Dear Families,

With a tradition of excellence in Catholic education since 1947, we strive to provide your child with opportunities to grow and thrive in a nurturing, faith-based, values-driven community.

As a member of our vibrant school community, your child will come to discover his or her unique gifts and learn to use these gifts for academic and personal success, to help others at school, and to serve those in need in the broader community. I am delighted that you have chosen St. Thomas Aquinas Catholic School for your child's education.

Sincerely,

*Patrick Magee, Ed.D.
President*

Mission Statement

To lead each student in the formation of a strong Catholic faith through the balanced pursuit of knowledge, prayer, responsibility, and service.

Vision Statement

To seek the light and hope of Christ in everything we think, say, and do.

Philosophy

St. Thomas Aquinas Catholic School strives to educate children of parishioners who desire a Catholic education and develop the highest possible level of potential in each child, both as a person and a Christian. The needs of the individual and his or her potential for good will be considered foremost in each decision and policy of the school.

History

St. Thomas Aquinas Catholic School is home to 880+ students and is the largest Catholic PK-8th grade school in the state of Texas. Opening its doors in September 1947, St. Thomas Aquinas Catholic School had humble beginnings serving as an extension to the families of the Sacred Heart Cathedral. Known initially as Sacred Heart School #2, 250 students began their St. Thomas Aquinas experience in four classrooms with the Sisters of Divine Providence as the first teaching order at the school.

With Monsignor John T. Gulczynski thoughtfully serving as the founding pastor, St. Thomas Aquinas Church was erected in 1955, following several years of the community celebrating Mass in the school auditorium. Today, St. Thomas Aquinas Catholic Church serves over 6,000 households.

Parish and school growth, as well as the growth of the East Dallas community, led to the expansion of the school to two campuses. In 2005, a successful capital campaign made it possible to acquire and renovate the First Community Church building and property located on Mockingbird Lane, approximately .5 miles from the church and school. Known as the Lower School, the Monsignor John T. Gulczynski Early Childhood Center serves 335 students in PK4 through 2nd grade.

An additional 2.68 acres of land, adjacent to the main campus, was purchased by the parish in 2011. The acquisition again expanded the footprint of St. Thomas Aquinas Catholic Church and School in our community and serves our students as multi-use outdoor space and athletic fields.

St. Thomas Aquinas Catholic School has been recognized by the U.S. Department of Education as a National Blue Ribbon School of Excellence. A recognition limited to only 50 private schools in the nation each year. In 2013, at the Bishop's request, St. Thomas Aquinas moved to a President/Principal administrative model due to its growth. St. Thomas Aquinas Catholic School is accredited by the Texas Catholic Conference of Bishops Education Department.

Administration

101 Governance

Pastor

The chief administrator of the parish within the Diocese is the Pastor who is canonically responsible for all organizations within his parish. The Pastor is both spiritually and fiscally responsible for the school.

Catholic Schools Office of the Dallas Diocese

The Catholic Schools Office (CSO) of the Dallas Diocese provides spiritual and professional guidance for all Diocesan Catholic schools. The Superintendent of Catholic Schools is appointed by and accountable to the Bishop and represents him in the administration and supervision of Catholic schools in the Diocese.

President

The President is the leader of the school. The President is the Chief Executive Officer and has general charge of controlling the school's operation, budget, and facilities.

Principals

The Principals oversee the day-to-day operation of the school. The Lower School Principal is directly responsible for grades PK-2, and the Upper School Principal is directly responsible for grades 3-8, overseeing curriculum development, faculty and staff, and students. The Principals are assisted by the Assistant Principal of Academic Affairs, the Deans of Students, and school support services for the well-being of each student.

