WITHDRAWAL AND REFUND POLICY

To withdraw a student from a MACS school, the family must complete the electronic withdrawal form, which can be found in the family’s SchoolAdmin portal at discovermacs.schooladminonline.com. In addition, the family should notify the school of the withdrawal if the withdrawal occurs after the first day of school.

If you decide to withdraw your student prior to the first day of school, an early withdrawal fee will be owed to MACS. The early withdrawal fee will be determined according to the following schedule:

Withdraw before May 31st-no early withdrawal fee

Withdraw between June 1 and June 30-one twelfth (1/12) of annual tuition & fees

If you have paid more than this prorated amount, you will receive a refund. If you have not paid this amount, the difference is owed to MACS. The withdrawal date will be verified with the school principal at the school level.

OUR LADY OF THE ASSUMPTION CATHOLIC SCHOOL

Mission Statement

Our Lady of the Assumption Catholic school cares for our diverse families by striving to be inclusive, faithful disciples of Jesus Christ, rooted in Scripture, Tradition, and the Roman Catholic Church teaching.

HISTORY

Founded in 1948, Our Lady of the Assumption Catholic School was the second Catholic school to open in Charlotte. On June 3, 1954, the school building on Shenandoah Avenue was dedicated. In September 1992, the new building located on Shamrock Drive, adjacent to Our Lady of Assumption Catholic Church, was dedicated. In September of 2006, Our Lady of the Assumption Catholic School was named a *No Child Left Behind* Blue Ribbon School by the United States Department of Education. The school community strongly advocates a positive relationship between students, parents, and teachers.

ACCREDITATION

Our Lady of the Assumption Catholic School is accredited together with all schools in the Diocese of Charlotte through Lumen. All diocesan regulations, concerning the admission of students, curriculum, testing, etc, are observed by the administration and staff of Our Lady of the Assumption Catholic School.

ADMISSION POLICY

Our Lady of the Assumption Catholic School does not discriminate on the basis of race, color, sex, religion, or national and ethnic origin in the admission of students, administrative or athletic policies, and other school administered programs. Admission is in accordance with State and Diocesan regulations.

AGE AND REGISTRATION REQUISITES

Children must be four years old by August 31 to enter Preschool; five years old by August 31 to enter Kindergarten, and six years old by August 31 to enter First Grade. All new Kindergarten and First Grade students must present a birth certificate, baptismal certificate, and record of immunization. All Kindergarten and First Grade students are required to have a physical examination. These forms must be returned to the school prior to the first day of school.

If a child has been attending school in another state in accordance with the laws or regulations of school authorities of such state, before becoming a resident of North Carolina, the child is eligible for enrollment in school regardless of whether or not he/she is five years old by August 31.

ACADEMIC ACHIEVEMENT PROGRAM

The Academic Achievement Program of Our Lady of the Assumption Catholic School is part of the regional program within the Mecklenburg Area Catholic Schools. Goals of the program are:

- to provide assistance in identification of students requiring additional educational support
- to provide direct specialized instruction to mainstreamed students who have been identified with a learning disability, learning concern, or attention disorder
- to provide assistance to teachers in finding successful instructional methods and resources for students for use in the classroom
- to provide support to parents who seek information and/or services for their children.

ATTENDANCE

Regular attendance and punctuality are essential to the student's progress and the development of good habits at school. It also contributes to the perception that school is important and worthy of the effort required to be present and on time. Students need to arrive at school with sufficient time to prepare themselves for the day. They need time to unpack their book bags, turn in homework, and prepare to be attentive to their lessons.

School begins at 7:45 a.m. Students will gather in the gym for morning prayers beginning at 7:35 a.m. Prayers will begin promptly at 7:45 a.m. and students will be dismissed to classrooms after prayers. Students are supervised in Before School Care from 7:15 a.m. to 7:35 a.m.

Please try to schedule student appointments for after school hours.

If a child arrives at school after 7:45 a.m., they are considered tardy and must stop in the office to obtain a Tardy Pass. Students are considered tardy until 10:00 a.m. If a child leaves school before 10 a.m. and is not returning, he/she is considered absent for the full day. If a child leaves after 10 a.m. and is not returning, he/she is considered absent 1/2 day. Students may not participate in any afterschool activities (including sports) or events if they are absent from the school day.

It is the responsibility of the parent or guardian to contact the office by 9:00 a.m. to report a student's absence. Unexcused absences are defined as any absence other than for sickness or the death of a family member. Excessive absences, tardies, and early dismissals may result in a student being retained and possibly referred to social services.

When a student returns to school following an absence she/he must bring a written note from his/her parent or guardian stating the reason for the absence as well as the date of absence. In the case of tardiness, a similar written note, giving the date, time and reason must be signed by the parent or guardian and presented in the office to be kept as part of the school's record.

Students, who are absent for one day, will receive the assignments for the day when he or she return to school. Parents may request assignments for students who are absent for more than one day. This request must be made before 9:00 a.m. in order to have assignments ready to be picked up or sent home by the end of the day. All work that is missed because of absence must be made up within 48 hours after returning to school. In cases of extended illness, special arrangements may be made with the teachers to allow the student a reasonable length of time to complete work

that is missed. Determining what assignments were missed and the date they must be turned in is primarily the student's responsibility. Students will work in cooperation with the teacher in an effort to bring all work up-to-date as quickly as possible. This is essential because of the sequential nature of the teaching and learning process.

AUDIO VISUAL MATERIAL POLICY

Audio visual materials can be an invaluable resource to the classroom teacher. They can be used to teach a concept, to illustrate a point, to supplement a lesson, and to give visual examples for an abstract point. They can be used as a rainy day activity, a reward for exceptional behavior, and as an activity in the After School Enrichment Program.

We have a responsibility to show films that are appropriate for our students to see. The audio visual materials shown at Our Lady of the Assumption Catholic School will have an appropriate rating based on the average age of the students.

