A Message from the Superintendent

Dear Upland Unified School District Families,

I hope this letter finds you and your loved ones in good health and high spirits. As we eagerly anticipate another academic year, it brings me immense joy to extend a warm and heartfelt welcome to each and every one of you.

I am Dr. Lynn Carmen Day, your superintendent, and it is truly an honor to serve this wonderful and diverse community. The Upland Unified School District is not just a collection of schools; it is a family united by a shared commitment to academic excellence, personal growth, and community engagement. Together, we form the foundation for our students to build their futures.

As we embark on this journey together, I am grateful for your unwavering support and dedication to our schools. Your involvement, whether volunteering in the classroom, cheering on our athletes from the sidelines, or simply being present in your child's education, is invaluable and deeply appreciated.

We remain committed to fostering a culture of inclusivity and belonging where every student feels seen, heard, and valued for who they are. Diversity is our strength, and it is through embracing our differences that we truly enrich the fabric of our school community.

In closing, I express my heartfelt appreciation for your trust in us to educate and nurture your children. Together, we will continue to inspire curiosity, ignite passion, and empower every student to reach their full potential.

I look forward to the journey ahead and the countless memories we will create together. If you ever have any questions, concerns, or ideas you would like to share, please do not hesitate to reach out.

Wishing you all a fantastic start to the 2024-2025 school year!

Warmest regards,

Dr. Lynn Carmen Day

General Information

Welcome to UUSD! The following information serves as a guide to policies and procedures that we employ in our District. Our District is bound by law to adhere to California Education Code, California Penal Code, legislative developments, and other regulations and laws, which are referenced throughout this document. Additionally, School officials stand in loco parentis (“in the place of a parent”); all students must obey the prescribed rules and regulations that school officials and teachers have authority to enforce.

California Law Regarding Safe Storage of Firearms

The Upland Unified School District would like to remind parents, legal guardians, and caregivers of all students of their responsibilities for keeping firearms out of the hands of students as required by California law. There have been many news reports of students bringing firearms to school. In many instances, the student obtained the firearm(s) from their home. These incidents can be easily prevented by storing firearms in a safe and secure manner, including keeping them locked up when not in use and storing them separately from ammunition. Thank you for helping to keep our students and schools safe. The easiest and safest way to comply with the law is to keep firearms in a locked container or secured with a locking device that renders the firearm inoperable.

To help everyone understand their legal responsibilities, this section spells out California law regarding the storage of firearms. Please take some time to review this section and evaluate your own personal practices to assure that you and your family are in compliance with California law.

► Student Access to Firearms:

With very limited exceptions, California makes a person *criminally* liable for keeping any firearm, loaded or unloaded, within any premises that are under their custody and control where that person knows or reasonably should know that a student is likely to gain access to the firearm without the permission of the student's parent or legal guardian, and the student obtains access to the firearm and thereby (1) causes death or injury to the student or any other person; (2) carries the firearm off the premises or to a public place, including *to any preschool or school grades* kindergarten through twelfth grade, or to any school-sponsored event, activity, or performance; *or (3) unlawfully* brandishes the firearm to others.¹

■ **Note:** *The criminal penalty may be significantly greater if someone dies or suffers great bodily injury as a result of the student gaining access to the firearm.*

► Negligence in Firearm Storage:

With very limited exceptions, California also makes it a crime for a person to negligently store or leave any firearm, loaded or unloaded, on their premises in a location where the person knows or reasonably should know that a student/child is likely to gain access to it without the permission of the student's/child's parent or legal guardian, unless reasonable action is taken to secure the firearm against access by the student/child, even where a minor **never** actually accesses the firearm.²

- In addition to potential fines and terms of imprisonment, as of January 1, 2020, a gun owner found criminally liable under these California laws faces prohibitions from possessing, controlling, owning, receiving, or purchasing a firearm for 10 years.³

- Finally, a parent or guardian may also be civilly liable for damages resulting from the discharge of a firearm by that person's student/child or ward.⁴

■ **Note:** *Your county or city may have additional restrictions regarding the safe storage of firearms.*

Child Abuse Reporting

School personnel are required to make an initial report immediately, or as soon as is practicably possible, by telephone and prepare a written follow-up report within 36 hours of the observation that a minor has injuries inflicted upon them by other than accidental means. The report must be made by telephone and in writing to either the local police or the Department of Public Social Services. School personnel may be deemed civilly and criminally liable for failure to report such observations but are immune from civil or criminal liability as a result of making such a report unless it can be proven that a false report was made with malice.

Clever

Clever is the main digital platform the UUSD uses for the sharing of communication and instructional materials and resources for students. Students and parents can monitor students' progress through the posted gradebook, communicate with teachers through the Inbox, and complete and submit assignments through the courses. Students are automatically provided logins to Clever through their enrollment in the District.

Closed Campus & Visitors

The Upland Unified School District (UUSD) considers the safety and health of our staff and students a top priority. To further safeguard the safety of students while in our care we have implemented the Raptor Visitor Management System to ensure that individuals visiting our campuses and interacting with our students are authorized to do so. You will continue to be required to present your identification to the office staff.

- Accepted forms of identification are as follows:
- Any state-issued driver's license or identification card
- Military ID (active duty or ret.), Federal, State, or County government ID
- Mexican Matrícula Consular card
- Permanent resident card

Once the front desk staff scans the identification provided and the visitor is cleared to visit, the Raptor system will print a visitor badge that may contain the visitor's name, picture, and destination.

When staff scans the barcode on the backside of a state-issued driver's license or identification card, it is important to note that the Raptor system only scans the visitor's name, date of birth, and photo and that any additional information is not gathered nor stored. This information will be compared against the national database of registered sex offenders.

The Raptor system is not connected to other systems such as the Department of Motor Vehicles (DMV), Department of Justice (DOJ), or Immigration and Naturalization Services (INS).

Any other information on the ID is not visible or accessible to any Raptor users. The data we screen is not shared or communicated. It is confidential and stored securely in a web-based system.

Our goal is to continue to provide a welcoming and warm environment for our parents, students, and staff while simultaneously communicating a culture of safety and security to the community. All parents are urged to continue to participate in their child's education.

If you currently do not have access to a government-issued form of identification, here are some resources to assist you:

- For a CA license visit, a local DMV office or go to www.dmv.org.
- For a Mexican Matrícula Consular card, please visit a consular office. The card is issued without regard to immigration status and provides no immigration information.
- For a Military ID card, please go to www.cac.mil/uniformed-services-id-card/
- For a Permanent Resident Card, please go to www.uscis.gov/i-90 All parents have a right to participate in their child's education. If you have any questions or concerns about the implementation of this system, please schedule a meeting with your student's principal. We hope you will find Raptor a welcome addition to the continuing effort to provide the most secure learning environment for our students.

For further information regarding Raptor please visit: <https://raptortech.com/>

As part of our dedication to ensuring the educational rights and protections of homeless children and youth, we adhere to the McKinney-Vento Homeless Assistance Act (McKinney-Vento Act) (42 United States Code § 11431-11435), a federal legislation designed to support students facing housing instability.

▶ Definition of Homeless

Under the McKinney-Vento Act, homeless children and youth are defined as individuals who lack a fixed, regular, and adequate nighttime residence. This includes:

- Children and youth who are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason

- Material that is exclusionary and does not provide to the academic discussion of differing viewpoints.

The Governing Board subscribes to the principles expressed in the American Library Association's Library Bill of Rights. It is the responsibility of the school district to provide a wide range of materials on different levels of difficulty and representing different points of view. School library professional staff will provide materials on opposing viewpoints on controversial issues to enable students to develop necessary critical thinking skills in order to be discriminate users of information and productive members of society.

► **Library Hours**

The Library is open before school, during student lunch time, after school from 2:30-3:20, and Wednesdays 1:30 - 2:30 PM. PJH provides a library for students to do research for their studies or to find reading books. Students are responsible for reimbursing Upland Unified School District for lost or stolen textbooks and library books. Food and drink are not allowed in the library.

Lost & Found

Students may inquire about any lost personal property in the main office (during lunchtime or after school only.) or in the P.E. Department. Lost textbooks may be redeemed by checking with classroom teachers or the library.

Medical Concerns

► Disease:

A student while infected with any contagious or infectious disease may not remain in any public school. Students will be readmitted upon evidence that the condition has been alleviated.

► Automated External Defibrillators (AED):

Senate Bill 658 went into effect on January 1, 2016, requiring all educational buildings with an occupancy of 200 or more (that are constructed on or after January 1, 2017) to have an Automated External Defibrillator (AED) on the premises. The District, in response to Senate Bill 658, went beyond what was required and determined that it would fully cover each of its campuses. Each school site has one unit.

► UUSD NARCAN Strategy:

The District strategy to help safeguard students from the dangers of Fentanyl now includes the availability of Naloxone (NARCAN) nasal spray on each campus. NARCAN is an opioid antagonist that effectively reverses an opioid overdose by blocking the effects of opiates on the brain and restoring breathing. NARCAN is otherwise innocuous and poses no side effects. NARCAN nasal sprays of 4 mg doses are stored in the main office on campus. The District offers continued NARCAN training to medical staff, administrators, campus officers, and other staff members who volunteer to receive the training.