102 Admissions Requirements and Criteria

St. Thomas Aquinas Catholic School is a parish school and welcomes applicants desiring a Catholic education. The administration will make final decisions as to the admission of all new students to the school, as well as the placement of all new and returning students in grades PK-8. Students must be 4 years old by September 1 of the year they are applying to enter PK and 5 years old by September 1 to enter kindergarten. The Principal and admissions committee reserve the right to conduct preadmission screenings and evaluations to determine the ability of St. Thomas Aquinas Catholic School to meet a student's individual needs. Applications must include:

- birth certificate
- baptismal certificate (if Catholic)
- most recent report card/transcripts if currently in school
- any standardized test results
- any diagnostic testing completed
- current immunizations* record signed by a medical physician
- confidential evaluation from the student's current teacher(s) and principal
- non-refundable \$125 application fee per child (a non-refundable \$475 late application fee will be assessed after the application deadline)

*St. Thomas Aquinas Catholic School does not accommodate provisional enrollment; applicants not in compliance with immunization requirements will not be accepted. Students must remain current with immunizations at all times while enrolled at St. Thomas Aquinas Catholic School. If for any reason the student is not current with immunizations and requests to be in compliance are not carried out, the student will be removed from school.

Admission Criteria

An offer of admission is based upon:

- Preadmission screening
- Academic readiness
- Previous academic performance
- Conduct and behavior

- Submission of all required documents
- Space limitations
- Parental cooperation

Prioritization of Applications

In cases where enrollment is limited, applications are prioritized. A prioritized application does not guarantee acceptance. The following criteria will determine admission for applicants once all academic and behavioral standards are met:

1. Contributing parishioners* with children currently enrolled at St. Thomas Aquinas Catholic School
2. Contributing parishioners* with new students applying to St. Thomas Aquinas Catholic School
3. Non-contributing parishioners with children currently enrolled at St. Thomas Aquinas Catholic School
4. Non-contributing parishioners with new students applying to St. Thomas Aquinas Catholic School
5. Non-parishioners with children currently enrolled at St. Thomas Aquinas Catholic School
6. Non-parishioners with new students applying to St. Thomas Aquinas Catholic School

Please note: Siblings of currently enrolled students are not guaranteed enrollment.

*To be considered an Active Participating Parishioner in our church and therefore qualify for the tuition rate corresponding to that status, the following criteria must be met:

1. At least one parent must be Catholic, registered with St. Thomas Aquinas Parish, and fully participating in the Sunday liturgy and sacramental life of our parish for a minimum of one year.
2. Children attending St. Thomas Aquinas School must be receiving or preparing to receive all sacraments, appropriate for their age, up to the point of entry into the school.
3. An active, participating parish family in good standing is one who is actively involved in parish life as manifested by traceable stewardship of time, talent, and treasure. Families must have an established contribution record at St. Thomas Aquinas Catholic Church for one calendar year prior to application and must have given the minimum \$900 to the church offertory to qualify for the active parishioner tuition rate. If transferring from another Catholic parish, families must provide documentation for/or proof of giving to their previous church.

Families of current students re-enrolling for the next school year must reach a minimum threshold of \$1,400 in 2023 by giving to the following funds:

St. Thomas Aquinas Parish Offertory* – **minimum of \$900.00**

Monsignor John T. Gulczynski Endowment Fund – **minimum of \$300.00**

Annual GAP Drive – **minimum of \$200.00**

Contributions to the Parish Offertory must be made on a consistent basis through Faith Direct - at least monthly. Families who miss one or more months of contributions are expected to meet the minimum threshold by December 31st.

103 Enrollment

Each parochial elementary school and diocesan governed school shall establish a basic tuition rate per student which realistically reflects the actual cost of instruction and the economic characteristics of the school community and in accordance with the guidelines listed below.

Each parochial elementary school and diocesan governed school and private school shall use the

standard diocesan enrollment agreement. Schools may also prepare a school-specific addendum to the enrollment agreement provided that it does not conflict with or vary the terms of the diocesan enrollment agreement found below. Each student's enrollment agreement must be signed by the student's parents or other adult(s) with the legal right to enroll the student in school.

