Dear EWMA families,

## What is the Eddie White Middle Academy "Parent Resource Center"?

The Parent Resource Center in Eddie White Middle Academy exists to provide parents with information, promote positive partnerships between parents and educators, to support and meet students' learning needs. The needs include, but are not limited to academic, social, emotional, developmental, and functional skills; EWMA Parent Resource Center also works to inform and educate siblings, grandparents, and friends, about Title I what it means, and how services are provided to EWMA children. We want families to have the tools they need to fully participate and collaborate with school staff during each step of the educational experience- from the classroom to their role in the development of the Individualized Education Program.

**Eddie White Parent Resource Center**  
**Monday - Friday 8:00 am - 5:00 pm**  
**Located in the EWMA main lobby**

EWMA's Parent Center is staffed by our school's [Parent Liaison, Renamae Pintard](#), and parent volunteers of children at Eddie White. When contacting the Center, parents can expect to come in contact with an individual who is understanding and knowledgeable about special and general education.

The [goal for the center](#) is for all EWMA families to understand the important role they play in our student's educational team. We encourage parental participation in the educational decision-making process as we are committed to the belief that parents are more effective when they participate and are educated about the education process. The partnership we can establish will exemplify the effectiveness parents and staff will experience when working closely together and focusing on students' academic achievement.

- To accomplish EWMA's Motto "**the Strength of the Wolf is the Pack and the Strength of the Pack is the Wolf**", we offer a variety of services at no cost to families; a lending library of books, articles, and DVDs on study skills, subject-based information, and parenting topics, training through workshops and seminars on a wide range of topics.
- Mrs. Pintard can meet individually with parents whose children are experiencing difficulty at school, at home, or in the community to explore and consider a wide range of options; most materials are in both English and Spanish to ensure that all parents are informed.

**Mrs. Pintard is available by phone at [770-472-2850 ext. 140127](tel:770-472-2850) or by email at [renamae.pintard@clayton.k12.ga.us](mailto:renamae.pintard@clayton.k12.ga.us) Monday through Friday 8:00 am to 5:00 pm.**

"Research indicates that one of the strongest indicators of a child's success at school is parental involvement."

**Mrs. Renamae Pintard**
