NEW Experiences for Students... coming soon!

Museum Adventures with Professor Inquiry is a series of fun, short **videos to engage middle school students** with inquiry-based learning and Social Studies. Instructional materials and hands-on activities will support classroom learning.

Untying the Knot: Celebrating Citizenship in Fulton County Schools exhibit and online learning site will engage **high school students** in exploring civics in action through the lens of local history.

A Walk Across Georgia: Discovering Our Five Regions exhibition for **3rd and 5th Graders** will have students exploring the regions of GA, examining fossils, and classifying flora and fauna through hands-on discovery.

Hands-On History Pop-Up Exhibits will travel to **middle schools** throughout the district providing engaging, hands-on experiences for students to explore historic technology and consider how these innovations impact us today.