Parents must agree to the Diocesan enrollment policy as follows:

I/We am/are the natural parent(s) or managing conservator(s) of the Student listed below and have the legal authority to enroll Student in the School. Having considered all the facts,

I/we believe that enrolling Student in the School for the coming school year is in Student's best interest. I/we understand that School is a RomanCatholic School and that Student's education and the expectations for Student's behavior and the conduct of Student's family in relation to the School community will be consistent with and governed by Christian morals, values, and principles.

I/we have been provided with and have read, understood, and had the opportunity to ask any questions regarding School's student/family handbook. I/we understand that the handbook is incorporated into this agreement and forms a part of this legally-binding contract. As a result, I/we understand that Student's continued enrollment at School during the coming school year is contingent upon compliance with the policies set out in the handbook by Student and by Student's family in their dealings with the School community. I/we understand and agree that failure to comply with the expectations for conduct set out in the handbook may result in discipline, up to and including separation of Student from the School at School's sole discretion and without any right to appeal.

I/we understand that I am/we are responsible for providing School with a current and complete copy of any court order affecting Student's enrollment in School or the right of a parent or conservator of Student to make educational decisions for Student, communicate with School, or access Student's educational records. I/we understand that it is not School's responsibility to mediate or resolve disputes regarding custody of Student and related matters, and that involving School in custody and similar disputes requires School to expend unbudgeted time and other resources. I/we have read and agree to the provisions of the School handbook regarding School's right to recover attorneys' fees incurred as a result of Student or family misconduct and custody and related legal matters.

I/we have informed School of all relevant information regarding any special educational or medical needs of Student and agree to advise School if Student's educational or medical needs change during the school year. I/we agree that School may contact any person who signs this agreement or whose name is provided to School as an emergency contact regarding any emergency involving Student and may disclose to those individuals information regarding Student's education, behavior, and/or medical conditions as needed.

I/we have been provided with and understand all necessary information regarding tuition, fees, and costs associated with Student's enrollment at School for the coming school year and am/are satisfied that I/we will be able to pay all such tuition, fees, and costs subject to any applicable financial aid awarded. I/we understand that School's budget for the school year anticipates full payment of all amounts due on behalf of all enrolled students. Accordingly, I/we understand that failure to pay all tuition, fees, and costs in full and on time may, in School's sole discretion, result in Student's separation from School without any refund of amounts already paid.

104 Re-enrollment

Re-enrollment of existing students at all grade levels begins in January. A non-refundable registration fee is required at that time. Re-enrollment at St. Thomas Aquinas Catholic School is not automatically extended to every student.

105 Financial Requirements

St. Thomas Aquinas Catholic School expects all families who have a child or children enrolled in the school to pay tuition and fees promptly when due. Failure to pay tuition and fees when due impairs the ability of the school to provide quality education for all students. The tuition rate set at the time of registration continues throughout the school year and does not change if a non-Catholic becomes a Catholic during the year, or if a non-parishioner becomes a parishioner during the year. Tuition status is determined by the Pastor.

Registration and Other Fees

Registration and all other required fees must be paid in order for a student to begin the school year and be enrolled in a class.

Annual or Monthly Tuition Payments

Families may elect to pay tuition for a school year in one installment due in June, in two installments due in June and December, or in up to 11 monthly installments commencing in June for the school year beginning in August. Tuition payments will only be accepted through FACTS tuition management and billing services. Enrollment will not be official with St. Thomas Aquinas Catholic School until an active FACTS agreement has been created. Enrollment for students whose tuition is delinquent in May of the current school year may be cancelled for the next school year at the discretion of the school. In no event will a student be permitted to attend class at the beginning of the next school year unless the delinquency from the current school year is cured in full.

Credit card convenience fees or bank charges are charged to the user's account by FACTS. In addition to bank or credit card fees for declined payments, FACTS will also assess a fee. FACTS will re-attempt to draw the payment on the next FACTS billing date.