CHILD ABUSE LAWS

Our Lady of the Assumption Catholic School abides by the Child Abuse Laws of the State of North Carolina. This law mandates that all cases of **suspected** child abuse and/or neglect be reported to Child Protective Services.

COMMUNICATION

Good communication is vital to the success of your child and the school. The school will send home important information to each family weekly via "Thursday email." This communication will be in electronic form or hard copy by request to the homeroom teacher. If you feel you are not receiving the information regularly, contact the school office or the teacher. Please ensure that the school has accurate email contact information in order to receive timely communications.

Any notices that need to be included in the "Thursday email" need to be in the office by Monday of the same week. All proposed notices must have prior approval from the administration. Notices or flyers not directly concerning school information or activities must have the permission of the Superintendent.

The school office uses the Flocknote application to send out text message updates to the community. This is used to notify parents of school closures, cancellation of clubs, or last-minute reminders. **Please make sure to subscribe to the school's messages by texting "OLASCHOOL" to 84576.**

We encourage parent visitation in the classroom, especially as guest speakers and to share skills or talents. All classroom visits need to be scheduled with the teacher **in advance**. **Drop-in visits will not be honored.** Arrangements can be made directly with the teacher.

There may be times when the PTO and/or Athletic Association will need to communicate with other parents in the school. The principal **must** approve all letters being sent home.

CURRICULUM

The curriculum is designed by the Diocese of Charlotte and has been developed to meet or exceed the North Carolina State Department of Education. It includes a sequential program in

religion, language arts, mathematics, social studies, science, music, art, computer, physical education and health, and foreign language.

Our preschool program follows guidelines for age-appropriate activities that emphasize the developmental needs of the young child.

DIOCESAN POLICY ON REPORTING MINISTRY-RELATED SEXUAL ABUSE OF A MINOR

All cases of alleged, known, or suspected ministry-related sexual abuse of a minor must be reported to the proper civil authority. If you have information about possible sexual abuse or misconduct by any clergy, employee, or volunteer of the Diocese of Charlotte, report concerns safely, securely, and anonymously 24/7 over the phone using the Diocese's new hotline, 1-888-630-5929, or online: www.RedFlagReporting.com/RCDOC

Please note: If you suspect a child is in danger, please contact 9-1-1 or your local law enforcement agency.

In addition, every Church worker must go through abuse prevention and education training. Find more information about the Diocese of Charlotte's Safe Environment program, sign up for Protecting God's Children training, and more:

DISCIPLINE

In our school community, mutual respect, cooperation, self-control, generosity, responsibility, and dependability are necessary for us to demonstrate our faith in each other. All students are expected to:

- remain on the school campus and within the appropriate areas at all times
- respect and obey all adults in the school community
- respect the rights of others to work in a quiet and peaceful atmosphere
- be conscientious in caring for all school, personal property, and property of others
- use appropriate language which reflects respect for others as children of God and which cannot be construed as vulgar and offensive
- wear the school uniform with dignity and pride, strictly adhering to the dress code
- model, in words and actions, the Catholic values taught at Our Lady of the Assumption School
- be virtuous

STRICT ADHERENCE TO THE ABOVE IS EXPECTED. Our Lady of the Assumption Catholic School follows a program that is designed to maximize student learning and responsibility while minimizing unnecessary struggles between students and teachers. More information about individual classroom policies and procedures for discipline will be sent home by your child's individual teacher.

When a student's behavior violates the rights of others, it becomes subject to disciplinary measures. The teacher concerned will handle discipline on an individual basis. This may involve a meeting with the principal and/or assistant principal.

Parents will be asked to come to school for a conference for serious disciplinary problems.

Continued or serious violations of school regulations and disrespect toward authority are punishable by in-school suspension, out-of-school suspension, or expulsion according to diocesan policy.

With the rise in text messaging, e-mails, cell phones, and parties at individual homes, it is necessary to clarify the responsibility of the school with regard to discipline associated with any problems. If students engage in inappropriate online behavior outside of school, and it starts to affect the classroom environment, the principal has the authority to take disciplinary action up to expulsion.

Our Lady of the Assumption School is responsible for the safety of your child while he/she is in school or at a school-sponsored event. The school and/or employees are not responsible or liable for any issues or problems that occur outside of the school and/or school-sponsored events. If there is an incident involving a threat, danger, or illegal activity involving a student outside of the school or a school-sponsored event, it is the responsibility of the parent to bring the activity to the attention of the parents of the child or children involved. It is also the parent's responsibility to report the activity to the proper legal authority.

DISMISSAL

When picking up your child during carpool, you must stay in your car. Parents and legal guardians are not permitted to enter the school building or stand, waiting at the front doors, to escort their student to the car. Parents can not park and cross their children through the parking lot.

Every family will receive a number to display in their car window for dismissal. All family members will have a backpack tag that matches the display number. If picking up from multiple families, multiple numbers must be displayed in the car window. Dismissal is from 2:45 – 3:15. **If you are late you are subject to a conversation with administration and a potential fine.**

Only students on an approved list will be allowed early dismissal on a regular basis. All students PK-8 will adhere to the dismissal times as indicated in the parent handbook. In the event of an early dismissal request, please send a written note to the classroom teacher at the beginning of class/school day. **Early dismissal will not be granted after 2:15 p.m.**

DRESS CODE

MACS and Our Lady of the Assumption Catholic School believe that an appropriate dress code is important in educating our students on the necessity of good grooming and acceptable appearance. All students are therefore required to wear the school-approved uniform.

- Determinations and decisions about what is acceptable and pertinent to school uniforms and the dress code will be made by the OLA administration.
- School administration reserves the right to revise the dress code policy throughout the year and will provide notice to students and parents of any modifications.

All students must wear clothes in good taste. Dances are semi-formal events, therefore students dressed inappropriately will be turned away at the door. Students will not be admitted wearing torn clothing (ripped jeans), chains/spikes, sexually implicit or explicit clothes, shorts, hats, head coverings, or items referencing tobacco or alcohol products. Athletics shoes/sneakers are permitted. Clothes must not be made of see-through material. **The Principal/Middle School Lead Teacher's decision is FINAL.**

Boys: Students are allowed to wear dress pants, dress shirt, tie, and dress shoes. A jacket is strongly recommended. All pants must be securely worn around the waist.

