

TIS IDs, Tardies, & Fees

All communication regarding Dress Code/ID Consequences, Tardies, and Fees will be done through an automated system called Student Conductor. If anything is entered into the Student Conductor system for your student and you will receive an automated email and/or text message.

Students are **REQUIRED** to wear their picture ID on a lanyard at **ALL** times. All students are given their first ID, lanyard, and protective sleeve for **FREE**.

If a student forgets their ID at home, they are issued a **TEMPORARY** ID for the day. The student will be charged \$1 to their Skyward account for **EACH** temporary ID received. If a student loses their ID and needs a new one, they can purchase one for \$3. Students can use any lanyard as long as it is school appropriate.

If a student is not in class when the bell rings for each of their class periods, they are considered tardy and the tardy consequences will apply. There are 7 opportunities to be tardy in one day (including 1st period) so getting to class on time is very important.

Tardy/Dress Code Consequences

| Number of Tardies/Dress Code Violations | Consequence |
|--|--------------------------------|
| 1-2 | Written Warning |
| Tardies/Dress Code Violations up to 3-8 | Lunch Detention |
| Tardies/Dress Code Violations up to 9-10 | After School Detention |
| Tardies/Dress Code Violations over 10 | Assistant Principal Discretion |

Students who fail to serve detention after a warning will receive an additional detention. If a student fails to serve either of those detentions ISS will be assigned.

All tardies will reset at the beginning of each 9 week grading period.

When a student is tardy to class they scan their ID at a Tardy Station. The tardy station will print a pass with the student's consequence and automatically notify the parent of the tardy via email and/or text message.
