[Meeting Recording](#)

- I. Welcome & Introductions
  - A. Attendance Roster attached.
  
- II. Consider accepting the results of the survey, that was sent out to parents and teachers in May, regarding open-lunch for high school students. Any changes to the handbook regarding this, will be recommended to the Board of Trustees in August.
  - A. Results from the survey were shared with members.
  - B. Questions and concerns were discussed by the members.
    - a. Student Safety
    - b. School responsibilities regarding issues during open-lunch, such as wrecks. Mr. Fowler informed us that the district's legal counsel advised that the school is not responsible.
  - C. Monitoring
    - a. A suggestion was made that the school resource officer can monitor the parking lot to make sure students are following the law regarding driving.
    - b. Another suggestion was made to have a staff member monitor the building exit to the parking lot in order to make sure only approved students are leaving.
  - D. Who will be included in open-lunch?
    - a. The members talked about whether or not to include 9-12 grade, 11-12 grade, or just 12 grade in open-lunch. The members decided to only allow 12 graders to participate. The members decided that starting off with 1 grade level will be beneficial as a trial to see if open-lunch can be sustained.
  - E. Other details
    - a. Open-lunch will be on a semester basis, that will be evaluated and any adjustments to be made. The SHAC will meet again in December to evaluate.
    - b. The members suggested that our parent-notification system alert parents whose students are either tardy to 6th period or do not come to 6th period.