Girls: Strapless dresses are not permitted. No open styles that show the entire back or stomach areas are permitted. Two-piece dresses will be allowed; however, please make sure that the front necklines shall not be lower than a line formed between the right and left armpit and the space between the two pieces must not exceed three inches. Cleavage must follow this same guideline and there cannot be keyhole openings. The skirt and dress length cannot be less than fingertip length. Students are allowed to wear dress pants, blouses, and dress shoes.

Dance Behavior:

- Inappropriate touching is prohibited. Students who break this rule will be asked to leave.
- Students are not allowed to re-enter the dance after leaving.
- Students will be removed from the premises with no refund for improper conduct, violations of rules, and/or refusal to comply with requests from staff and chaperones.

ELECTRONIC DEVICES

Only school-issued electronic devices are permitted for use during school hours. Unauthorized use of a personal electronic device will be considered a violation of policy and will result in confiscation of the item. In the event that your device is confiscated, it will only be released to an authorized parent or guardian. Repeat offenders may be subject to further disciplinary action as deemed appropriate by the administration.

Phone calls to parents/caregivers are permitted, at the appropriate times, from the school office and for appropriate reasons- for example, change in carpool arrangements and emergencies. Parents may reach students via the school office or leave an urgent message for communication

at any time. However, unless the message is urgent, students may receive it at the next convenient time.

EMERGENCY FORMS

An emergency form must be filled out by the parent or guardian and kept on file in the school office. Parents are asked to call the school office or send in a written note if any changes occur during the school year. It is necessary that these forms be kept up to date, so we can act in the most efficient manner if an emergency should occur.

EMERGENCY SCHOOL CLOSINGS

Closing of school due to weather conditions will be announced through the Diocesan Office over the radio and television stations WBTV, WCNC WSOC News 14. Please listen to your radio for these announcements. School will be closed only if the announcement says MECKLENBURG AREA CATHOLIC SCHOOLS. We do not necessarily follow the Charlotte-Mecklenburg School System. OLA will also send out communication via email, Flocknote text messages, and social media.

If the weather is marginal when you leave your students at school, please listen to the radio, so the message of school closings will reach you by public broadcasting. Please **DO NOT** call the school or the Diocesan Office. (See Appendix page 44 for more information.)

FIELD TRIPS

All field trips will be instructional in nature and related to the curriculum being taught. Students will not be allowed to participate in a field trip without a school-issued permission form completely filled out and signed by the parent/guardian. Permission forms will be sent home with the students for each field trip.

The permission form includes a statement asking for insurance information. You are required to give the number of the insurance policy that covers your child. All students are required to have some type of medical and hospitalization insurance. Verification of insurance must be on file at the school office. Student insurance is available at the beginning of the school year through Catholic Mutual Group. The student insurance is not mandatory, but it can be the coverage policy, if the student does not have insurance, or it can be supplementary coverage. Information will be sent home at the beginning of the school year.

These permission forms must be signed by the parents or guardians and returned to the teacher **AT LEAST ONE DAY PRIOR TO THE FIELD TRIP**. No student will be allowed to go on any field trip without this signed permission form.

The role of the parent chaperone is a very serious one. The total attention of the chaperones is needed for the students. For this reason, siblings are not permitted on field trips.

Before any parent or volunteer is allowed to proceed on a field trip or participate in any class activity, a mandatory background check, volunteer profile, and the CMG Connect online training must be completed and on file with the school office. This is the policy of our Diocese.

Field trips are a privilege, and students can be denied participation if they fail to meet academic or behavioral requirements.

If the normal form is misplaced, please complete the standard form, sign it, and return it to school.

Uniforms are worn for all field trips. There may also be certain field trips when students are required to wear their Mass uniforms. Occasionally, special field trips are scheduled when students are permitted to be out of uniform.

FIELD TRIP TRANSPORTATION

Our Lady of the Assumption Catholic School will strive to use the MACS School bus or chartered coaches for every field trip. In the event that parents are asked to drive, they will be transporting students on field trips. These forms, too, must be signed and returned **AT LEAST ONE DAY PRIOR TO THE DATE OF THE FIELD TRIP.**

According to the State of NC Laws, every driver who is transporting one or more passengers younger than 16 years of age during field trips is responsible for having all such passengers properly secured in a child passenger restraint system or seat belt that meets federal standards applicable at the time of its manufacture. Passenger-side front airbags are not a substitute for having all students properly restrained in the backseat of a vehicle.

GRIEVANCE POLICY

In the event that a grievance arises between a parent and Our Lady of the Assumption Catholic School, the following chain of command should be followed until a satisfactory resolution to the grievance is met.

- Faculty or Staff member with whom the grievance arose
- The Our Lady of the Assumption Leadership Team (Principal and/or Assistant Principal)
- Diocesan Superintendent
- The Diocesan Chancellor
- The Diocesan Bishop

HARASSMENT

Schools, including OLA, are to maintain a learning environment that is free from any type of harassment. Harassment is verbal or physical conduct that denigrates, shows hostility, or aversion toward an individual or his/her relatives, friends, or associates because of his/her race, color, religion, gender, sexual orientation, national origin, age, or disability or that of his/her relatives, friends and that:

- has the purpose or effect of creating an intimidating, hostile, or offensive environment;
- has the purpose or effect of unreasonably interfering with an individual's performance; or
- otherwise adversely affects an individual's opportunities.

Harassment can also occur online where misconduct may include, but is not limited to, the use of images, videos, postings, emails, voice calls, and messages that have the purpose or effects described above. Harassment may also take the form of bullying.

BULLYING

Bullying is prohibited at Our Lady of the Assumption School, and it will not be tolerated during the school day or during any school-sponsored activities on or off the school grounds. Bullying and intimidation are actions that are contrary to the teaching of Jesus Christ. This policy addresses bullying and does not replace any policies that deal with individual student misconduct or behavior.

