

INCARNATE WORD ACADEMY

A Catholic College Preparatory for Young Women, Est. in 1873

August 12, 2024

Dear Parents,

As we know, we are building a parking garage. The actual work should begin in September and be completed by April. Once we can no longer use our lot, everyone, including faculty and staff, will park across the street at LAM Parking. We believe that is the safest option since there is a traffic light at the corner and a police officer stationed there before and after school. This proactive approach ensures the safety and convenience of our entire school community.

LAM is charging \$450 for the fall semester. While it is a large jump from last year, we are guaranteed parking during day games, which we did not have in the past. The playoff games have NOT been factored in, but we will deal with that if needed.

If you choose to have your daughters park elsewhere, keep in mind that on game days, you will be paying a competitive game day price.

The payment should be made to Incarnate Word Academy. We will send one check to them. If it would make it easier for you, you may add it to your account; however, it will increase your monthly tuition payment.

I know we are all looking forward to our new garage, which will bring convenience and lower garage fees.

Praised be the Incarnate Word!

Sister Lauren Beck, C.V. I
President.

Acknowledgment of Responsibility and Vehicle Liability

I understand that my LAM Parking permit allows me to park in the designated parking area on school days only, Monday through Friday, 7:00 a.m. to 4:00 p.m. The LAM parking area is on Capitol Street directly across from IWA. School day parking is not available on Houston Astro day playoff games and possibly other event days with advance notice. I understand that I must adhere to all state driving laws as well as those regarding jaywalking. All students must cross at the designated corner crosswalk.

Students must place their LAM Parking permit face-up on their dashboard. Students without a LAM Parking permit for any reason must pay the daily rate at the payment station and place their receipt face-up on their dashboard.

Questions? Contact LAM Parking, 713-871-0973. *LAM Parking is not affiliated with IWA.*