For additional information on NARCAN, please refer to:

<https://www.cdc.gov/stopoverdose/naloxone/index.html>.

► Eric Paredes Sudden Cardiac Arrest Prevention Act (EC 33479):

Athletic activity includes interscholastic athletics, athletic competition other than interscholastic athletics, cheerleading, club-sponsored sports activities, noncompetitive cheer sponsored by a school, practices, interscholastic practices, and scrimmages for public school, charter school, or private school. School districts are encouraged to post information for parents, coaches and students on the web as of July 1, 2017. Each school year before starting California Interscholastic Federation (CIF) activities and non-CIF activities, the school shall collect and retain a copy of sudden cardiac arrest information acknowledgement from a parent or guardian. A school may hold an informational meeting before the start of the season for all ages of competitors regarding the warning signs including pupils, parents, coaches, school officials, athletic trainers, and authorized persons. A pupil who passes out or faints while participating or immediately following athletic activity, shall be removed by athletic director, coach, trainer, or authorized person. In the absence of an athletic trainer, a coach shall notify parents to determine what treatment, if any, the pupil should seek. A pupil who is removed shall not be permitted to return until evaluated and cleared by a physician. This does not apply to physical education activities during the regular school day. Coaches must complete the sudden cardiac arrest training course and renew every two years thereafter. After July 1, 2019, a coach who has not completed the training course required shall be suspended from coaching duties.

► Health Office:

A qualified nursing assistant and/or credentialed school nurse is on duty in the Health Office and is on-call for emergencies during school hours. All medications, including over the counter, require a California physician's order and must be kept in the Health Office. Students who become ill during the school day must request a pass from the current teacher in order to go to the Health Office. If students need to leave school due to illness, they must be picked up from school by a parent or guardian.

► Immunization Requirements:

All students must show proof of immunizations to attend school. Immunization records must be from a physician or public agency with a physician's or nurse's signature/stamp. Failure to provide this may result in exclusion from school. For a detailed list of required immunizations, please visit www.shotsforschool.org/k-12 If you have any questions and/or concerns, please contact your school nurse.

► **Protection of Health:**

A student requiring modification to any work or services due to health concerns requires a written physician's statement.

Leaving campus without permission is a violation of school rules. If a student needs to be dismissed before the end of the school day, the student needs to bring a note to the Main Office at the beginning of the school day. Parents or guardians may come in to sign out their student. Truancy earned by leaving campus without permission may not be cleared after the fact.

■ **NOTE:** *Emergency contacts are NOT authorized to check-out students from school without written permission from the parent or guardian. An emergency contact is contacted in the event of a school-related emergency when the school is unable to reach the parent or guardian.*

Release of Student Records

Access to School Records - In the course of a student's education, the UUSD keeps records as deemed necessary to provide programs to meet their needs and interests. California Education Code provides parents or guardians the right to inspect and review these records and to question the accuracy and substantiation of any and all such records, files and data. Procedures are available for parents or guardians to request removal of certain types of information. When a student transfers to another school district or to a private school, a copy of the student's record will be transferred upon request from the other school district or private school. Written consent of parents or guardians for transfer of records is not necessary, and records will be forwarded without unnecessary delay.

Students who are 16 years of age or older have the right to access their student records; however, only students 18 years of age or older may challenge the content of such records.

The principal of the student's school is responsible for student records. All records will be made available for review at a mutually convenient time during the regular school day, five business days from written request.

UUSD, in cooperation with the California Departments of Health Services and Education, has a program to allow the UUSD to be reimbursed with Federal Medicaid dollars for selected health services (such as hearing and vision screenings and health assessments) provided to eligible students at the school. In accordance with Local Education Agency rules and guidelines, we are notifying you that eligible student records may be forwarded to the UUSD's billing agency. These records will be forwarded in a confidential manner. Our vendor holds a contract with the UUSD that contains a specific confidentiality clause to ensure information is not disclosed inappropriately; further, our vendor is HIPAA compliant (Federal Health Insurance Portability and Accountability Act).

School health services currently provided to all students will not be changed by this program. Students will not be denied services they require to attend school, and parents or guardians will never be billed for services by the UUSD.

Notification of Release - Information concerning a student shall be furnished in compliance with a court order or a lawfully issued subpoena. The UUSD shall make a reasonable effort to notify the

parent or guardian and the student in advance of compliance with a lawfully issued subpoena and, in the case of compliance with a court order, if lawfully possible within the requirements of the order.

School Communication

Parents or guardians with a question, concern, or comment should call the school at their earliest convenience. Parents or guardians are welcome to visit the school; however, under no circumstances should a parent or guardian attempt to meet with a teacher by going directly to the classroom. All parents or guardians must check in at the Main Office and make an appointment to see a teacher with at least a 24 hour notice. Appointments are usually scheduled before school, after school, or during the teacher's preparation period. If a parent or guardian would like to observe their student in class, arrangements must be made at least 24 hours in advance and the length of the visit shall be brief and agreed upon with the administration.

Student Identification

Student ID cards must be in the possession of the student at all times when attending school and at all school functions. This ensures the safety of our students when staff and campus officers check for unauthorized visitors. Failure to identify oneself when requested by staff/campus officers is cause for disciplinary action. Also, student ID cards may be required for school purchases, checking out library books and textbooks, and for bus transportation.

Textbooks & School Issued Equipment

Show respect and responsibility, and take care of your textbooks. Students are issued textbooks and are responsible for maintaining and returning them in the same condition in which they were received. **The replacement fee for lost/damaged textbooks is between \$50.00 and \$80.00.** Students will be issued a replacement after they have paid the fee to the school librarian.

Use of School Property

The use of any public-school building and grounds for any meeting is subject to such reasonable rules and regulations as the Board of Trustees of the UUSD prescribes and shall in no way interfere with the use and occupancy of the public schoolhouse and grounds, as is required for the purposes of the public schools of the State.

Volunteers

The volunteer program at UUSD is designed to encourage volunteer participation while ensuring that steps are taken to protect the safety and interests of our students. We thank you and support your efforts in helping our students and school staff.

A school volunteer is a person who is willing to take time to share wisdom and experience with those on the threshold of the future...our students. A school volunteer helps expand and enrich the students' learning experience by working under the direction of the school staff. Education is a team effort, and volunteers are critical to the school team. Your involvement on a school campus shows our

students that you are concerned, that you value them, and that you want to help them succeed and be the best they can be. We appreciate our community resources and thank you for providing your precious time, individual talents, and expertise as a school volunteer.

Students are not allowed to store skateboards or scooters in classrooms, locker rooms, or the office. Bicycles, skateboards and scooters must be walked on through the main entrance and walked off through the gate on 18th Street. Failure to follow the safety rules may result in the loss of riding privileges. The school is not responsible for theft of parts or damage to items while parked in the bike rack area.

In cases of emergency, the school needs to contact parents/guardians. Please notify the school secretary of any changes in your place of residence, your home phone number, or your business phone number. Please make sure your Parent/Guardian Portal is updated with your current information.

When a student forgets something at home, such as lunch money, homework, P.E. clothes, etc., it is the responsibility of the student to check in the main office for all items that parents/guardians drop off in the office for them. The office will not call students out of class to pick up something they have forgotten at home.

Lunchtime and Food Service

All students eat breakfast and lunch for free. We are pleased to offer a variety of items for lunch, including hot tray items. Academic Information

After-School Tutoring, Class Support, & Intervention

General after-school hours are Monday, Tuesday, Thursday, and Friday, 2:30-3:30 P.M. in the library. Class support may be offered by individual teachers and departments. Students may request an individual appointment with teachers. Students attending after-school tutoring or class support are to report to their classroom or the library right after school. *Students may not leave and return to campus.*

Inclusive and Equitable Resources

Teachers make informed decisions about materials and methods of instruction based upon many factors, including alignment to state standards, frameworks, and district adopted curriculum designed to increase student engagement and representation. Literature and instructional materials, including political cartoons, infographics, and other media, are intended to broaden students' perspectives and provide glimpses into an array of lived experiences. Ensuring the literature studied is representative of diverse narratives, themes, characters, and issues offers powerful opportunities to build community, increase student empathy, and confront bias and prejudice consistent with the District's Resolution Affirming Commitment to Racial Equity and Anti-Racist Policies and Procedures.

Some of the reading selections available to students, either assigned by the teacher or chosen by the student, may contain material considered provocative or controversial based on personal values and beliefs, political philosophy, culture, religion, or other influences. Instruction concerning such topics shall be relevant to the adopted course of study and curricular goals and should be designed to develop students' critical thinking skills, ability to discriminate between fact and opinion, respect for others, and understanding and tolerance of diverse points of view. We invite parents to be involved in their students' education. Questions or concerns about instructional materials and/or classroom discussions should be addressed to the teacher who is in the best position to discuss how they are incorporated into the course.

Homework

Homework is a regular part of the instructional program. The frequency and length of homework will vary by subject matter. Parents, guardians, or caregivers are encouraged to support the successful completion of homework by encouraging students to make homework a priority. The combined effort of home and school assists students in extending their learning and in improving achievement.

Honor Roll

High levels of achievement in students will be recognized with appropriate honors. The following are some of the awards presented at the conclusion of the year to eighth grade students. The Presidential Academic Award is awarded to students who maintain a

3.50 grade point average for the first three consecutive semesters or an overall GPA of 3.75.