Incidental Billing

St. Thomas Aquinas Catholic School uses FACTS for incidental billing/fees. These fees include book/technology fees, supply fees, fees for field trips, graduation fees, etc. Each family is required to enroll in the auto pay system through FACTS. The incidental fees are automatically deducted either through a credit card charge or automatic bank draft. Families will receive a reminder of the draft two weeks prior to deduction. Checks for incidental bills will not be accepted by St. Thomas Aquinas Catholic School.

Delinquent Tuition and Fees

If at any time tuition or fees become delinquent, it is the responsibility of the parent/guardian to partner with the school business office and school administration to make financial arrangements. A student's continued enrollment is contingent upon parents' compliance with any financial agreements made. If tuition and fees are split between two responsible parties, both accounts must be current. Both parties will be made aware of any delinquencies.

Emergency Tuition Assistance

We recognize that there may be exceptional cases of a family experiencing temporary financial difficulty due to loss of employment, illness, or other factors beyond the family's control. In such cases, it is the responsibility of the family to contact the business office promptly and work out suitable arrangements or apply for emergency tuition assistance as may be available. Failure to communicate promptly with the business office on this issue may adversely impact the student's continued enrollment.

Eighth Grade Financial Requirements

Per the Diocese of Dallas, in order to fully participate in graduation activities, all debts for 8th grade students must be cleared by the first Monday of May. Note that the 8th grade graduation fee will be assessed after the first semester.

Financial Aid

Financial aid is available on a limited basis. To qualify, a family must be registered, contributing members

of the parish for at least one year. Financial aid forms and further information are available through FACTS. Applications for financial aid must be renewed each school year.

106 Educational Records

Parents and guardians are requested to notify the school through the Registrar's office in writing of any change of address, telephone numbers, e-mail addresses, or emergency contacts at registrar@staschool.org or parents should complete the address change form on the school website at staschool.org/parents. This will guarantee that office records are accurate, complete, and up-to-date.

Parental Access to Student Records

Parents will be allowed to inspect and review their child's education records, at a date and time convenient to the school, unless a court has ordered otherwise. Records will always be reviewed in the presence of school personnel appointed by the chief administrator. The school may provide copies of the records and, if it does so, may charge a fee. The transcript request form is located on the school website at staschool.org/parents and should be filled out by parent.

In the event a court order is in place which limits a parent's access to a student's educational records, or which otherwise limits the contact a parent may have with the school regarding the student, the family must provide a complete, final, signed copy of the order to the school when the student is enrolled. If such a court order is issued after a student has enrolled, the family must provide a complete, final, signed copy of the order to the school as soon as it is signed by the judge.

The school will, when and to the extent reasonably possible, honor restrictions on access to educational records imposed by such an order. However, school personnel are not family lawyers and it is not the school's responsibility to enforce court orders.

Schools will generally not release a student's records to third parties without the written consent of a student's parent or legally responsible adult. As an exception to this rule, a school may disclose student records to or for:

- a) School officials with legitimate educational interest;
- b) Other schools to which a student is transferring;
- c) Specified officials for audit or evaluation purposes;
- d) Appropriate parties in connection with financial aid to a student;
- e) Organizations conducting certain studies for or on behalf of the school;
- f) Accrediting organizations;
- g) To comply with a judicial order or lawfully issued subpoena;
- h) Appropriate officials in cases of health and safety emergencies; and
- i) State and local authorities, within a juvenile justice system, pursuant to specific state law.

If a specific reason exists to further limit access to a student's educational records, the student's parent or legally responsible adult must provide a specific, written request that explains the basis for the additional restriction to the school's chief administrator. The chief administrator, in his or her sole discretion, will determine whether implementing special procedures for a student's records is appropriate and reasonably feasible on a case-by-case basis.

107 Withdrawal Procedures

Parent and guardians must notify the Registrar's office and the Principal in writing to withdraw a student.

