

Body Fluid Exposure Protocol

For *any* body fluid contact to unprotected skin or mucous membranes, and punctures (including human bites):

1

Get help from another adult

2

IMMEDIATELY wash skin with soap and water for 2 minutes and/or flush eye/nose/mouth for 10 minutes with running water (remove contacts)

3

Contact MESD as soon as possible at 503-257-1732 for the following:

- Blood exposures
- Body fluid contact to eyes, nose, or mouth
- Human bites/scratches that break the skin
- Punctures with a contaminated object
- Questions you may have

4

Notify your supervisor (same time & same day), complete all required district forms and give them to your supervisor