Additional awards are given in the following categories: sports, school service, community service,

performing arts and academic excellence. **Students with a 3.5 GPA will be recognized for being on the Honor Roll.**

Testing & Assessments

State-mandated assessment information can be found on the CDE website at www.cde.ca.gov.

► California Assessment of Student Performance and Progress (CAASPP):

All students in grade(s) 3-6 participate in the CAASPP program each spring. This includes students with disabilities and students who are English Learners. Refer to Instructional Calendar for test window dates.

The CAASPP program includes the following assessments:

- **Smarter Balanced Assessment Consortium (SBAC):**
Only 3rd - 6th -grade students take these assessments. These assessments include both English Language Arts/Literacy and Mathematics.
- **California Science Test (CAST):**
An online test based on the California Next Generation Science Standards (NGSS). All students in grades 5 are administered the examination. The CAST uses the current California Assessment of Student Performance and Progress (CAASPP) test delivery system and is administered online.
- **California Alternative Assessment (CAA):**
Measures achievement of students in grades 3 - 6 in the areas of Math, English, and Science. This alternative assessment is administered to students who have significant cognitive disabilities and are unable to take the CAASPP with accommodations or modifications.

► English Language Proficiency Assessments for California (ELPAC):

An initial assessment is administered to newly enrolled students whose primary language is not English for proper placement. An annual summative assessment is administered to all English Learners to measure attainment of English proficiency.

The ELPAC exam has three purposes:

- To identify students who are limited English proficient.
- To determine the level of English proficiency of students who are limited English proficient.
- To assess the progress of limited English proficient students in acquiring the skills of listening, reading, speaking, and writing in English.

The ELPAC and CAASPP are reported on the California School Dashboard. The CAASPP is also reflected in the designation of students being College Ready or Conditionally Ready through the Early Assessment Program (EAP). Parents/guardians wishing to opt their student(s) out of CAASPP testing must do so in writing. Your school depends on each student to do their very best, so the test results are an accurate reflection of what students have learned in school.

► Physical Fitness Test (PFT):

Public school students in grades 5, 7, and 9 are required to take the PFT, whether or not they are enrolled in a physical education class or participate in a block schedule. These students include those enrolled in elementary, high, and unified school districts, county offices of education, and charter schools. School

districts should also test all students in alternate programs, including, but not limited to, continuation schools, independent study, community day schools, county community schools, and nonpublic schools. Students who are physically unable to take the entire test battery are to be given as much of the test as conditions permit.

The PFT provides information that can be used by (1) students to assess and plan personal fitness programs, (2) teachers to design the curriculum for physical education programs, and (3) parents, guardians, or caregivers to understand their student's fitness levels. This program also provides results that are used to monitor changes in the physical fitness of California students.

Extracurricular Activities

After-School Activities Eligibility *(Example: Sports and End-of-Year Activities)*

Responsibility helps maintain eligibility. All students are eligible to participate in school activities if they maintain a 2.0 grade average and exhibit good citizenship on campus and follow all school policies. Students who forfeit eligibility cannot attend entertainment assemblies, school dances, reward films, or field trips. Eligibility lists will be updated during each grade reporting period. Students must also be in attendance on the day of the activity to participate.

Clubs & After School Sports League

Joining clubs and attending school activities are great ways to get involved, meet new people, and build community. After school league offers football, volleyball, and basketball throughout the school year. Listen for announcements for important information and club league offers kickball, football, and basketball throughout the school year.

Student Government/ Associated Student Body ASB

The Student Government/ASB is an organization through which student-elected or appointed representatives can express their opinions and assist in the school's functions. Student Government promotes leadership and initiative.

School Dances and After-School Events

ASB hosts school dances and celebratory events during the school year. Parents/Guardians should know what time to pick up their students before the end of the dance. Students must be off campus within 15 minutes after an activity ends. Violation of this policy will result in loss of the next activity or other consequences.

Newcomer Program

To support these students on their path to English proficiency, we have implemented supplemental curriculum and resources.

1. District-wide:

Newcomers have access to Rosetta Stone, which may be accessed both in school and at home.

2. Newcomer: Kindergarten through 6th grade and 6th grade through 12th grade:

- **K-6:** Wonders Newcomer Program was purchased for and implemented in the 2022-2023 school year.
- **6-12:** Houghton Mifflin Harcourt's English 3D with Language Launch was purchased and implemented in 2023 for grades 6-12

Both programs are designed to:

- Provide intensive support for newcomer ELs in developing basic English skills
- Be flexible and adaptable to the needs of individual ELs
- Be culturally responsive and supportive of ELs' home languages and cultures

The district TOSA for English learners provides on-site support and training for staff that includes curriculum implementation guidance, as well as evidenced-based strategies that best target the needs of our newcomer students. These strategies include explicit vocabulary instruction, active student response protocols and frames, and the use of translation tools.

Special Education

Special Education is specially designed instruction, at no cost to the parent or guardian, to meet the unique needs of individuals with exceptional needs. A student may qualify as an individual with exceptional needs if the results of an assessment by qualified individuals demonstrates that the degree of the student's impairment requires Special Education. The decision as to whether or not the assessment results demonstrate that the degree of the student's impairment requires Special Education shall be made by an Individualized Educational Plan (IEP) team.

► Federal Vocational and Rehabilitation Act of 1973 Section 504:

A disabled person as defined under Section 504: Any person who (1) has a physical or mental impairment which substantially limits one or more major life activities, and (2) has a record of such an impairment, or (3) is regarded as having such an impairment. The term is not necessarily synonymous with disabled students as set forth in the Individuals with Disabilities Improvement Act 2004. In order to be eligible for a Section 504 Plan, the student must have a physical or mental impairment that impacts one or

more major life activities, and substantially limits the student's opportunity to access programs and activities provided by the UUSD.

► **Adult Transition Program (ATP):**

The Summit Adult Transition Program is designed for special education students to bridge the gap between the structured environment of school and the diverse opportunities of adult life. This comprehensive program focuses on developing essential life skills, vocational training, and independent living abilities tailored to the unique needs of each participant. through classroom instruction, hands-on learning experiences, and community integration activities.

► **Assessment for Special Education:**

The UUSD must provide you with a written assessment plan within 15 days after a referral for Special Education has been received. You have 15 days to review the assessment plan and consent to the assessment. Upon receipt of the signed assessment plan, the UUSD has 60 days to complete an assessment.

► **Certificates of Completion:**

A student may qualify for a certificate of completion if they have satisfactorily completed a prescribed alternative course of study approved by the governing board of the school LEA/district in which the individual attended school or the school LEA/district with jurisdiction over the individual and identified in his or her IEP. (b) The individual has satisfactorily met his or her IEP goals and objectives during high school as determined by the IEP program team. (c) The individual has satisfactorily attended high school, participated in the instruction under his or her IEP, and has met the objectives of the statement of transition services..

► **High School Diploma:**

All high school students must meet all graduation requirements in order to receive a high school diploma.

► **Least Restrictive Environment (LRE):**

LRE means that a student who has a disability should have the opportunity to be educated with non-disabled peers, to the greatest extent appropriate. They should have access to the general education curriculum or any other program that non-disabled peers would be able to access.

► **Parental Consent:**

The UUSD provides a variety of Special Education classes. Students cannot be placed in a Special Education class without parental consent. Assignment to the Special Education program requires educational assessment and evaluation; however, this will not be done without written parental consent.

► **Procedural Safeguards in Special Education:**

Due Process hearing procedures extend to the student, the parent or guardian, and the UUSD. Due Process procedures may be initiated under any of the following circumstances:

- There is a proposal to initiate or change the identification, assessment, educational placement, or the provision of a Free, Appropriate Public Education (FAPE).
- There is a refusal to initiate or change the identification, assessment, educational placement, or the provision of a Free, Appropriate Public Education (FAPE).

- The UUSD may initiate Due Process hearing procedures if the parent or guardian refuses to consent to an assessment of the student or to the IEP.
- Due Process hearing procedures include the right to examine your student's records, the right to mediation, and the right to a fair and impartial administrative hearing at the State level.

► **Right to Revoke Consent for Special Education Services:**

A parent or guardian has the right to revoke consent for Special Education services and related services. This written request must be sent to the site principal.

Attendance

Absences

The UUSD believes that regular attendance plays an important role in student achievement. The UUSD shall work with parents, guardians, or caregivers and students to ensure their compliance with all State attendance laws and may use appropriate legal means to correct problems of chronic absence and/or truancy, including when absence threatens to influence the student's educational success negatively.

In as much as class participation is an integral part of students' learning experiences, parents, guardians, or caregivers, and students shall be encouraged to schedule off-campus appointments during non-school hours.

Any student subject to compulsory full-time education or to compulsory continuation education who is absent from school without a valid excuse for 10% or more of the schooldays in one school year, from the date of enrollment to the current date, is deemed a chronic truant and may be penalized in accordance with the Truancy section. (EC 48263.6.)

It is the intent of the UUSD that alternatives to suspensions or expulsion be imposed against any student who is truant, tardy, or otherwise absent from school activities.

The parent, guardian, or caregiver is expected to contact the school guidance or attendance office on the day the student is absent.

If it is not possible to contact the school earlier, the parent or guardian must call or send a note on the day of the student's return to school.

