August 1, 2024

Hello Parents/Guardians,

Welcome to Eddie White Middle Academy, home of the "Mighty Wolves, **"For the strength of the Pack is the Wolf, and the strength of the Wolf is the Pack."** My name is Renamae Pintard, and I am the Parent Liaison. The physical Parent Resource Room is located in the main lobby in Room 1202. A virtual online Parent Center has been created for your perusal. Parents the theme for this year: **We are Gamechangers!** A **Gamechanger** seeks to be an agent of change—one who often makes a significant modification or shift in how something takes place; **Gamechangers** are usually responsible for the success that is frequently celebrated in the end. Parents our celebration is the successful completion of our students moving on to the next level.

My role at Eddie White Middle Academy is to teach you how to **empower yourselves, give you as families a voice in our decision-making by creating family-school partnerships together**, and provide parents/families with information, support, and community resources. Some valuable levels of support include monthly workshops plus collaboration with outside partners in education conducted in person as well as online. Virtual online resources, parenting information, volunteer information, monthly calendars, employment resources, parent lending library, academic brochures, and educational resources.

This year, we are proud to launch our Community Schools and Partnerships Hub, which will feature a grocery store and offer a wide range of workshops tailored to meet the needs of our community. This initiative aims to strengthen the bonds within our school community and provide valuable resources for parents, guardians, and stakeholders. Additionally, there will be updated educational community information posted on our school website and our local community neighborhood watch as well as our social media platform.

I am here to support you in any way that I possibly can. If you have any questions, please do not hesitate to reach me at the school number **770-472-2850 ext.140127** or I can be reached via email as well at renamae.pintard@clayton.k12.ga.us.

In closing, parents my charge to you is as **"Gamechanger**, we are going to assess the **Total** program, set new **Expectations** and **Execute** the plan, **Analyze** the data, and consistently **Model** the above **Gamechanger** behavior." I look forward to a very rewarding school year building **equity** for all students, teaching you how to **empower** yourselves, and providing **excellent** services to you.

Sincerely,

Renamae Pintard

Title I Parent Liaison

[Clayton County Public Schools Vision](#)

The vision of Clayton County Public Schools is to prepare ALL graduates to have the skills to pursue and accomplish college, post-secondary training, and/or career opportunities in order to live and compete successfully in a global society.

[Clayton County Public Schools Mission](#)

The mission of Clayton County Public Schools is to empower scholars to achieve academic, professional, and personal goals by providing equitable access and experiences that build skills in literacy, creativity, critical thinking, and collaboration.