Definition of Bullying

“Bullying” is defined as 1) any overt acts by a student or a group of students directed against another student with the intent to ridicule, harass, humiliate, or intimidate the other student while on school grounds, at a school-sponsored activity, or on a school bus and 2) acts which are repeated against the same student over time. Bullying includes, but is not limited to, physical intimidation or assault, extortion, oral or written threats, teasing and putdowns, name calling, threatening looks, gestures or actions, cruel rumors, false accusations, and social isolation.

In accordance with this definition, the following factors should be considered before identifying conduct by a student, or group of students, as bullying and in violation of school policy. The determination that conduct does not constitute bullying under state law and school policy; however, does not restrict the right of the administration to impose disciplinary consequences for student misconduct.

Location

Bullying in violation of school policy must occur on school grounds, or at a school-sponsored activity, including buses. Conduct that occurs off-campus is not governed by this policy.

Repeated Misconduct

Bullying, in violation of school policy, must be repeated against the same student. An isolated incident, however serious, is not bullying under school policy. Similarly, numerous acts of misconduct against different students do not constitute bullying. While serious, both isolated incidences of bullying behavior and numerous acts of misconduct against different students will be appropriately addressed under the schools’ discipline policy and will be recorded to ensure a pattern of bullying does not develop.

Ridicule, Harassment, Humiliation, and/or Intimidation

Bullying is more than misconduct. Bullying is marked by the intent to ridicule, harass, humiliate, or intimidate the victim. In evaluating whether conduct constitutes bullying, special attention should be paid to: words chosen and actions taken, whether such conduct occurred in front of others or was communicated to others, how the student accused of bullying interacted with the victim, and the motivation, either admitted or appropriately inferred, of the alleged victim.

Formal Complaints

Students and/or parents may file a written report of conduct they consider to be bullying. These written reports shall be reasonably specific as to the actions giving rise to the suspicion of bullying, including the time and place of the alleged conduct, the number of such incidents, the

target of such suspected bullying, and the names of any potential student or staff witnesses. The reports can be filed directly with the principal, or through any administrator who will then forward the report to the principal for review and action.

Informal Complaints

Students may make informal complaints of conduct that they consider to be bullying by verbal report to a teacher or administrator. Such informal complaints shall be reasonably specific as to the actions giving rise to the suspicion of bullying, including the time and place of the conduct alleged, the number of such incidents, the target of the suspected bullying, and the names of any potential student or staff witnesses. The individual who receives the complaint shall forward the complaint to the principal for review and action.

Anonymous Complaints

Students who make an informal complaint, as set forth above, may request that their name be maintained in confidence by the teacher and administrators who receive the complaint. Should anonymity be requested, the principal or his/her designee shall meet with the student to review the request for anonymity and the impact that maintaining anonymity of the complaint may have on the investigation and possible remedial action. At such a meeting, the student shall be given the choice to remain anonymous or to identify him/herself. Anonymous complaints shall be reviewed and reasonable action will be taken to address the situation; to the extent that does not disclose the source of the complaint and is consistent with the due process of the student alleged.

Staff Responsibilities and Intervention

All faculty and staff who witness bullying, as defined above, shall promptly notify the principal of events observed and shall promptly file a written incident report concerning the events witnessed. Teachers are encouraged to address the issue of bullying in other interactions with students. They may find opportunities to educate students about bullying and help eliminate bullying behavior through class discussions, counseling, and reinforcement of socially appropriate behavior. Teachers should intervene promptly whenever they observe student conduct that has the purpose or effect of ridiculing, harassing, humiliating, or intimidating another student, even if such conduct does not meet the formal definition of “bullying.”

Investigations of Complaint

Once a complaint has been reported, the principal shall promptly investigate to determine if bullying has occurred. Investigation of alleged bullying may include interviews and conversations with students (including witnesses, victim, and the student accused of bullying), parents, faculty, staff, and school records. Parents of children filing a complaint and named in the complaint will be made aware of the investigation.

An investigation of an anonymous complaint shall be limited as appropriate. Such limitations of the investigation may include: restricting action to a simple review of the complaint, discussing the complaint (with or without discussing it with the alleged violator), requiring further receipt of information, and/or the withdrawal by the complaining student of the condition his/her report remains anonymous. A written report shall be prepared when the investigation is complete. Such

reports shall include findings of fact, a determination of whether acts of bullying were verified and when acts of bullying were verified, and a recommendation for intervention, including disciplinary action.

Consequences of Actions

Once the investigation is complete, the school principal shall determine the consequences of the individual on a case-by-case, age-appropriate basis. Accordingly, there is no one prescribed response to verified acts of bullying. While conduct that rises to the level of bullying, as defined above, will generally warrant disciplinary action against the student responsible for the bullying, whether, and to what extent, to impose disciplinary action is a matter of the professional discretion of the principal. It is the goal of the administration, faculty, and staff to have the child achieve redemption, learn, and stop the bullying. The following are possible interventions:

Non-Disciplinary Interventions

When acts of bullying are identified early and/or when acts do not reasonably require a disciplinary response, students may be counseled as to the definition of bullying, its prohibition, and their duty to avoid any conduct that could be considered bullying.

Disciplinary Interventions

When acts of bullying are verified and a disciplinary response is warranted, students are subject to the full range of disciplinary consequences. Students who participate in bullying acts may be asked to perform some type of community service within our school or the local community, make amends with the student(s) that are victims of the bullying acts and will be issued an age-appropriate consequence. Community service may include, but is not limited to, tasks in the classroom, cleaning up grounds, or the building. Making amends shall include, but are not limited to, making a card or written letter to the student, apologizing to the student, or performing acts of kindness. Punitive action may include lunch/recess detention, after-school detention, out-of-school suspension, and expulsion. Parents of all disciplined students will be notified of the consequences.