*** ABSENCES NOT CLEARED IN THREE DAYS ARE DECLARED TRUANT.**

If a student's absence is excused, as provided for under EC 48205, (i.e., illness, medical appointments, funeral services, and court appearances) the student shall be allowed to complete any missed assignment or test that can be reasonably given, as determined by the teacher of that class. Students will be allowed an equal number of days as the excused absence to complete missed work. Teachers may extend the time at their discretion. The student shall be given full credit for the assignment or test if the student satisfactorily completes the assignment or test within a reasonable period of time.

The UUSD believes that excessive student absenteeism and tardiness, whether caused by excused or unexcused absences, as provided for under EC 48205, may be an early warning sign of poor academic achievement and may put students at risk of dropping out of school. The UUSD Board of Trustees desires to ensure all students attend school in accordance with the State's compulsory education laws and take full advantage of educational opportunities provided by the UUSD.

The UUSD shall work with students, parents or guardians, school staff, and community agencies, as appropriate, to identify factors contributing to chronic absence and truancy. The UUSD also may collaborate with child welfare services, law enforcement, courts, District Attorney, public health care

agencies, and other support services that are available for students and families and intervene as necessary when students have serious attendance problems.

3. "Immediate family" means the parent or guardian, brother or sister, grandparent, or any other relative living in the household of the pupil.

► **The following Board Policy (BP 5113) is in place:**

Religious observance or exercise for moral or religious instruction limited to four days per month. Students must attend minimum school day hours.

► **Legal Responsibility to Attend School:**

In the State of California, every person who is physically and mentally able to attend school is required to do so beginning at age 6 and continuing until they graduate from high school or attain the age of 18, whichever comes first.

The Education Code states first that compulsory full-time education applies to all students ages 6 to 16 in the State.

It further states "each parent, guardian, or other person having control or charge of such a student shall send the student to the public full-time day school or continuation school or classes for the full-time for which the public schools are in session."

In addition, the EC states "all persons 16 years of age or older and under 18...shall attend... for not less than four 60-minute hours per week..."

There are several ways for students 16 years of age and above to attain their education, including regular high school, ROP, continuation school, Chaffey College Skill Center courses, and adult schools. Contact the school counselor for information on how to enroll in these programs.

Duty to Remain at School

A student may not leave the school premises at any time of the school day except in case of emergency or with the prior approval of the principal of the school. The attendance supervisor, a peace officer, or any school administrator/designee may arrest or assume temporary custody during school hours of any minor subject to compulsory full-time education or to compulsory continuation education who is found away from their home and who is absent from school without valid excuse.

Tardiness

Students are expected to be at school on time. Tardiness to class is disruptive and places the student in a position of not doing as well as possible if present on time. If a student is tardy, the student should provide an approved excuse document. For the purpose of identifying a tardy as excused or unexcused, EC 48205 shall apply to tardiness. Three or more tardies on three different days without a valid excuse will be considered truancy under State law (refer to Truancy section). Excessive unexcused tardies may result in notification to the parent or guardian and counselor. Appropriate corrective measures will be implemented.

► Tardiness Plan:

Students are expected to arrive at school on time. Students who are frequently tardy (more than four times per trimester) will receive school consequences and parents will be notified. If the student arrives after school begins, the student must sign in at the office. A parent, student, teacher, and/or administrator conference will be scheduled if a student has excessive excused/unexcused tardies. Students who are habitually late/tardy will be issued truant notices and possibly referred to the Attendance Review Board.

Saturday School can be assigned for students tardy and absent from school to make up for lost instruction.

Truancy

A Truant Pupil (EC 48260 (a)):

The California Legislature defines a truant in very precise language. **In summary, it states that a student missing more than 30 minutes of instruction time without an excuse three times during the school year must be classified as a truant and reported to the proper school authority.** This classification and referral help emphasize the importance of school attendance and is intended to help minimize interference with instruction.

Other types of absences justified by a parent or guardian are considered unexcused absences. If a student receives three unexcused absences on three different days, they will receive A Truant Pupil letter. Unexcused is ***NOT*** an excused absence by Education Code and contributes to the student's truancy data.

► Truancies and Unexcused Absences:

The following reasons are ***NOT*** acceptable for being absent from school and are considered truancies or unexcused absences during the regular school year. A truancy occurs if a student attends a non-school sponsored event, such as:

- | | |
|---|--|
| <ul style="list-style-type: none"> ● Going to work with parent or other family member ● Going to the beach, lake, river, mountains, desert, etc. ● Going to a concert or sporting event ● Getting ready for a date ● Baby-sitting, taking care of other family members ● Under the influence of alcohol or drugs ● Student walkouts ● Joyriding or partying | <ul style="list-style-type: none"> ● Personal problems ● Participating in a non-student sponsored demonstration off or on campus ● Repairing car or household items ● Waiting for service or repair people to arrive ● Shopping ● Bus not available/missing bus ● Camping ● Any other reason not included in the Acceptable Reasons for Excused Students Absences section per EC 48205 |
|---|--|

All absences must be verified, or the absence becomes an unexcused absence or truancy. The law provides schools and school districts with discretion regarding student penalties for truancy, so long as they are implemented in a manner consistent with State law (**EC 48264.5**). To this end, the UUSD shall respond to truancies in accordance with the Education Code where appropriate.

► Truancy Plan:

- Truancies will be recorded on the student's attendance record.
- Upon a student's initial classification as a truant, the UUSD shall notify the student's parent or guardian using the most cost-effective method possible, including an email or telephone call (EC 48260.5).

- Any student who has once been reported as truant and who is again absent from school without a valid excuse one or more days, or tardy for more than 30 minutes on one or more days, shall again be reported as truant (EC48261).
- On the first and second reported truancies (single period or all day) during the same school year, the student and parent or guardian may be requested to attend a meeting with a teacher or counselor to discuss the root causes of the attendance issue and develop a joint plan to improve the student's attendance. During the meeting, specific intervention strategies will be discussed with the goal of improving the student's attendance. A contract may be drawn listing specific interventions and expectations for improved attendance.
- On the third reported truancy during the same school year, the student shall be classified as a "habitual truant" (EC 48262). Subsequent truancies may be penalized in accordance with the EC.
- Tests and other coursework missed during truancy may be made up or turned in late at the teacher's discretion.

Parking, Drop off and Pick Up/Arrival, Dismissal

In order to ensure the safety of students, drop off and pick up along the curb in front of the school is recommended. However, if you need to talk to your student before they exit the car or you have items to unload from the car, please park in the lot and walk your student to the sidewalk via one of the two crosswalks in the parking lot. Cars in the drop-off/pick-up line may not pull up and park for any reason to keep traffic flowing. For further safety, all students **MUST** cross the parking lot using one of the crosswalks (**elementary students must be accompanied by an adult**). For everyone's safety, please adhere to our parking lot policy. (Arrival and dismissal maps are posted on our website.) The back parking lot at the end of the cul-de-sac is for staff and buses only. Parents may not enter this lot for any reason except during night activities when it is open for parent parking.

► Dismissal Policy

At the end of the school day, all students must be picked up and off campus within 15 minutes of the dismissal bell. Once a student has exited the campus, they may not re-enter. Students who have not been picked up within the 15-minute window will be taken to the office, where parents will be required to pick them up and sign them out as a late pick-up. If a student has more than three late sign-outs per year, each additional late sign-out will be considered a truancy. It is also important to note that parents may not park in red zones at any time, as per California Vehicle Code Section 21458, which prohibits parking in areas designated for emergency vehicles. We encourage parents to plan accordingly to ensure timely pick-up of their children and to communicate any delays to the school office as soon as possible to make necessary arrangements. Thank you for your cooperation in ensuring a safe and efficient dismissal process for all students.

Discipline & Behavior

Behavioral Guidelines

Most students are very serious about taking full advantage of the time they spend in school. They are conscientious about their academic endeavors, their school behavior, and their good attitude toward school. Students who come to school to learn and participate in school activities seldom have problems with school rules.

Unfortunately, some students experience difficulty in maintaining a reasonable attitude toward school rules and the resulting inappropriate behavior creates problems for themselves as well as for fellow students, their parents or guardians, and school personnel.

The UUSD has an obligation to provide an academic and social setting so that all who participate in the educational process can enjoy a productive and positive educational experience. Therefore, student behavior which disrupts the educational process must be confronted and corrected.

Students and parents/guardians should be aware that this section only describes the major problem areas. At any time, students may be counseled by teachers, counselors, or administrators regarding their behavior. If this becomes necessary, students will be informed as to what they must do to make their behavior acceptable. Students are expected to come to school prepared and to respect the rights of others, to preserve a positive learning environment. This guideline is a basic code of conduct designed to assist and to support students by providing them with a school they are proud to attend, in an atmosphere that is safe, where they have full freedom to learn.

Abuse of School Personnel

Every parent or guardian or other person who insults or abuses any teacher of the public schools in the presence or hearing of a student is guilty of a misdemeanor. Verbal abuse of a teacher in the presence of other school personnel or students on school premises or at an assigned school activity is a misdemeanor.

Bully Prevention Policy

The UUSD believes that all pupils have a right to a safe and healthy school environment. The District, schools, and the community have an obligation to promote mutual respect, tolerance, and acceptance.

