relationships with our parents, staff, and community members so that our students have a meaningful educational experience. McGill Elementary is a great place to hang your hat. Come by and see us.