108 Accreditation

St. Thomas Aquinas Catholic School is accredited by the Texas Catholic Conference of Bishops Education Department.

109 Asbestos Certification

In 1986, Congress passed the Asbestos Hazard Emergency Response Act (AHERA). This law requires all schools, kindergarten through twelfth grade, to be inspected to identify any asbestos-containing building materials. The law further requires the development of a management plan, based upon the findings of the inspection, which outlines our intent in controlling the potential for exposure to asbestos fibers, if they exist in our school. Any building built before the late 1970's contains at least some asbestos in pipe insulation and structural fireproofing.

St. Thomas Aquinas Catholic School was re-inspected in January 2021. Some asbestos-containing materials remain in locations including floor tiles and pipe insulation but are not readily accessible to building occupants or students and are in good condition. The primary concern arises when the materials become friable, begin to deteriorate, or become damaged. The asbestos found in St. Thomas Aquinas Catholic School is monitored on a regular basis to ensure its containment as required by law. A copy of our management plan and re-inspection report is on file in the school's administrative office. These reports are available for review during business hours on school days.

110 School Calendar

The official school calendar approved by the Diocese of Dallas is provided to all families and is located on the school website.

Not Making Adequate Progress Toward Grade-Level	1

Progress Reports

Lower School students in grades 1 and 2 receive a progress report at the midway point of each quarter. This report allows students and parents/guardians to be aware of student strengths and weaknesses.

Upper School parents are responsible for checking their child's progress by reviewing grades posted at the midway check point. Academic grades on this day will be live on FACTS Family Portal at 4 PM.

205 Promotion and Retention

A student is advanced to the next higher grade or course if all State of Texas and Texas Catholic Conference of Bishops Education Department (TCCB ED) requirements have been met. The final decision for retention rests with the administration.

Upper School

A student in grades 3-8 who fails a core subject for the year (math, science, social studies, religion, English, or literature) will be required to successfully complete a summer school program before being promoted to the next grade. Parents of students failing two or more core subjects will be required to meet with administration to determine if it is in the best interest of the student to remain at the school.

Lower School

Students in grades K-2 must be able to demonstrate mastery of current grade-level subject matter in reading, language arts, and mathematics, and have reached a developmental stage of maturity for learning. Summer school, tutoring, retention, or referral to another school may be required. The final decision for retention and placement is the responsibility of the administration based upon developmental maturity, report card grades, and conferences with teachers and parents/guardians.

206 Graduation

Students must complete Texas Catholic Conference of Bishops Education Department requirements for 8th grade to receive a St. Thomas Aquinas Catholic School diploma.

207 Attendance

The Texas Compulsory Attendance Law requires that each school offer 180 days of instruction. A student may not be given credit for a class or the school year if he or she has been absent more than 10% (18 days) of the year, which is 19 or more absences of the required 180 days. Parents will be contacted by administration when excessive absences or tardies occur.

208 Absences

Repeated absences may be grounds for suspension, retention, or dismissal. Students are expected to be present and on time every school day. Parents must notify the school of any absence by 8:00 AM.

Parents are asked to schedule vacations during regular school breaks (see official school calendar). Teachers will not give assignments in anticipation of a vacation.

Students who are absent may not participate in athletic or other extra-curricular activities until they have returned to school. Students must follow the school illness return policy. (See health services section of handbook.)

Per Diocesan policy, verification of all medical appointments is required. Submit this written verification (doctor's note) to the front desk upon the student's return to school.

Release of Students During School Hours

Students are to remain in class until they are called to the office for release. Students will be released to their parent/legal guardian through the school office. Students will not be released to persons other than a custodial parent/guardian unless notification is received in writing from the parent/guardian prior to dismissal. A log is kept, which includes the name of child, time of release/time of return, and the name of the person picking up. Children will not be released after 2:30 PM to avoid interruptions of the dismissal process unless it is absolutely unavoidable. Lunch and recess are considered an integral part of the day, students are not released during this time to leave for lunch.