Bullying means any severe or pervasive physical or verbal act of conduct, including communications made in writing or by means of an electronic act directed towards one or more pupils that has or can be reasonably predicted to have the effect of one or more of the following:

- Placing a reasonable pupil in fear of harm to that pupil's person or property

- Causing a reasonable pupil to experience a substantially detrimental effect on their mental health.
- Causing a reasonable pupil to experience substantial interference with their academic performance.
- Causing a reasonable pupil to experience substantial interference with their ability to participate in or benefit from the services, activities or privileges provided by a school. Ed Code 234-234.5

The UUSD will not tolerate behavior that infringes on the safety of any pupil. A pupil shall not intimidate or harass another pupil through words or actions, or electronic off-campus expression, **including any form of racial bullying or hate speech.**

If the student is found to be engaged in bullying, racial bullying, or hate speech, appropriate consequences will be imposed in line with the policies outlined in the student handbook consistent with California Education Code.

Any person who has been a victim of, or witnessed bullying or harassment on school grounds, during school activities, or going to and coming from school should report the incident immediately to a counselor, administrator, or other adult personnel on campus. Students, staff, and parent/guardians have the option of reporting the incident through the Bullying/Harassment Complaint Form located at the school and online.

- ▶ School personnel are to take immediate action to intervene, when safe to do so, if he or she witnesses an act of discrimination, harassment, intimidation, or bullying.
- ▶ Any staff member who receives a report of bullying shall report the incident to the principal or designee within one business day.

Staff will discuss this policy with their pupils to assure them that they need not endure any form of bullying. Pupils who bully are in violation of this policy and are subject to disciplinary action up to and including expulsion. Please visit your school’s website to access the Bullying policy, and reporting forms.

▶ **Hate Related Issues**

Upland Unified School District has developed a [Comprehensive Plan for Addressing Hate Related Issues](#). This plan outlines the Ed Codes, laws and regulations this response was based on, the training that we will provide to ensure all community partners are aware of our plan, and the response when a violation occurs. Please see the Plan for Families and the Plan for Students.

▶ **What All Pupils Need To Know:**

- Any pupil who engages in bullying may be subject to disciplinary action up to and including expulsion.
- Pupils are expected to immediately report incidents of bullying to a site administrator and/or to their counselor.

- Pupils can rely on staff to promptly investigate each complaint of bullying thoroughly and confidentially.
 - If the complainant pupil or the parent/guardian of the pupil feels that appropriate resolution of the investigation or complaint has not been reached, the pupil or the parent/guardian of the pupil should contact the principal of the school or the Assistant Superintendent of Personnel at the District office. The school system prohibits retaliatory behavior against any complainant or any participant in the complaint process.
 - Victims of bullying have the right to request an Intra-District transfer to another school with space within the District or transfer out to another district through an Inter-District transfer.
- **The procedures for intervening in bullying behavior include, but are not limited, to the following:**
- All staff, pupils and their parents/guardians will receive a summary of this policy prohibiting bullying: at the beginning of the school year in an information packet, as part of the new/returning pupil orientation and the district website.
 - The school will make reasonable efforts to keep a report of bullying and the results of the investigation confidential.
 - Staff is expected to intervene when they become aware of a bullying incident immediately.
 - People witnessing or experiencing bullying are encouraged to report the incident; such reporting will not reflect on the victim or witnesses in any way.

Confiscated Items

When a student uses any prohibited device, or uses a permitted device in an unauthorized manner, a district employee may confiscate the device. The employee shall store the device securely until it is returned to the student or turned over to the principal or designee, as appropriate.

Under the power granted to the Board to protect the safety of students, staff, and others on district property and to maintain order and discipline in the schools, any school employee is authorized to confiscate any prohibited weapon, imitation firearm, or dangerous instrument from any student on school grounds.

When a student uses a mobile communication device in an unauthorized manner, the student may be disciplined and a district employee may confiscate the device. The employee shall store the device securely until it is returned to the student or turned over to the principal or designee, as appropriate.

It is within an administrator's discretion to release confiscated items. Items will be released ONLY to a parent or guardian. Repeated offenses may result in disciplinary action. (Board Policy 5131, 5131.7, 5131.8.

Dress Standards / Student Personal Belongings

Students need to be prepared for school, which includes an appropriate appearance. Most Of our students do an excellent job and look like professional students. Teachers check in the morning for an appropriate, professional appearance. Our dress code policy covers both the elementary and middle school campuses. Students who do not wear appropriate school attire will be asked to make a change. Students may need to have clothing brought from home or supplied by the school to finish the day. Students who fail to comply with the dress code on more than three occasions will be treated as defiant. In order to look like a professional student, your children should come to school with the following:

- Clothing must cover the shoulders, midriff, buttocks, cleavage, and undergarments (bra/underwear). Examples of clothing that would be deemed inappropriate may include: tank tops w/ straps too thin to cover a bra, strapless tops, off-the-shoulder tops, low-cut shirts, bare-back, sheer or mesh clothing that does not have an appropriate blouse or shirt underneath, pants that sag and show underwear, etc.
- Clothing must not be excessively tight, see-through, or sheer.
- Undergarments and swimwear may not be worn as outerwear.
- Pajamas, sleeping garments, blankets, and/or slippers may not be worn. (unless it is a designated day)
- Clothing, shoes, jewelry, bags, accessories, and hats that advertise, promote, depict, or suggest alcohol, tobacco, drugs or any illegal substances, sexual activity, gangs, graffiti, violent acts or characters, inappropriate graphics, gestures, or words, or are derogatory, disparaging or demeaning toward any individual or group of individuals may not be worn.
- Clothing, shoes, jewelry, bags, accessories, and hats that are gang-related, denote a hate group, present a safety hazard, or disrupt the learning environment may not be worn.
- **Hats (school permitted), beanies, and hoodies** must be removed in classroom or office settings.
- **Shoes** that are flat and allow students to participate in sports activities and recess activities (sandals must have a heel strap). All students must have tennis shoes for PE and it is preferred for lunch activities to ensure student safety. There are lockers available for students to leave PE shoes at school. Slippers, Slides, or Flip-Flops are not permitted.

► Consequences for Dress Code Violations

Sometimes our decisions may seem arbitrary or subjective. Our intent is to mirror the expectations of a professional workplace and prepare your children for real-life experiences. The administration has the discretionary right to deem appearance as a distraction to the learning environment.

- **1st Offense: Garments** need to be changed. Students will be required to change into dress code loaners and will serve lunch detention.
- **2nd Offense** - garments need to be changed, and students will be required to change into dress code loaners.

- **3rd Offense** - Parents will be asked to bring their student a change of clothes, and the student will receive a Saturday school.
- **4th Offense:** Garments need to be changed. Students will be required to change into dress code loaners, and a parent meeting will be scheduled.

Discipline

Schools must have the authority to establish and enforce both academic and disciplinary rules to accomplish their charge. At the same time, students charged with a violation of these rules have the need to protect themselves from being unreasonably deprived of civil liberties and educational opportunities.

School staff must enforce the course of study, the use of legally authorized textbooks, and the prescribed rules and regulations, and they must hold students to a strict account for their conduct on the way to and from school, on campus or related to any school activity.

Every student shall attend school punctually and regularly, conform to the regulations of the school, obey promptly all the directions of their teacher and others in authority, be kind and courteous to schoolmates, and refrain entirely from the use of profane and vulgar language. Unauthorized videos, audio recordings or still images of students or staff, including the posting and transferring of these recordings/images on social media during the school day, is not allowed.

The UUSD shall expect students to behave in a socially acceptable manner appropriate to their instructional program and school sponsored activities. Rules, regulations, and rights pertaining to discipline are contained in this handbook, and others specific to each school are available in this handbook.

Detention Slips

Detention slips can be written by any staff member for a student who is in violation of the school or classroom guiding principles, rules, or expectations. Detention Slips are sent home for parent notification and signature to help support positive behavior at school. Detention slips may result in the following:

- **First offense:** Warning
- **Second offense:** After-school detention (Wednesday after school for 30 minutes) or lunch detention (middle school).
- **Third offense:** After-school detention or Saturday School (4 hours) assigned (upper elementary and middle school)
- **Fourth offense:** A one-day in-house suspension for defiance of authority.
- **On-going offenses:** Will result in suspension for defiance of authority.

Electronic Communication Device Policy

The Board of Trustees allows student possession or use of electronic communication devices on a school campus; however, it does not assume liability if such devices are damaged, lost or stolen.

All electronic communication devices are to be completely turned off (including any text messaging functions) inside a classroom during the instructional day unless directed by the teacher and/or administrator, as well as during outdoor classes, assemblies, meetings and other school-day activities. Electronic communication devices may be used in a class if directed by the instructor and/or

administrator as a part of the instructional activity. Except as otherwise provided in this policy (use for medical necessity), any use during all other times is strictly prohibited. If such devices are turned on or used without permission, any teacher or administrator has the right to immediately confiscate the device and the principal, or their designee may thereafter revoke the privilege and prohibit a student from possessing such a device on campus.

Any extreme circumstances necessitating the use of a cell phone during prohibited times shall require approval from a school official. Students wishing to preserve the privacy of the content of their electronic communication devices should leave them at home.

