Sacred Heart Greenwich Parents

Dear Parents,

Dr. Katie Vadasdi of ONS proudly serves as the team physician for students at Sacred Heart Greenwich and other local student athletes. A fellowship-trained orthopedic surgeon, she specializes in adolescent and adult sports medicine, as well as shoulder and elbow surgery. Dr. Vadasdi completed her residency at the Hospital for Special Surgery in New York and a Columbia University Medical Center fellowship.

For students who wish to see Dr. Vadasdi at the ONS Greenwich Office but are "out of network," she is pleased to offer a courtesy to accommodate their orthopedic care needs.

Out-of-network courtesy details:

- ONS will accept what your insurance allows out of network (not necessarily what the insurance pays); however, any amount remaining on your deductible and coinsurance must be paid by you.
- You will not be asked to pay at the time of service.
- ONS will file the claim directly to your insurance carrier.

Dr Vadasdi is in-network with most major insurers. Please see the complete list of accepted insurances below. **When calling our office to make an appointment, please mention that your child is a current student at Sacred Heart Greenwich.**
