1 roll	Paper towels

Message from the School Nurse: Per Pennsylvania state requirements, the health office requires a current physical examination form for every incoming 6th grade student. We can accept any exam completed as early as September 1, 2023, per state regulations. This would include physical examinations completed last school year (5th grade year). Please include immunization reports, as many students receive their 7th grade requirements at this visit. Well visit summaries can be emailed to: JLeachko@crsd.org
 We can accept any summary, but if your pediatrician would like a form, they can be found at <https://www.crsd.org/departments/special-services/health-services>