According to Board Policy 1250 and Education Code 51512, No electronic listening or recording device may be used by any person in a classroom or on campus without the teacher and principal's permission. Doing so without permission will result in consequences.

The extent of the confiscation and/or examination of the contents of the electronic communication device is dependent upon the circumstances present at that time and within the sound discretion of an administrator or designee. When and if the electronic communication device is returned to the student or parent or guardian will be dependent upon the circumstances presented at the time of violation.

► **Use for Medical Necessity Exception:**

No student shall be prohibited from possessing or using an electronic communication device that is determined by a licensed physician or other medical professional to be essential for the health of the student, provided the use of that device during activities prohibited by this policy is limited only to purposes relating to the health of the student. Students, parents, or guardians shall notify UUSD administration and obtain advance permission for the use of an electronic communication device for medical necessity.

Law Enforcement

Law enforcement officers have not only the right, but the responsibility to use all necessary and proper means to protect the society. This may include the need to interview or otherwise involve students in attendance at school. Whenever a student violates the laws of the State, the State in its role of parent's patriae ("parent of the country") may intervene and take custody of the student. When this is necessary, the custody of the parent or guardian, or school officials who stand in loco parentis ("in place of a parent"), is superseded by that of the State. Immediately after officers have determined it necessary to take custody of a student, they must notify the parent or guardian and school officials of this action.

Law enforcement officers have the authority to act in an emergency. However, they must give due consideration and recognition to the rights and responsibilities of all persons involved. When possible, school officials should be consulted before the law enforcement officers act.

School officials have the authority, within the scope of their duties, to detain the student and conduct such searches as are deemed necessary while the student is under the control of the school. When a principal or school official releases a minor from the school grounds, the school official must

make a concerted effort to notify the parent or guardian of the removal and of the place where the minor is being taken, unless instructed by the officer to not notify the parent or guardian.

► **SB 203 – New Protections for Students Age 17 and under when Subjected to Custodial Interrogation by Law Enforcement:**

Effective January 1, 2021, a California minor age 17 or under must consult with an attorney before they can give a confession to a law enforcement officer in a custodial setting which would be legally admissible in a court of law. The consultation with the attorney can occur by phone or video conference. Neither the minor nor the minor’s parent can waive this right. There is an exception if a law enforcement officer reasonably believes an immediate custodial interrogation is necessary to “protect life or property from an imminent threat” as long as the officer’s questions are limited to those necessary to obtain the needed information. The law also does not prevent probation officers from performing their normal duties.

► **Student Discipline Investigations:**

SB 203 will not apply to investigatory interviews conducted by school administrators. These interviews do not require Miranda warnings because they are not considered custodial interrogations as with law enforcement.

Loitering

To linger or idle about without an obvious school purpose. Any person who comes into any school building or upon any school ground, street, sidewalk or public way adjacent thereof without lawful business thereon, and whose presence or acts interfere with the peaceful conduct of the activities of such school or disrupt the school or student or school activities, and who remains there or who re-enters such a place within 72 hours after being asked to leave by chief administrators or their designee is guilty of a misdemeanor.

Any person who enters any school building or grounds during school hours and who is requested by administrators or their designee to leave shall promptly depart and not return for at least 48 hours. A request to leave may be made when it appears that the continued presence of the person would be disruptive or would interfere with the school program. Failure to leave or returning within 48 hours is a misdemeanor.

Names and Pronouns

Students have the right to be addressed by the name and pronouns that correspond with their gender identity even if the student's name and gender are not legally changed. Our schools shall use a student’s preferred name and pronoun on everything possible – including student ID, class attendance rosters, yearbook, and more. Student's legal names will appear on permanent records, such as transcripts. Students wishing to change their legal name for school purposes to a preferred name may communicate with their counselor or site administrator.

Public Display of Affection

Public display of affection (PDA) is not acceptable. Students violating the PDA regulation are subject to disciplinary measures. This regulation is in effect at all school activities. Students caught in any area of the campus or at a school event engaging in any type of sexual activity and/or lewd/obscene conduct will be subject to discipline.

Searches

Desks, and other areas over which the school and a student have dual control may be searched if there is any reasonable suspicion of illegality or breach of school discipline or to protect the welfare and safety of students, staff, and of school property.

Pursuant to UUSD Board Policy 5145.2, school officials may search any individual student, his/her property, or district property under his/her control when there is a reasonable suspicion that the search will uncover evidence that he/she is violating the law, Board policy, administrative regulation, or other rules of the district or the school. Reasonable suspicion shall be based on specific and objective facts that the search will produce evidence related to the alleged violation.

Sexual Harassment Policy

The UUSD is committed to a work and educational environment that is free from intimidation, hostility, and offensive behavior. Where staff and students are integral parts of the team, there is mutual respect and confidence, people are treated with dignity, and where individuals can work and learn in a professional atmosphere.

Sexual harassment can be defined in many different ways. Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature made by someone from or in the work or educational setting. These are all examples of sexual harassment defined under the EC.

Types of physical harassment are stroking, cornering, patting, grabbing, poking, pinching, brushing against or any touching that is perceived as sexual in nature, such as massaging someone's neck or shoulders or even hugging if it is intimidating/ unwelcome.

Types of verbal harassment are: offensive jokes that insult, provoke, or degrade an individual or group based on gender, sexual remarks ranging from subtle hints to direct requests for sexual favors; repeatedly asking out a person who is not interested and has made that clear; threats or attempts to influence another's job or academic status in exchange for sexual favors; offers of rewards in exchange for sexual favors; asking personal questions about another's sex life or offensive comments about someone's body or dress.

Other forms of harassment are leering, sexual gesturing, sexual pictures, unwelcome letters, intimate gifts, and sexual objects. All of the above non-verbal actions can create an intimidating or offensive academic environment.

If you feel that you have been subjected to any of these abuses, you must let someone know. Your concerns will be kept confidential. It is important to know that the California State law forbids retaliation against those who file a sexual harassment complaint, or who testify, assist, or participate, in any manner, in an investigation or proceeding.

► Resolution Process:

To accommodate the investigation of sexual harassment/discrimination complaints, the administration will initiate a formal process to assure prompt and consistent action occurs to reach resolutions congruent with legal standards and considered fair to the complainant. All complaints and allegations of sexual harassment shall be kept confidential except as necessary to carry out the investigation or take other subsequent necessary action (5 CCR 4964). Elements of this process are:

- If a student believes they are being harassed by a student, the student (victim) and/or parent or guardian should report the incident to an administrator who has received professional development in the impartial investigation of complaints. In addition, any school employee who observes an incident of sexual harassment involving a student shall, within 24 hours, report this observation to the administrator whether or not the victim files a formal complaint. Within five school days of receiving notice of the harassing behavior, the administrator will begin to investigate the allegation of sexual harassment findings, regardless of whether a formal complaint has been filed. When a student or parent or guardian has complained or provided information about sexual harassment, the administrator shall describe the UUSD's complaint procedure and discuss what actions are being sought by the student in response to the complaint.
 - No more than 30 days after receiving the complaint, the administrator shall conclude the investigation and prepare a written report of their findings. This timeline may be extended for good cause. The report shall include the decision and the reasons for the decision and shall summarize the steps taken during the investigation. If sexual harassment occurred, the report shall also include any corrective actions that have or will be taken to address the harassment and prevent any retaliation or further harassment. This report shall be presented to the student who complained, the person accused, the parents or guardians of the student who complained and the student who was accused, and the Superintendent or designee.
 - If the student and/or parent or guardian are not satisfied with the resolution of the problem, the complaint may be carried to the Assistant Superintendent of Personnel (Compliance Officer) for further analysis.
 - If a student and/or parent or guardian complaint charges that a staff member engaged in sexual harassment/discrimination, the complaint will be immediately forwarded to and investigated by the Deputy/Assistant Superintendent (Compliance Officer) for uniform complaints as stipulated in Board Administrative Regulation 5151.1 – Uniform Complaint Procedures.
 - The Compliance Officer will investigate the charges, follow timelines, and report to the complainant as stated in Board Administrative Regulation 5151.1 – Uniform Complaint Procedures.
 - If the investigation suggests that the staff member did violate sexual harassment/discrimination legal standards, appropriate corrective action will be initiated.
- **If the matter is not resolved at the UUSD level, the complainant may contact:**

Office for Civil Rights - U.S. Department of Education,
 50 Beale Street, Suite 7200, San Francisco, CA 94105 **Phone :** (415) 486-5555

Skateboards & Related Items

The UUSD prohibits skateboards, electric/motorized scooters, bicycles, roller blades/skates and related items from being used on school grounds at any time.

Social Media

It is important that UUSD students exercise appropriate caution if they choose to participate in any online social media sites as there are both positive appeal and potentially negative consequences. Any content students make public via online social media or digital platforms is expected to follow acceptable social behaviors and comply with all Federal, State, and local rules and regulations.