Depending upon the severity of the situation, the administration may also take steps to ensure student safety. These may include implementing a safety plan, separating and supervising students involved, providing staff support for students as necessary, requesting a parent conference, requiring that a student and/or family obtain professional counseling, developing a supervision plan with parents, and notifying law enforcement in the most severe cases.

HEALTH

SCHOOL NURSE

The MACS School Health Director provides services to our school in the area of monitoring immunization and health records, monitoring health care protocols including administering medication, providing health education for students and faculty, teaching CPR and First Aid, monitoring the compliance of OSHA regulations, providing emergency care, and working with students and parents on health issues.

It is important to report to the school nurse any medical conditions your child has. It is equally important that the school nurse be informed of any medications that your child may be taking at home that could have an adverse reaction that may occur while he/she is at school. This information will be placed in the student's health record and will remain confidential.

HEALTH ROOM

The health room is staffed by a part-time registered nurse. On days when the school nurse is not on duty, a school designee from the OLA office will be assigned to provide services in the health room. In addition to the school nurse and/or designee, there is a trained first responder team that can assist with school emergencies.

VISION SCREENING

All elementary and middle school nurses perform a vision screening in November for all students in grades 1, 3, 5, and 7. Other students may be screened at the nurse's discretion or if referred by a teacher or parent. Anyone who does not pass or struggles with the exam is retested, and if they do not pass a second time, they are referred for a complete eye exam by a physician. The parents/student is required to return to the nurse the referral form with the results of the exam and recommendations for the student.

TEACHING PROGRAMS

The school nurse assists the teachers in presenting age-appropriate health lessons for your child. Topics included (but not limited to) are as follows:

1. Nutrition
2. Exercise and rest
3. Proper hand washing
4. Water and bike safety
5. First Aid for Children
6. Dental hygiene
7. Alcohol and other drugs

GUIDELINES FOR SICK STUDENTS

We will ask you to take your child home from school and/or to keep them home if he/she experiences any of the following in the past 24 hours:

1. Temperature of 99.5
2. Requires Tylenol or Ibuprofen to maintain temperature below 99.5
3. Vomiting
4. Diarrhea
5. Drainage from eyes, ears, or nose at nurse's discretion
6. Other symptoms that interfere with your child's or other students' learning

If your child has been diagnosed with an infectious illness, please keep them at home until they are no longer contagious as directed by your physician.

DOCTOR/DENTAL APPOINTMENTS

All medical appointments are best made after school hours or when school is not in session. If it is necessary for a student to leave school for such appointments, the parent/guardian **MUST SEND WRITTEN NOTICE** to the school stating the time for dismissal and the reason. No early dismissal is permitted after 2:15 pm because it interferes with the carpool line.

Parents/guardians are required to come to the school office to sign their child out if he/she is to be dismissed early. This procedure is followed to protect the child from leaving by him/herself or with someone not authorized to take him/her.

Upon returning their child or children to school, parents/guardians must sign the student(s) in and provide a doctor's note. Work missed must be made up so that the student(s) will not fall behind academically.

MEDICATION

Policy for the Administration of Medications

The purpose of this medication policy is to ensure that students safely receive all medications administered by school personnel. This policy will be followed during school hours, on school-sponsored field trips, and in the afterschool program. Medications given during school hours by school personnel should be kept to a minimum. Every effort should be made so that medications can be given at home before and/or after school. Medications will be given in school to students who need medications to sustain attendance, students who have chronic health problems, or students with special needs. If your child must receive any type of medication during school hours, including over-the-counter medications, the following regulations must be followed:

1. Both prescription and non-prescription (over-the-counter) medications require a completed **Medication Authorization Form**, detailing the medication, reason, dosage, and administration times. This form must be completed in full by the physician and signed by the parent/guardian.

2. All prescription medications must be brought to school in a properly labeled pharmacy container with identifying information (child's name, medication name, dosage, and times to be given).
3. All over-the-counter medications must be brought to school in the original container with the manufacturer's label intact.
4. Inhalers for asthma treatment require the **Asthma Treatment Authorization Form** to be completed and signed by the physician and parent or guardian. It is preferred that asthma medication be administered in the health room, especially for students in grades K -5. If optimal asthma control requires self-administration, an agreement for self-administration must be completed with the student, physician, and the parent/guardian.
5. Students may self-administer Insulin, Epi Pens, and inhalers for asthma. It is preferred that medications be administered in the health room for students in grades K – 5. All students self-administering medications must have a completed **Self-Medication Student /Parent /Physician Agreement** on file in the health room. Only those students with this completed form are permitted to carry medications on their person or in other belongings.
6. Field trip permission forms include a section for authorizing administration of medications that must be administered to a student while off campus on a school-sponsored field trip. It is the responsibility of the parent/guardian to complete the **Field Trip Form in full, including the medication section**, and return it to the school on the date indicated on the form. The school health personnel require advance notice to prepare medications for the field trips; thus, no forms will be accepted and no medications will be prepared on the day of the field trip. In addition to the Field Trip Form, medication administered by school personnel must have the **Medication Authorization Form** on file in the health room.

The above regulations are for the safety of the students; thus, there are no exceptions to this policy. If you do not wish to follow the above regulations, you may come to school and administer the medication to your child at the appropriate times. School personnel will not administer any medication to students unless the proper forms are completed and the medications are in properly labeled containers.

MIDDLE SCHOOL POLICIES

Athletic Eligibility

Middle school students are encouraged to participate in sports as a valuable part of their education and personal development. To be eligible to play sports, students must maintain a C average in all their subjects. Additionally, students should not have any grades of D or F on their report cards. This policy ensures that our student-athletes prioritize their academic responsibilities while enjoying the benefits of athletic participation.

Artificial Intelligence (AI)

This policy is designed to guide the responsible and ethical use of Artificial Intelligence (AI) programs, such as ChatGPT, across all educational activities within the school. While AI can significantly enhance the educational experience by supporting learning and creativity, its improper use may undermine academic integrity and learning objectives. This policy ensures that the use of AI tools aligns with our educational values and standards.

