ABOUT US

Reagan Elementary is home to the Reagan Rockets! Reagan opened its school doors in 1909 and is one of four original schools built in San Angelo, Texas. Our mission remains to provide a nurturing environment where students can excel academically, socially, and emotionally. We are committed to fostering a community of lifelong learners who are prepared to meet the challenges of a rapidly changing world. Our dedicated educators use innovative teaching methods to engage students and encourage critical thinking, creativity, and problem-solving skills. We believe that every student has the potential to achieve greatness, and we are here to support them every step of the way. Alongside academic excellence, we understand the importance of social and emotional well-being in a student's overall development and provide students with learning opportunities to develop resilience, empathy, and effective communication skills.