► Students should take the following into consideration before posting to social media sites:

1. Be cautious with posting identifying information. Virtually anyone with an email address can access your information. It is unwise to post the following information: full date of birth, Social Security number, address, phone numbers, class schedules, bank account information, or details about your daily routine. Check each site's privacy settings for information contained in its pages and use these settings to protect private information. Once you post your information it becomes property of the website.
2. Be aware that college admissions offices and potential current and future employers often access information you place on social media sites. You can protect yourself by maintaining an online self-image that you can be proud of years from now.
3. Be careful in responding to unsolicited emails asking for passwords or PIN numbers. Reputable businesses do not ask for this information in an email.
4. Do not have a false sense of security about your rights to freedom of speech. Understand that freedom of speech is not unlimited. The online social media sites are NOT a place where you can say and do whatever you want without repercussions.
5. Remember that photos become the property of the social media site. You can delete photos from your profile, but they stay on the site's server. Internet search engines like Google or Yahoo may still find images long after you deleted them from your profile. Think long and hard about what type of photos you want to represent you.
6. Users should always be sensitive to how others might perceive their profile and posts. A private joke is not so private when it is accessible to millions of people across the Internet. Unauthorized videos, audio recordings or still images of students or staff, including the posting and transferring of these recordings/images on social media during the school day, is not allowed.

► When posting online, students should avoid:

1. Derogatory language or remarks.
2. Demeaning statements about or threats to any third party.
3. Posting information pertaining to illegal acts.

4. Incriminating photos or statements depicting violence, bullying, hazing, sexual harassment, underage drinking, selling/possessing/using controlled substances, vandalism, stalking, illegal acts or any other inappropriate behaviors.
5. Creating a serious danger to the safety of another person or making a credible threat of serious physical or emotional injury to another person, property or group.

Students are encouraged to report illegal acts to the proper authorities. One of the biggest lessons social media users can learn is that everything posted online becomes public record.

Suspensions and Expulsions

► Classroom Suspension:

Teachers may suspend students from their classroom for the day of the specified offense and the day following. Immediately after taking such action, the teacher must report the suspension to the principal or designee and must send the student to that person for appropriate action. As soon as possible after suspending the student, the teacher must ask the student's parent or guardian to attend a conference with the student and teacher regarding the suspension.

► **Classwork During Suspension** – The teacher of any class from which a student is suspended may require the suspended student to complete any assignments and tests missed during the suspension (EC 48913). AB 982 requires a teacher to provide, upon request, homework to any student who has been suspended from school for two or more schooldays. This request must be made by either the suspended student, their parent, legal guardian, or other person holding the right to make educational decisions for the suspended student. If the request for homework is made, the assignments then must be turned in to the teacher by the student either upon the student's return to school from suspension or within the timeframe originally prescribed by the teacher, whichever is later.

► Expulsion – Mandatory Expulsion Violations (EC 48915):

Schools shall immediately suspend and recommend expulsion for students that commit any of the following acts at school or at a school activity off school grounds:

1. possessing, selling, or otherwise furnishing a firearm.
2. brandishing a knife at another person.
3. unlawfully selling a controlled substance.
4. committing or attempting to commit a sexual assault.
5. possession of an explosive.

The Board of Trustees shall order the student expelled upon finding that the student committed the act.

► Length of Suspension:

A principal may, when necessary, suspend a student for specified causes for not more than five consecutive days. Except in emergency situations where there exists a clear and present danger to the lives, safety, health of students or school personnel, a suspension by the principal (or designee) must be preceded by an informal conference between the student and the principal (or designee). If practical, the teacher or staff member referring the student shall also attend the conference. At the conference,

students must be given the opportunity to present their version of the incident. No student shall be suspended for more than 20 school days in one school year. When assigned to an opportunity class or school, a continuation class or school, or another regular school, an additional 10 days may be allowed.

- ▶ **Parental Notification:** In all suspensions, the parent or guardian of a suspended student must be notified of the suspension in writing signed by the principal or the administrative designee.
- ▶ **Teacher Notification:** Teachers will be notified when their student has been suspended. (EC 49079).

Tobacco and Vaping Policy

The UUSD prohibits the use of tobacco, tobacco products, vaping, and vaping products anywhere, anytime, on any UUSD property and in UUSD vehicles. The administration has developed regulations establishing procedures for enforcement, distribution of information, appropriate posting of signs and a referral program.

