

Uniform Guidelines & Supply Lists

LOWER CAMPUS

WINDSOR

Addendum to 2024 - 2025 Windsor Uniform Policy

For the 2024-25 academic year, students will be allowed to wear both the 'Vintage' uniform (available through TGS Print Studio, while supplies last) as well as the 'New' uniform (available through Lands' End.)

TGS PRINT STUDIO

LANDS' END

If your student still has a uniform that fits, please do not feel obligated to purchase the new uniform at this time; all uniforms that have been used through June 2024 are perfectly acceptable through June 2025.

Note On Out-Of-Stocks

We have also been made aware of a few instances of shipment delays and recent out-of-stocks at Lands' End and TGS Print Studio. Please do not worry, we recognize that this transition will be complicated and will allow students to substitute with similar clothing items for Term 1.

Note On Formal Uniforms

In addition, if you would like to purchase a formal uniform from TGS Print Studio, please feel free to do so now while stocks last. This uniform is no longer required, though many families prefer to have one for official events such as public appearances and photo days.

When engaged in school activities on or off campus, Windsor students are required to dress in the appropriate uniform.

Parent/guardian must ensure that their child arrives at school in a Windsor School uniform that is clean, properly fitted, and age appropriate. Students who are not dressed in the appropriate uniform must present a written explanation from their parent/guardian to their homeroom teacher. Students who are not properly dressed will not be permitted to participate in class until the appropriate uniform or note/email is provided.

Please note, all the below items should be sourced from Windsor's dedicated **Lands' End Site** and may not be substituted. In general, we recommend that families have two Classroom uniform sets and two PE uniform sets per student but please check with your Homeroom teacher as schedules vary by age groups.

Complying with the school dress code.

Students must be in complete uniform, worn properly from the time they enter the school building until dismissal at the end of the school day, including lunch periods in all areas of the school.

- All clothing items must be in reasonable condition. Ripped, torn, defaced, stained or unhemmed items are not permitted.
- A uniform shirt must be worn underneath uniform sweaters.
- Jackets/coats and non-uniform sweaters are to be removed upon entering the building. Non-uniform sweaters are NOT to be worn in the school building.
- The school has a collection of spare uniform items available for student use when necessary.
- Hats, bandanas, scarves and similar headwear are not to be worn in the school. They may be worn for outdoor activities for protection from the elements. (Religious exemptions will be made.)
- Trousers, shorts and skirts are to be worn at the student's waist.
- Pant legs are not to be worn inside the socks. In addition, pant legs are not to be rolled up at all and must be properly hemmed.
- Shorts and skirts are not to be rolled up.
- Shoes must have an enclosed toe and heel. Platform shoes, high-heeled shoes, and boots are not permitted.
- Students should bring appropriate outdoor clothing and footwear to suit current weather conditions.
- The school leadership reserves the right to decide on appropriate attire.
- Hair must be neat, clean well-groomed, and a naturally-occurring color. Long hair must be pulled back from the face. Dyed hair and makeup is not permitted.