Approval and Oversight

- The use of AI programs for any school-related activity must receive prior approval from the relevant authority (teacher or administrator). This ensures that the integration of AI tools into the curriculum or administrative tasks is pedagogically sound and meets our educational objectives.

Responsible and Ethical Use

- AI programs should be used to supplement and enhance learning, not to replace student effort or traditional learning methods. Users must engage with these tools ethically, respecting copyright and privacy laws.

Originality and Attribution

- Work produced with the aid of AI must be original and include proper citations when AI-generated content is used. The school does not tolerate plagiarism, regardless of whether the content is generated by AI or obtained through other means.

Verification and Accountability

- Assignments or projects created with the assistance of AI are subject to review. Students may be required to verbally explain their work and the extent of AI's role in it to ensure understanding and original contribution.

Violations of this policy will be taken seriously and may result in disciplinary action, including but not limited to:

- First Offense: Warning and mandatory resubmission of the assignment.
- Second Offense: Demerit for academic dishonesty, zero credit for the assignment, parent/guardian notification, and a reflective assignment on the importance of academic integrity submitted to the administration.
- Repeated Offenses: More severe disciplinary actions, such as detention, suspension, or expulsion. Academic penalties may also apply, including grade reduction or failure for the related assignment or course.

Cell Phones

Students are permitted to bring cell phones to school. However, during school hours, the use of a personal cell phone is prohibited. When students enter the school building, they will be **required** to drop their cell phones in the designated grade-level basket at the front office. Cell phones will be stored in the office for the duration of the school day. This is in accordance with the MACS movement to make school campuses social media-free. Additionally, it eases the process of checking students out early without disturbing teachers during their lessons or prep periods.

Discipline

Students in Catholic schools are expected to act at all times in such a fashion that their behavior will reflect favorably on the individual student, the school, and the Church. All students must recognize their individual responsibilities and obligations and execute them in a Christian manner in accordance with the school regulations.

Students are always, whether inside or outside the school, to conduct themselves as Our Lady of the Assumption School students and to exhibit the behaviors expected of such students. Failure to follow this could result in serious disciplinary action, up to and including expulsion.

Discipline Plan

The primary purpose of the discipline plan is to protect every child's right to learn and to provide a clear and direct process regarding discipline for the staff, students, and parents of OLA School. This discipline policy is subject to the discretion of the OLA Administration.

Demerit Summary

- Students will receive a demerit for every infraction of school or classroom rules.
- The demerit will be given to the student and recorded by the Middle School lead teacher.
- It is the student's responsibility to have the demerit slip signed by a parent or guardian and returned the next school day.

While serving out-of-school suspension, the student is not allowed on the OLA campus. All assignments given on the day of the suspension need to be made up or will result in a zero. If a student acquires 9+ demerits, offenses may also result in a Parent/Administration meeting.

Note: The accumulation of demerits will start the **first full week** of each academic school year. Demerit accumulation will reset when returning from Christmas vacation.

Grades & Homework

All middle school core content classes will use the following grading scale to calculate trimester grades:

- Tests, Projects, Essays – 50%
- Quizzes, Classwork – 40%
- Participation, Homework – 10%

When homework is assigned, it is expected to be turned in on the day that it is due. If an absence occurs, it is the student’s responsibility to get his/her assignments from the teachers. Students are expected to make up all assignments. All late homework assignments turned in will receive a grade of 50%.

For larger assignments, a 3 school day late policy will be used and following the highest grade the work will be allowed to receive.

- 1 school day late – 90%
- 2 school days late – 80%
- 3 school days late – 70%
- 4+school days late – 50%

Headphones & Earbuds

Students are required to bring personal headphones, air pods, or earbuds to school for use in academic settings. Students are not permitted to wear air pods, headphones, or earbuds during passing periods and during class time. Teachers have permission to make exemptions, within the walls of their classroom, if their specific lesson requires the use of listening devices. In the event a student is wearing headphones, air pods, or earbuds during the above mentioned inappropriate times, the teacher will confiscate the item and bring it down to the front office, as well as issue a demerit to the student. The item will not be returned to the student, rather a parent/guardian will need to claim the item from the front office.

Service Hours

Middle school students are required to complete **four (4) service hours each trimester** for a total of twelve (12) hours by the end of the year. Students are responsible for tracking their hours and retrieving signatures for the service they complete. Students will be responsible for completing a reflective writing assignment for their Religion class.

Student projects may include but are not limited to the following: volunteering at their parish, volunteering at local nursing homes, gardening at community gardens, working around the school (helping in classrooms, service clubs, etc.), helping injured, disabled or elderly neighbors with chores, tutoring students at school or other community centers, or serving food at local shelters.

LICE

Although not a health hazard, head lice is a nuisance. Lice are not life-threatening, do not spread diseases, or indicate a lack of personal cleanliness. Few conditions cause so much concern and anxiety as head lice. At school, we take precautions to reduce the likelihood of contact transfer. If you find lice or nits on your child's head, please notify the school promptly, so we can help you. Please use one of the over-the-counter head lice products and follow all of the directions in the box.

The MACS School Health Program follows guidelines outlined by the National Association of School Nurses, the American Academy of Pediatrics, and the Centers for Disease Control for the management of head lice in a school setting. These organizations stress that lice should not disrupt the educational process.

HOMEWORK

Homework is an important part of the academic program for each student in our school. It offers among other things, an opportunity for the student:

- to practice skills learned that day
- to do independent research
- to complete long-term projects
- to develop good study habits

INSURANCE

All students are required to have some type of medical and hospitalization insurance. Verification of insurance must be on file at the school office. The Diocese of Charlotte is pleased to announce the purchase of Excess Accident Only medical insurance. Its coverage is extended to all students enrolled in our catholic schools and Faith Formation programs. Students and Faith Formation participants are covered while traveling directly to, participating in and traveling directly from school/Faith Formation classes or any school/Faith Formation sponsored and supervised activity, including interscholastic sports and football.

