Dear Parent/Guardian of a **Full-Time** Student:

### Meet the Teachers Night

Please join our GCIT family on **Tuesday, September 17, 2024**

Classroom visits will begin promptly at 6:30 p.m. and end at 8:00 p.m. for you to experience what a day is like in the educational life of your child. You will visit the three academic classes and one career cluster class of your child according to their schedule.

At 6pm, prior to the class visits, there will be a presentation in the 400 cafeteria about the Career and Technical Student Organizations (CTSO) and the Parent Teacher Organization (PTO). Student ambassadors will be in the hallways to help guide you to the different classrooms and areas.

Parents of Advanced Manufacturing students, you will go to the AMAS building on the RCSJ campus from 6:00pm to 6:30pm to meet the Advanced Manufacturing Teacher in the shop. Then parents will go to the main GCIT building and follow the students' schedule to meet the other teachers.

Please follow your child's schedule to visit their classrooms beginning at 6:30 p.m. and meet their teachers. I, along with the Assistant Principals, counselors, and CST staff will be available to answer any questions in the 400-wing commons area.

I look forward to seeing you.

Respectfully,

*Sybil Girard*