Use of Mobile Phones for Recording

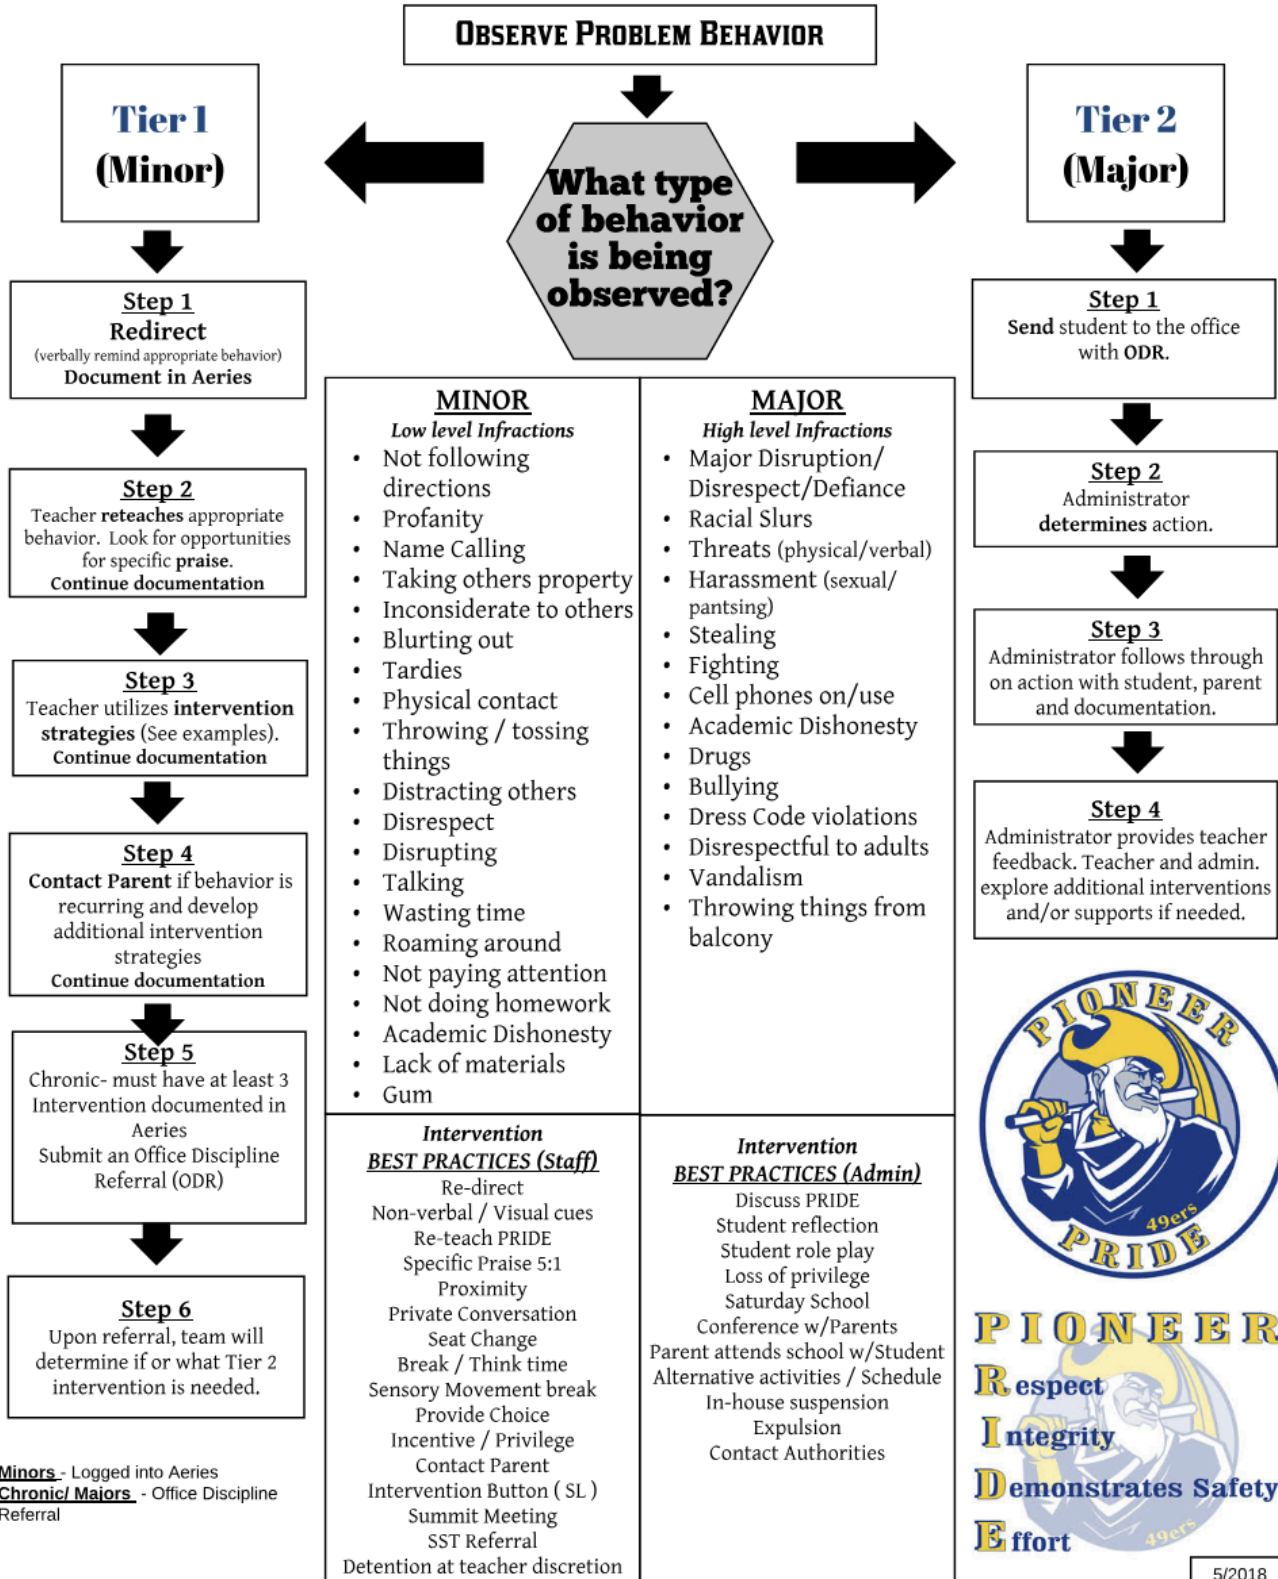

No student is permitted to record on campus without the permission of the site administrator. Per **UUSD Board Policy 5138.8** when a student uses a mobile communication device in an unauthorized manner, the student may be disciplined and a district employee may confiscate the device. The employee shall store the device securely until it is returned to the student or turned over to the principal or designee, as appropriate.

A student may also be subject to discipline, in accordance with law, Board policy, or administrative regulation, for off-campus use of a mobile communication device which poses a threat or danger to the safety of students, staff, or district property or substantially disrupts school activities.

The district will not be responsible for a student's mobile communication device which is brought on campus or to a school activity and is lost, stolen, or damaged.

Pioneer's Other Rules & Procedures

Academic honesty is a fundamental principle of scholarship. Academic honesty and responsibility are expected of all students. Cheating at any level is irresponsible and will not be accepted. The consequences of cheating/copying/plagiarism shall be zero credit on that work and up to or including suspension.

▶ Animals / Pets on Campus

Animals/pets are not allowed on campus as they may pose risks to students, staff, and visitors. Service animals and trained canines from UUSD approved agencies are exempt.

▶ Assemblies / Behavior Expectations

Pioneer Junior High has many different kinds of assemblies. Whistling, booing, shouting, or other inappropriate behavior by students will not be permitted. Any student removed from an assembly for inappropriate behavior may not be allowed to attend the next assembly.

▶ Birthday Celebrations:

Balloons, flowers, cupcakes, sweets, or other party items are prohibited at school. There are two classroom celebration days where sugary foods are allowed. **Birthday celebrations are not permitted at school.**

▶ Books:

Students are issued textbooks for their use during the school year. Students can also check out books on loan from our school library. Parents are responsible for reimbursing Upland Unified School District for lost or damaged textbooks and library books. All library privileges will cease until payment is received. Education Code 48904 states that those students and their parents are liable for any loss or damage to school materials or equipment.

▶ Substitute (guest) teachers

All students must treat guest teachers with respect. Students who disrupt classroom activities when guest teachers are present are subject to citation/behavior notice, being assigned detention, class, or in-house suspension.

Prevention of Student Harassment

The UUSD is committed to providing all of its students with a safe and supportive school environment in which all members of the school community are treated with respect.

State and Federal laws and UUSD policy prohibit the harassment or discrimination of students based on sex, gender, gender identity, gender expression, age, national origin or nationality, ancestry, ethnic group identification, race, ethnicity, color, religion, sexual orientation, or association with a person or group with one or more of these actual or perceived characteristics. Any such harassment and discrimination violate State and Federal statutes and UUSD policy and will not be tolerated by the UUSD. Staff is expected to immediately intervene when it is safe to do so, and they become aware of an act of discrimination, harassment, intimidation, or bullying. In addition, retaliation against an individual who has complained about harassment, or who has participated in a complaint proceeding, is a form of unlawful discrimination that will not be tolerated.

Disability-based harassment under Section 504 and Title II of the Civil Rights Act is intimidation or abusive behavior toward a student based on disability that creates a hostile environment by interfering with or denying a student's participation in or receipt of benefits, services, or opportunities in the institution's program.

Harassing conduct may take many forms, including verbal acts and name-calling, as well as nonverbal behavior, such as graphic and written statements, or conduct that is physically threatening, harmful, or humiliating.

When harassing conduct is sufficiently severe, persistent, or pervasive that it creates a hostile environment, it can violate a student's rights under the Section 504 and Title II regulations.

The UUSD will promptly and effectively address all complaints of harassment in accordance with the established procedures. In cases of sexual harassment Board Regulation 5155.1 will be followed. In cases where harassment is substantiated, the school will take prompt and appropriate remedial action reasonably calculated to stop the harassment and prevent it from recurring.

Students who harass other students shall be subject to appropriate discipline, up to and including counseling, suspension and/or expulsion. An employee who permits or engages in harassment may be subject to disciplinary action, up to and including dismissal.

Any student who feels that they are being harassed or discriminated against for the reasons stated in paragraph two should immediately contact a school administrator or any other staff member. Employees who become aware of an act of harassment shall immediately report the incident to the administration.

Any student or parent or guardian who reports or makes a complaint about harassment will be informed that they may file a formal complaint under the UUSD's *Uniform Complaint Procedure* (UCP), and the student/parent/guardian will be provided a copy of the UUSD's UCP and instructed on how to file the complaint.

Uniform Complaint Procedures

The UUSD has primary responsibility for ensuring that the UUSD complies with State and Federal discrimination, harassment, intimidation and bullying laws and regulations governing educational programs. Any complaints regarding civil rights guarantees including actual or perceived disability, sex, gender, gender identity, gender expression, age, national origin or nationality, ancestry, ethnic group identification, race, ethnicity, color, religion, sexual orientation, or association with a person or group with one or more of these actual or perceived characteristics or failure to comply with State or Federal laws in adult basic education, consolidated categorical aid programs, migrant education, child care and development programs, nutrition services, career readiness education and special education programs will be reviewed and mediated or investigated by the UUSD.

The complainant will have the opportunity to provide relevant information during the investigation. Within sixty (60) calendar days of receipt of the complaint, the UUSD will provide a written report to the complainant. Complaints alleging discrimination must be filed within six (6) months from the alleged occurrence or when knowledge was first obtained. Complainants may also pursue civil law remedies through mediation centers, the County Office of Education, and public/private interest attorneys. The UUSD follows Uniform Complaint Procedures established in Board Regulation 5151.1. Copies of the UUSD's complaint procedures are available free of charge. Requests for complaint procedures or complaints should be directed to the Assistant Superintendent of Personnel Services, UUSD Office located at 390 N. Euclid Ave, Upland, CA.

If dissatisfied with the UUSD's resolution of a complaint, the complainant has the right to appeal to the California Department of Education (CDE) within thirty (30) calendar days after the UUSD's report is issued. In a discrimination complaint, the complainant has the right to seek legal remedies (such as court action) when at least sixty (60) days has passed after filing an appeal with the CDE.

The UUSD has established Uniform Complaint Procedures to resolve alleged acts of discrimination, harassment, violence, intimidation, and bullying based on actual or perceived characteristics set forth in PC 422.55 and EC 220, and disability, sex, gender, gender identity, gender expression, age, national origin or nationality, ancestry, ethnic group identification, race, ethnicity, color, religion, sexual orientation, or association with a person or group with one or more of these actual or perceived characteristics, which apply to all State and Federally funded programs.

For more information, see *ANNUAL REQUIRED NOTIFICATIONS UNIFORM COMPLAINT POLICY AND PROCEDURES* section.

- The principal or designee shall, upon receipt of a written complaint, investigate the complaint and report in writing the disposition of the complaint to both the UUSD Superintendent or Designee and the complainant within the 30-day period immediately following receipt of the complaint. The complainant shall be provided with a written report which includes relevant reasons for said decision in a language best understood by the complainant when it is clear that the complainant does not understand English.

- If the complaint issue is not resolved to the satisfaction of the complainant, the UUSD Superintendent or designee shall forward to the Board of Trustees a copy of the complaint and a report of the investigation procedures and action taken. The Board of Trustees shall consider the matter at the next appropriate meeting of the Board of Trustees. The complainant may appear to present the complaint.
- The UUSD Board of Trustees shall inform the complainant of any right to appeal.

Non-Discrimination Policy

Williams Complaint Procedures (EC 35186(f))

2. School facilities must be clean, safe, and maintained in good repair as defined in **EC 17002**; and school restrooms must be cleaned, maintained, or kept open in accordance with **EC 35292.5**. Clean or maintained school restroom means a school restroom has been cleaned or maintained regularly, is fully operational, or has been stocked at all times with toilet paper, soap, and paper towels, or functional hand dryers.
3. There should be no teacher vacancies or misassignments as defined in **EC 35186(h) (2) and (3)**. Misassignment means the placement of a certificated employee in a teaching or services position for which the employee does not hold a legally recognized certificate or credential.

If you feel the UUSD is not adequately meeting these requirements, you have the right to file a complaint with the school principal. To file a complaint regarding the above matters, complaint forms can be obtained at the Principal's Office or on the UUSD website. All complaints must be resolved within 30 days.
