Bullying includes relational aggression or indirect, covert, or social aggression, including rumor spreading, intimidation, enlisting a friend to assault a child and social isolation.

Civil Rights Violation: For purposes of this policy only, a civil rights violation means bullying, cyber-bullying, hazing, or abusive conduct that is targeted at an individual based upon the individual's identification as part of any group protected from discrimination under the following federal laws: Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, and Title II of the Americans with Disabilities Act of 1990.

Communication: For the purposes of these procedures only, communication means the conveyance of a message, whether verbal, written, or electronic.

Cyber-bullying: Using the internet, a cell phone, or another device to send or post text, video, or image with the intent or knowledge, or with reckless disregard that the text, video, or image will hurt, embarrass, or threaten an individual, regardless of whether the individual directed, consented to, or acquiesced in the conduct, or voluntarily accessed the electronic communication.

Federally Protected Class: Individuals protected from discrimination under the following federal laws: Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, and Title II of the Americans with Disabilities Act of 1990. Federal law currently prohibits discrimination on the basis of age, color, disability, gender, gender identity, genetic information, national origin, pregnancy, race, religion, sex, sexual orientation, and/or veteran status.

Hazing: A school employee or student intentionally, knowingly, or recklessly committing an act or causing another individual to commit an act towards a school employee or student that:

- F. is committed for the purpose of initiation into, admission into, affiliation with, holding office in, or as a condition for, membership, in a school or school-sponsored team, organization, program, club, or event; or

 - 3. Non-school personnel shall report any violations to the district's compliance officer.
- B. Within 24 hours of receiving a report/complaint/allegation, a school administrator must notify parents that their student threatened to commit suicide or was involved in an incident of bullying, cyberbullying, hazing, abusive conduct, or retaliation.
 - 1. The school shall provide the parent with:
 - a. Suicide prevention materials and information; and
 - b. Information on ways to limit the student's access to fatal means, including a firearm or medication.
 - 2. A phone call with a follow-up email is the preferred method for delivering this notification; however, if the administrator has left a voicemail message but has been unable to connect telephonically with the parent, an email will be sufficient.
 - 3. This notification must be documented on the "Record of Parent Notification of Student Threat or Incident" form (hereafter referred to as the "Notification Form"), linked in the References section above.
 - 4. The Notification Form must be maintained for at least one year in a separate and secure location, not in the student's cumulative file.
 - a. The Notification Form may be shredded after one year unless an appeal is pending.
 - b. The school will maintain this record in accordance with state and federal privacy laws.

If a supervisor receives complaints from their employees regarding the conduct of another employee under the supervisor's control, the supervisor shall refer the complaining employees to the compliance officer. Supervisors are not to submit G-20 complaints on behalf of their employees against another of the supervisor's employees. If appropriate, the supervisor shall begin a supervisory investigation into any of the allegations that do not rise to the level of a G-20 complaint.
- G. Any individual who has reported violations of these procedures is protected from ridicule, bullying, cyberbullying, hazing, abusive conduct, or retaliation that may come as a result of their report. Moreover, a report that is made in good faith shall not affect the reporter's grades, learning or work environment, future employment, or work assignment.

IV. Mandatory Response

- A. The school administrator or district compliance officer (hereafter referred to as “Investigator”) shall promptly investigate, and respond to any report of bullying, cyber-bullying, hazing, abusive conduct, or retaliation.
- B. For each incident of bullying, cyber-bullying, hazing, or retaliation (hereafter referred to as an “Incident”), the Investigator shall create an action plan to address the Incident.
 - 1. All incident action plans will be created and implemented in accordance with Section IV below.
- C. The investigator shall investigate all complaints by using the steps outlined in the First Level Investigation and Response in the G-19.A: Administrative Procedures for Board Policy G-19: Discrimination, Harassment, Sexual Harassment, and Retaliation Prohibited.
 - 1. State law requires that investigations of incidents under these procedures include interviews of the following individuals:

 - c. parents of the alleged victim;
 - d. parents of the individual who is alleged to have engaged in prohibited conduct;

