	\$137.52	\$123.76
Dental w/ Buy-Up option	Cost dependent upon options below	
VSP Vision		
	\$28.93	\$27.20

Dental Update: Once again this year, we are including the two dental plan options that include Implant or Orthodontia coverage. You can transfer back to the standard plan during open enrollment, if desired.

- **Dental Buy-Up Option 1:** Implant Coverage for an additional \$2.48 cost per month
- **Dental Buy-Up Option 2:** Orthodontia (Adult/Child) Coverage for an additional \$9.91 cost per month

To Note:

- You are required to maintain coverage in order for the district to cover you from 60-65.
- Retirees may terminate their coverage at any point, but advance notice is required. Termination will be done at the start or end of the month, there are no mid-month cancellations.
- Once you terminate a coverage, you cannot re-enroll at a later date.
- If you would like to make changes to your dependents/spouse or coverage (other than termination) – there needs to be a qualifying event (Divorce, Marriage, etc.) All changes must be made within 30 days of the event, with documentation. Other than a qualifying event, any other changes must be made during the annual Open Enrollment period.
- Kaiser coverage is specific to Northern CA only, per SISC policy.

Please contact the Human Resources Office for assistance or information, and remember to keep your contact/address information up to date. Thank you!
