Mon-Tue-Wed-Thu Sept 9 -12 6:00–6:50 pm

Rawson Field (lower softball field)

Rawson School Gym (with inclement weather)

Soccer rules are simple and the action is furious and non-stop. Soccer requires no unusual physical attributes such as great size and height. This clinic is designed to introduce children to the game of soccer as well as to refine and reinforce techniques to improve speed, agility and, stamina. Emphasis will be placed on having fun and learning the fundamentals through games and drills.

Activity Code: SOC101.101, \$26R /\$36NR

Instructor: Peter Gustin