 - h. other individuals who may provide additional relevant information.
 - 2. As outlined in Section V.F. of the G-19.A: Administrative Procedures, the Investigator may dismiss all or part of the complaint without any further investigation if:
 - a. after a cursory investigation it becomes clear that the complaint is frivolous and/or has been filed with malicious intent;
 - i. A complaining party who files a false complaint with malicious intent will be subject to disciplinary action, as outlined in Section J.1-3. below.
 - b. the allegations in the complaint are insufficient to establish a policy violation even if all the factual allegations in the complaint are true;
 - c. the delay in filing the complaint precludes a thorough investigation due to a lack of evidence and/or the unavailability of/lack of control over witnesses and/or the responding party; and/or
 - d. the Investigator decides to limit the scope of the investigation.
- D. The Investigator shall investigate all anonymous reports, but may not take formal disciplinary action based solely on an anonymous report.
- E. Any allegation that has criminal implications shall be promptly reported to law enforcement.
- F. The investigator shall provide both notice to the accused of the allegations against them and an opportunity to respond.
- G. The responding party shall be provided with all appropriate due process prior to any discipline being imposed.
- H. Appropriate action shall be taken to stop and prevent the recurrence of the conduct, eliminate any hostile environment, and protect the complaining party and other involved individuals from retaliation.
 - 1. If the incident involves a student responding party, this action will include the participation of the parents of the accused student(s).
 - 2. School administrators shall also provide assistance to any affected students and their parents in reporting subsequent problems and new incidents and shall provide supportive measures to those students, as appropriate.
 - a. Any further Incidents will be investigated appropriately.
 - 3. The Investigator shall also provide assistance to any complaining employee in reporting subsequent problems and new Incidents and shall provide supportive measures to that individual, as appropriate.
 - a. Any further reports of bullying, cyberbullying, hazing, or abusive conduct will be investigated appropriately.

- J. School administrators may take disciplinary action against a student who shares any recording of an act of bullying, cyber-bullying, hazing, abusive conduct, or retaliation in order to impact or encourage future incidents.
- K. The district may take disciplinary action against a school employee who initiates off-campus speech or behavior that constitutes bullying, cyber-bullying, hazing, abusive conduct, or retaliation against a district student or school employee if the incident creates a substantial disruption to the school or work environment.

- L. If it is determined that the bullying, cyber-bullying, hazing, or abusive conduct is directed at an individual because of the individual's membership in a protected class, the appropriate action listed above must be taken regardless of whether individual makes a complaint, asks the school or district to take action, or identifies the conduct as a form of discrimination. Any possible violation of a student's or employee's civil rights must be reported to Tina Hatch, Compliance Officer/Title IX Coordinator, 440 East 100 South, Salt Lake City, Utah 84111, 801.578.8388, or the Office for Civil Rights, Denver, CO, 303.844.5695.

 - d. restricted/directed communication with school employees and activities.
- N. If the Investigator confirms that an Incident has occurred, the school administrator or supervisor may, if appropriate, take positive restorative justice practice action and support involved students or school employees through trauma-informed practices. Such actions must be in conjunction with other appropriate disciplinary actions.
 - 1. A complaining party is not required to participate in a restorative justice practice.
 - 2. If the school or district would like a student to participate in a restorative justice practice, the school must notify that student's parent of the proposed restorative justice practice and obtain consent from that student's parent before including the student in the process.
 - 3. School administrators or supervisors must contact the student services department prior to implementing any restorative justice practice with students. Restorative justice practices involving employees must be coordinated through the human resource services department.
- O. The school will ensure that parents are communicated with regularly during the course of an investigation and notified about the result of the investigation. Schools shall then work with students and their parents to ensure that the students involved can appropriately and safely continue with their education.
- P. Allegations and verified incidents of bullying, cyberbullying, hazing, and retaliation must be documented in the district's electronic student information system.
- Q. The Family Educational Rights and Privacy Act ("FERPA") does not permit sharing information regarding any discipline a school may have imposed on the student who caused the Incident with the student to whom the Incident was directed or that student's parents.
- R. The school shall provide a student with a copy of their own disciplinary record if the student requests a copy of the record.

 - 1. educational schedule or placement; or
 - 2. participation in a school-sponsored sport, club, or activity.
- E. If the Investigator attempts to involve a parent in the development and implementation of an Incident Action Plan, the parent chooses not to participate in the process, the Investigator may develop and implement an Incident Action Plan without the parent's involvement.

VI. Appeals

- A. Appeals of employee disciplinary consequences are governed by P-4: Administrative Procedures, Discipline of district employees.
- B. Appeal for student disciplinary consequences that result from an Incident investigation are as follows:
 - 1. If following an investigation:

- B. Training on bullying, cyber-bullying, and hazing should complement the suicide prevention program required for students and licensed educators, and include information on when issues relating to this rule may lead to student or employee discipline.
- C. The training described above shall be offered to new school employees, coaches, advisors, and volunteers before starting their position with the district and before interacting with students in their official/volunteer capacity. Such training will be repeated annually thereafter.
- D. Annually, all students who are at least eight years old, parents, and school employees shall sign that they have received a copy of Board Policy G-20.
