

Superintendent's Snapshot

MARICOPA UNIFIED SCHOOL DISTRICT

August 9, 2024

BUILDING FOR THE FUTURE

Dear Maricopa Unified School District Parents and Guardians,

With our city's growth in full swing, MUSD is taking thoughtful steps to ensure each student thrives. This year, more than 9,600 students have filled our classrooms, and we remain focused on what matters most—providing a high-quality, personalized education for every child because in MUSD, all means all.

To keep pace with our growing enrollment, we've added 12 new teacher positions. These additions are about more than just numbers; they are about:

- Keeping class sizes low.
- Giving every student focused attention.
- Improving educational outcomes.

By investing in these additional positions, we're not just responding to growth—we're anticipating the needs of our students and laying the groundwork for their success. Together, we're fostering a culture where excellence is the standard and every student has the opportunity to shine.

Thank you for choosing MUSD.

Sincerely,

Dr. Tracey Lopeman, Superintendent
Maricopa Unified School District
