

Dear Parents & Guardians

Many of our home schools are receiving free breakfast and lunch through the Community Eligibility Program (CEP) for the 2024-2025 school year. Unfortunately, Laurel Oaks is not able to participate in that program at this time. We are hoping we can in the future. We encourage you to fill out the free and reduced forms to see if your child is eligible to receive free or reduced meals. If you have filled out the free/reduced application and have an approval letter from your home school, we can accept that approval letter as long as it has the school letterhead included on the approval. Those can be dropped at our campus at student services or in the cafeteria.

Thank you
