MIS 1 and 2

Priority Performance
Challenge-
AKA What's the most
important problem to
solve for kids at
Wilson?

CMAS and STAR both have a large group of students who are not yet proficient (72% in ELA and 85% in math). We also have a large group of students who are nearing proficiency (at the approaching band).

MIS #1: Best First Instruction -
Coherence in Tier 1 Instruction:
At Wilson, we will implement and
refine, through coaching cycles, a
comprehensive instructional
infrastructure to support high
quality instruction.

Action Steps for MIS 1:

Utilizing strengths of all staff to implement peer coaching and observation.

CLDE focus- data analysis and PD around language strategies that support all learners in the classroom.

Literacy planning PLCs that support implementation of language strategies and text-first planning.

Ongoing coaching cycles to continue to norm on instruction throughout the building.

Focus on indicators of high-quality instruction- coaching on those items throughout Wilson.

MIS 2: Growing Healthy Community

Engagement: At Wilson, we will develop and implement a comprehensive communication and engagement plan that supports all families with knowing what is happening at Wilson and supports families and students with engaging in their educational journey.

Action Steps:

Increased communication from admin to community.

Increased communication from teachers to community.

-dojo push, sentence starters, monthly connections, sharing dojo with teams so you can all use the same communication, celebrations of learning, events calendar, closing the loop on 2nd cup of coffee events, front office supports, welcome classes monthly

THANK YOU

We would now like to open our presentation up for
Q&A time for the next 15 minutes.