In an effort to minimize costs, coverage has been purchased on an excess basis which means that it will pay benefits not covered by other medical insurance coverage of a student/Faith Formation participant. If the student/Faith Formation participant has no other medical insurance, this plan will become primary.

INTERNET USAGE

The Diocese of Charlotte **Acceptable Use Policy for Internet Usage** is included at the back of this handbook.

The school must have a copy of the form for each student signed by the student and parents before students can use the Internet **independently**. At times, teachers may use the Internet for whole class lessons and all children are expected to participate. The policy and form are included in this handbook.

LIBRARY

The library is open to all students. Each class is privileged to go to the library each week at a scheduled time for the purpose of borrowing, renewing, or returning books.

The use of the library is encouraged to develop interest in leisure time reading, to build reading skills, and as a resource for study in other curriculum areas.

LUNCH

The hot lunch program is optional. Lunch items are available each day for children to purchase. Lunch is prepaid and ordered a week in advance. Orders are done online. Payments are not taken at the school. Instructions on the process are posted on our website. Students are not permitted to have soda for lunch or snack at OLA.

NON-CUSTODIAL PARENT POLICY

Our Lady of the Assumption Catholic School abides by the provisions of the Buckley Amendment with respect to the rights of non-custodial parents. In the absence of a court order to the contrary, we will provide the non-custodial parent with access to the academic records and to other school-related information regarding the child. If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order.

PARENT/TEACHER CONFERENCES

A parent-teacher conference is scheduled for all students in November.

Teachers are available for conferences after 3:15 PM each day. Since teachers may have after-school commitments, it is best to plan a time with your child's teacher. Every effort will be made to schedule a conference as soon as possible.

PARENT ORGANIZATIONS

Our Lady of the Assumption Parent Teacher Organization is designed to support the school.

The officers for this school year are:

PARTIES

Invitations to birthday or other parties MAY NOT be distributed at school unless all of the students in the class are invited. Class parties are not permitted in the cafeteria. No balloons, chips, party favors, etc. should be brought to the cafeteria to celebrate your child's birthday. You

MUST contact your child's teacher before bringing a birthday treat, and your child's teacher will inform you of his or her birthday policy.

RECORDS

Student records, including report cards and graduation documents, will not be released or issued until all financial matters have been resolved. This includes tuition, fees, lunch and/or drink money, fines, dues, library books, etc.

REPORT CARDS

Report cards are distributed in grades K-8 on a trimester basis. Progress reports are sent home midway between the report periods in order to keep parents informed of their student's progress. These reports should be signed and returned to the teacher to be kept on file. Students in Kindergarten will have their progress reported through parent conferences.

RETENTION

In such cases that it is recommended by a student's teacher and the Student Assistance Team that a child be retained in the present grade, parents are notified as early as possible, but at least prior to the beginning of the third trimester grading period.

REVIEW OF RECORDS

If a parent wishes to view his or her child's permanent records, parents are to make the request in writing to the principal and allow 24 hours' notice as to when the parent would like to view the records.

SACRAMENTAL PROGRAM/LITURGICAL CELEBRATION

Each week a liturgical celebration is held for students. Special liturgies are celebrated on Holy Days and as special needs and/or occasions arise.

1ST GRADE PARENT NOTE

Preparation for the reception of First Penance and First Communion occurs in 2nd grade at OLA. ***EACH STUDENT MUST PREPARE FOR THE RECEPTION OF THE SACRAMENTS IN HIS/HER OWN PARISH. PLEASE CHECK WITH YOUR PARISH AT THE BEGINNING OF THE 1ST GRADE SCHOOL YEAR TO ENSURE THAT YOUR CHILD WILL BE A PART OF THE PARISH PROGRAM.***

SCHOOL CALENDAR

The school calendar is convenient for quick reference. It is your reference for important school dates and can be used to assist you in arranging trips, medical appointments, etc. with minimum interruption to your child's school program.

A copy of the school calendar is given to parents prior to the opening of school and is available on the school website.

SCHOOL EVENTS

When OLA hosts an event where families, parents, legal guardians, siblings, and students are invited, all children are the responsibility of the parent or legal guardian with whom they arrived. Teachers do not assume the responsibility of students after school hours. All school rules are in effect after school hours. No child is to be left unsupervised.

SUPERVISION OF STUDENTS

Our Lady of the Assumption Catholic School does not assume responsibility for children before 7:15 a.m. or after 6:00 p.m. The school office is open from 7:15 a.m. - 3:15 p.m. **Before school care is available free of charge from 7:15 a.m. - 7:30 a.m.** The After School Enrichment Program is in session from 2:45 p.m. - 6:00 p.m. The cost for this program is listed under the heading After School Enrichment Program. Students not in the After School Enrichment Program are to be picked up by 3:15 p.m.

SWIMMING PARTIES

Our Lady of the Assumption Catholic School and the Diocese of Charlotte will not sponsor swimming parties. If a parent chooses to invite a class or children to swim, they do so as a personal invitation and assume full responsibility.

TESTING PROGRAM

The testing program is designed to measure growth and scholastic attainment in mental abilities and achievements. Teacher-made tests are administered periodically to determine the student's achievement level and mastery of a determined body of facts.

Our Lady of the Assumption Catholic School participates in the Terra Nova Assessment required by the Catholic Schools Office. These tests are administered in the fall, and the results are addressed to the parents. Parents may request a conference with the teacher to discuss test results.

TEXTBOOKS

Students are responsible for keeping their school books neat, clean, and in good repair. All hardbound texts should be covered. It is strongly recommended that soft-covered books be covered also. Book bags should be used for carrying books to and from school. Parents will be assessed for the loss or damage of school textbooks.

VALUABLES

Our Lady of the Assumption Catholic School will not assume responsibility for items of value or money brought to school by the students. Money, other than that needed for the school day, should also be left at home.