209 Assignments for Absentees

Students are required to make up all work missed due to absence. Students have one school day to make up work for each day they are absent. Teachers will determine how and when the student will make up missed schoolwork. It is the student's responsibility to obtain and complete make-up work.

Upper School students should check FACTS Family Portal, OneNote, and/or Moodle for assignments. Any parent who wants to pick up books and assignments must contact the teacher before 11:00 AM via email. Lower School parents may request makeup classwork and homework by emailing the teacher by 8:30 AM.

210 Tardiness

Prompt arrival at school is expected of all students. Late arrivals disrupt class and cause loss of valuable learning time. If your child is tardy you must drop them off at the front entrance. Do not leave a child unattended on campus.

Lower School students are considered tardy if not in their homerooms by 7:55 AM. Tardy students must sign in at the front desk with a parent/guardian.

Upper School students are considered tardy at 7:50 AM, Tardy students must check in at the front desk. Parents will be notified when tardiness becomes excessive.

211 Student Recognition

Lower School Angels in Action

Angels in Action Awards will be presented at least monthly in the classroom by the teacher and are tied to life skills and virtues. In the presentation of awards, specific behaviors will be cited; whenever possible, they will be tied to what we are teaching the students about Jesus. Awards may be given for students who have made significant improvements in demonstrating a life skill or virtue. While parents will not be present in the classroom when certificates are presented, teachers will make parents aware when a child receives an award.

Upper School Christian Witness Award

These awards are given to Upper School students who are Christ-like in word, action, and attitude. Recipients are selected by the homeroom teacher and awards are presented quarterly at Mass.

212 Honor Roll (Grades 5-8)

Academic High Honors will be awarded to those students who receive all A's in the core curriculum areas: religion, English, literature, mathematics, science, and social studies.

214 Academic Dishonesty

Students are solely responsible for the work they complete. Academic dishonesty is not tolerated and consists of, but is not limited to, collusion, copying or sharing answers, receiving and/or supplying answers, plagiarism, cheating, fabrication or falsification, multiple submissions, not citing sources, changing answers during self-grading, misuse of academic materials, technology, and AI.

215 Homework

Homework is an integral part of the total instructional program at St. Thomas Aquinas Catholic School in grades K-8. It is meant to support the learning experiences that occur daily in the classroom. Homework should promote and develop the following: independent study, independent research, and independent skills practice.

Student Responsibility

It is the responsibility of the student to turn assignments in on time. Homework is considered late if a student does not have the work when they arrive at school. Students are responsible for homework when absent. Students must communicate to their teacher any mitigating circumstances (excluding extra curricular activities) that prevent completion of homework.

Parent Responsibility

Parents should provide a specific time and place for homework. Parents should help supervise but not complete the child's homework.

Teacher Responsibility

Teachers will plan homework designed to enrich and reinforce work introduced during class time.

Assignments may include the following:

- Practice to help students master objectives
- Study to prepare students for assessments
- Extension to expand understanding of new skills or concepts
- Projects to reinforce interdisciplinary skills

Time Allotment for Homework

The time it takes individual students to do homework will vary. Generally, homework should not exceed the following:

Grade K	10 minutes
Grades 1-2	20-30 minutes
Grades 3-4	30-45 minutes
Grades 5-6	45-60 minutes
Grades 7-8	60-90 minutes

Parents with homework time allotment concerns should contact the teacher directly. Assigned work brought to the Upper School by parents or guardians during the day will be placed in the designated teacher's box and will be considered late.

216 Standardized Tests

In compliance with Diocesan policies and procedures, St. Thomas Aquinas Catholic School administers the Iowa Assessments and the Cognitive Abilities Test (CogAT) in the fall of each year to students in grades 1-8. The results of these tests are used by teachers for assessment purposes and to direct instruction. Additional testing may also be administered at the school's discretion.

