WELCOME BACK TO SCHOOL

A MESSAGE FROM MR. ROBey

We are back for yet another (or perhaps your first!) year here at WKHS! While I'm sad to see the summer nearing a close, I absolutely cannot wait to get back on stage and in the shop with you all. I am SO excited about this season, and I'm looking forward to telling stories with you. If you ever have any questions, feel free to reach out to me at any time at drobey@wscloud.org

ONE ACT STUDENT DIRECTORS/STAGE MANAGER(S)

Any student who has previously completed at least one semester of Theatre Repertory is able to apply to direct a 10 minute one Act in our first show. Any student with at least one semester of Theatre Repertory or Theatre Tech and Design can apply to be a Stage Manager.

ONE ACT AUDITIONS/ TECH INTERVIEWS

One Act auditions and technical interviews will be open to all WKHS students! Students will be asked to read a brief monologue that they select from a list. They may be asked to read their monologue again, but using a different tone or emotion (that tone/emotion may not fit the words being spoken, and that's okay!) Auditions will be fairly informal, and student directors will be in attendance.

ARE THE SHOW DATES ON YOUR CALENDAR?