VISITORS

During the school day, parents in the building are present in one of two capacities: visitor or volunteer. Parents and all other visitors and volunteers must report to the front office to sign in and obtain a visitor badge before proceeding to any part of the school building. The badge must be worn at all times while on campus. Teachers and staff are instructed not to allow any adult into the classroom without a badge. This rule applies to parents wishing to speak/meet with teachers before and after school as well. Strict adherence to this policy is expected. School faculty and staff will notify the office of strangers in and around the building and/or visitors without badges.

Regular visitors for lunch and to the classroom are required by the Diocese to complete the CMG Connect online training and complete a Background Check Form to the school office. If visitors are coming to have lunch with a student and arrive early, they may be asked to wait in the office until the class is in the lunchroom. Upon completion of the in-person workshop or online training, a copy of the Certificate of Completion from the diocese is required to be on file with the school office. Copies of these certificates will be kept in the school's office.

Parents are also encouraged to show the courtesy of scheduling visits or observations. All classroom observations must be scheduled in advance. Since teachers and staff have a full-time commitment to their students during school hours, visitors should not go to any classroom while school is in session. Classroom visits or observations must have prior approval and all visitors must be announced to the teacher prior to entering the classroom.

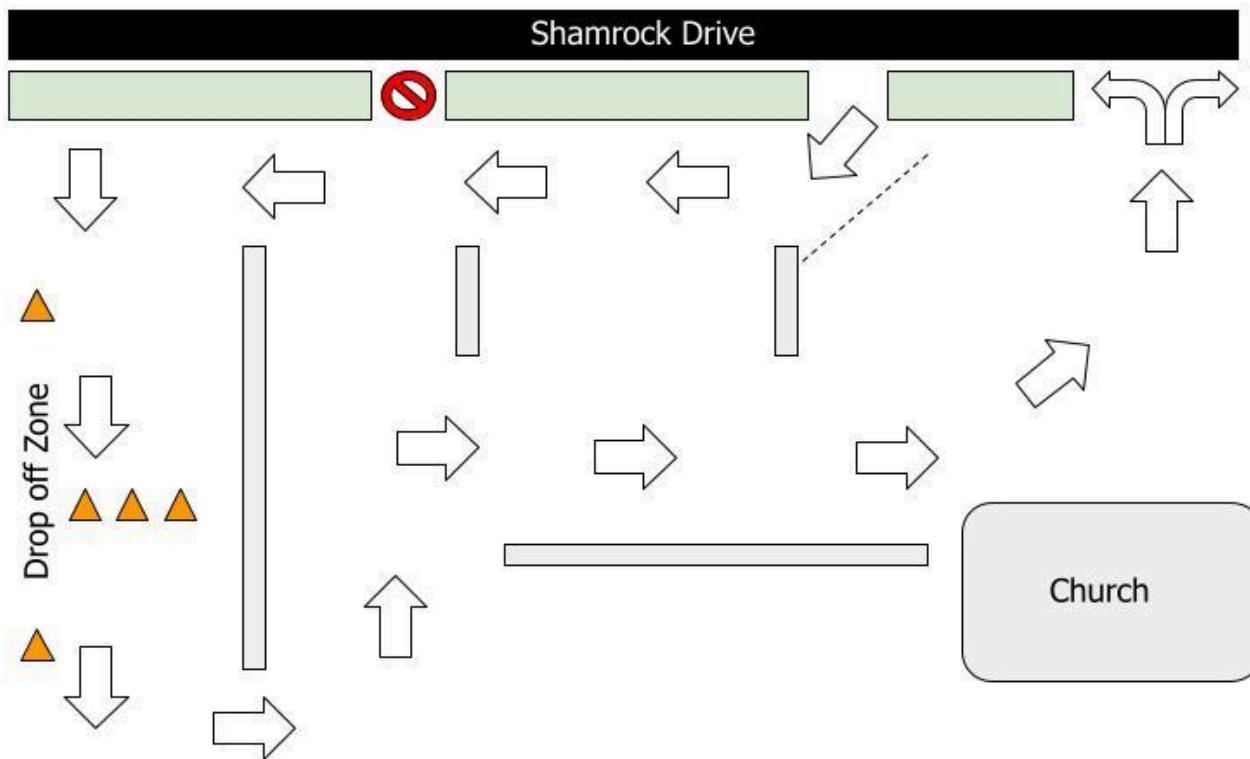

VOLUNTEERS

Before volunteering, a parent or other potential volunteer is required by the Diocese to complete the CMG Connect online training, submit a Volunteer Form, and complete the background check process. Upon completion of the workshop or online training, a copy of the Certificate of Completion from the diocese is required to be on file with the school office. Teachers will provide a volunteer schedule to the office. When a volunteer arrives, if they are on the volunteer schedule, the office will announce their arrival and they will be allowed to go directly to that classroom. Volunteers are not to visit other classrooms unless they are scheduled to be in more than one classroom. Some children are not ready to have their parents in their classroom. Parents have a different role while volunteering in the classroom; they are assisting the teacher. Some children are unable to accept their parents in any role other than parents. In these cases, it is better for the parent to volunteer in another area of the school.

VEHICLE TRAFFIC

ARRIVAL

In order to facilitate the morning drop-off of students, please observe the following traffic pattern. The entrance closest to the front of the school will be closed. Enter from Shamrock Drive using the middle driveway - directly in front of the main church entrance. Turn right through the parking lot into the main school driveway. Drop off students between the orange cones where the teachers are standing. Drive straight out of the school driveway and into the parking lot. Keep right through the lot and out the furthest drive forming two lanes - a right-turning and a left-turning lane.

DISMISSAL

The students will be dismissed for carpool from the front of the school. In order to facilitate the afternoon pick-up of students, please observe the following traffic pattern. The entrance closest to the front of the school will be closed. Enter from Shamrock Drive using the church entrance. Approach the school in the left lane. Make three lanes at the school entrance. Exit onto Shamrock Drive at the second exit forming two lanes - a right turning and a left turning lane. Parents and legal guardians picking up their carpool must wait in their cars. You may not enter the building or wait at the front doors to escort your carpool to the car.

Grades PK-8 will be dismissed at 2:45 PM