217 Textbooks and Computers

Textbooks, laptops (6th-8th grade), and consumable workbooks are issued to students at the beginning of the school year. Textbooks and laptops should be protected at all times. Damaged or lost textbooks and laptops are the student's responsibility. Fees will be assessed by school administration.

218 Educational Evaluations

Students may be required to undergo educational and/or psychological/behavioral evaluations at the expense of the parents to provide more complete information and to maintain enrollment. For more information on evaluations see section 238.

219 Guidance

Social and emotional learning is a critical component of the educational experience at St. Thomas Aquinas Catholic School. At the Lower School, teachers lead students through the Promoting Alternative THinking Strategies (PATHS)® Program using weekly lessons. PATHS® addresses the five distinctive components of social emotional learning: self-awareness, self-management, social awareness, relationship management, and responsible decision making. At the Upper School, teachers use Second Step®, a social emotional learning program that builds a culture of connectedness and empowers students with the skills and concepts to succeed socially, in academics, and in life.

220 Field Trips

A field trip is recognized as a valuable extension of the classroom experience and serves an educational purpose. Students may be denied participation if they fail to meet academic requirements and behavioral expectations or if the proper signed permission form is not returned.

Field trip participation is considered a privilege. Participation is subject to the discretion of St. Thomas Aquinas Catholic School. Students' conduct will be monitored by St. Thomas Aquinas Catholic School staff, and a student may be removed from participation at the sole discretion of the administration/faculty/staff. All students must return to school for dismissal. All field trip fees will be billed through FACTS incidental billing.

Chaperones for field trips must have a current Safe Environment ID badge and understand that they must supervise students at all times. For liability purposes, siblings are not allowed to accompany chaperones. Parent chaperones will not be required for 6th-8th grade field trips as middle school field trips are chaperoned by administration/faculty/staff.

221 Extracurricular Activities

St. Thomas Aquinas Catholic School offers a wide range of extracurricular activities. Students represent St. Thomas Aquinas Catholic School whether these activities occur on or off campus. Participation in any extracurricular activity, including athletics, is a privilege, not a right and should not interfere with academic responsibilities. Students must follow the same behavioral expectations and guidelines that are in place during the school day. Students' academics and conduct will be monitored by the school, and a student may be removed from participation in such activities at the sole discretion of administration. If there is a fee associated with an particular extracurricular activity it will be billed through FACTS incidental billing.

Parents agree to the following Diocesan policy on extracurricular activities:

Subject to the Release and Indemnification terms (see section 416)

I/we consent to Student's participation in school-sponsored extracurricular activities, including on-campus and off-campus extracurricular activities.

I/we have read and discussed with Student the conduct expectations set forth in the Handbook and understand that Student's continued participation in extracurricular activities is conditioned upon his/her compliance with all applicable policies and rules of conduct when engaged in any School-sponsored activity, whether academic, extracurricular, or otherwise.

Transportation to/from Extracurricular Activities: Subject to the Release and Indemnification terms (see section 416)

I/we consent to Student's use of School-sponsored transportation to and from any and all School-sponsored extracurricular activities described above. I/we have read and discussed with Student the conduct expectations set forth in the Handbook and understand that Student's continued use of School transportation is conditioned upon his/her compliance with all applicable policies and rules of conduct.

222 Athletics

St. Thomas Aquinas Catholic School students in grades 5-8 may participate in a variety of sports within the Dallas Parochial League (DPL) athletic program. The governing organization for St. Thomas Aquinas Catholic School athletics is the Dallas Parochial League. Information regarding the DPL can be found on the DPL website www.dallasparochialleague.com. The St. Thomas Aquinas Catholic School Athletic Director (AD) oversees our students and coaches. Visit the DPL website for more information about individual sports.

Youth Sports Participation

STA does not coordinate teams for students in PK-4th grade. Any and all teams formed outside of DPL/STA must be in compliance with the rules and regulations of the association/league in which the team plays. Individuals should contact various organizations for registration deadlines and other pertinent information.

