## Community Schools Connect!

The first day of school was bustling with excitement as students stepped into new classrooms, met their teachers, and reconnected with friends.

The Cordova Gardens Community Schools Team hosted a table at the meet and greet for parents (Garden Party) to write a letter for their students on the first day of school. One of our students decided to carry his letter around all day because he said it was “special to him”.

Look out this year for more opportunities for us to all connect!
