Summer 2024

RE: Free unlimited transit passes for all students at participating Oakland Unified School District (OUSD) middle and high schools for the 2024-2025 school year

Dear Students and Family Members,

We are excited to announce that the Student Transit Pass Program, which has positively impacted over 31,000 students across more than 149 schools in 19 districts (including State Special School, will continue to provide free and discounted transit access for the 2024-2025 school year.

All students attending the OUSD schools listed on the back of this letter can apply for a free Student Transit Pass. This pass is a Youth Clipper card that provides unlimited free access to AC Transit bus services and a 50 percent discount on BART trips, as well as youth discounts on other transit systems, allowing students to travel to work, school, and extra curriculars for free. The Student Transit Pass Program is sponsored by the Alameda County Transportation Commission (Alameda CTC) and is funded through Measure BB (the local transportation sales tax measure).

To participate, please complete the online application for your school: <https://www.alamedactc.org/programs-projects/studentpass/>. If you are unable to access the online application, please request a paper application from the program site administrator at your school. Students under the age of 18 must have their caregiver to complete and sign the application. Once the form is submitted and verified by the site administrator, the transit pass will be shipped directly to the student's school. Students can then pick up their transit pass from the site administrator.

Students currently participating in the Student Transit Pass program are asked to review Page 4 of this letter for important program updates.

Visit the program website listed above or email us at contact@alamedactc.org with any questions.

Sincerely,

Michael Consunji
Associate Program Analyst
