Re: Witter Field Renovation Project Update

Dear Neighbors,

The Witter Field track resurfacing was complete yesterday, Friday, 8/9/24.

The Witter sports complex was opened yesterday afternoon and PHS football and cross-country teams were using the synthetic turf field and the new track

A ribbon cutting ceremony will take place next Wednesday, 8/14 beginning at 5:15pm. Everyone is invited to attend.

I would like to thank the Piedmont Community and the surrounding residents for their immense patience and understanding throughout the entire project.

I have attached a few photos of the finished track along with a few old photos (pre-renovation) of the track and field after a large storm event. The renovations included extensive underground drainage work.

Regards,

Pete Palmer