Particularly in grades PK-4, but also applying to any teams formed outside DPL, teams may not register under the “St. Thomas Aquinas” name. Team uniforms may not bear the name St. Thomas Aquinas, STA, any school logo, or STA Athletic insignia.

Team practices are coordinated by each association/league and may not be held at an STA athletic facility.

Athletic Facilities Use Policy

All STA facilities are for the sole use of STA School, Dallas Parochial League (DPL) teams, and approved parish organizations only. Any use of the athletic facilities is at all times subject to compliance with the Diocesan safe environment policy. All facilities are subject to close at the discretion of STA School and Church.

Division/Formation of Teams

In grades 5-6, teams will be formed in accordance with DPL rules. Student athletes may be grouped by position and assigned to a team, or by other similar selection processes defined by the AD. This process will be supervised by the AD with the assistance of the sport coordinator.

In grades 7-8, teams will be formed in accordance with DPL rules. Tryouts for teams will be conducted under the supervision of the AD with the assistance of the sport coordinator. Outside judges may be utilized when needed.

Regarding athletic evaluations (volleyball, basketball, and baseball) for the purposes of team placement, all decisions are final.

Practices

For the purpose of this policy, *athletic event* is defined as a contest, practice, or other scheduled meeting of team members.

In grades 5-6, no more than two (2) athletic events per sport are allowed during the school week (Monday through Thursday). Exceptions to these guidelines may be granted by the AD with the approval of administration.

In grades 7-8, no more than three (3) athletic events per sport are allowed during the school week (Monday through Thursday). Exceptions to these guidelines may be granted by the AD with the approval of the principal.

As long as a student remains in good academic standing, the number of how many extracurricular activities in which the student participates and the time commitment required for these activities, rests with the student-athlete's parents.

Contests

St. Thomas Aquinas strives for each student-athlete to have a minimum playing time of 25% per contest.

Exceptions to this rule are as follows:

1. Enlarged roster sizes may affect the minimum playing time policy. Efforts to limit squad sizes will be addressed by the formation of additional teams (if facilities, coaches, etc. are available).
2. A coach may recommend that a student-athlete be held out of a contest/practice for disciplinary reasons associated with misconduct (disrespect, insubordination, etc.). The coach must inform the student-athlete, parents, coordinator, and AD in writing and/or verbally regarding his/her recommendation. The AD and coordinator will have the final decision.
3. Student-athletes may also be withheld from contests/practices due to habitual tardiness, failure to attend practices/games provided such situations are not the result of illness or other reason

beyond the student-athlete's control, and academic eligibility. Presence at school is required to participate in an athletic event that day.

4. A student-athlete may be held out of a contest at the discretion of school administration, the coach, the coordinator, and/or AD when safety of the student-athletes is of concern.
5. On the varsity level only, if a regular season game is crucial to a playoff position or potential championship, the coach may ask the AD to modify this requirement.
6. Post-season contests are exempt from the minimum playing time requirement.
7. Student-athletes may be dismissed from a team with the approval of school administration and the AD. No registration fees will be refunded.

St. Thomas Aquinas Athletic Covenant

To ensure the athletic experience at St. Thomas Aquinas Catholic School is a positive experience for our student-athletes as well as parent and volunteer coaches, and to ensure a Christ-like environment, we ask parents to commit to the following:

1. Encourage athletes on all teams.
2. Keep all comments positive whether on the field or in the stands.
3. Only players and coaches are permitted on field/court, unless prior approval by the athletic director.
4. To ensure consistency and strategy of the game as well as specific rules, please respect the coach's ability to direct the Student Athlete during games and practices.
5. Criticizing or using abusive language toward officials, coaches, and opponents will not be tolerated.
6. Parents of student-athletes are responsible for all family members and friends attending the games. Please do not leave children unattended.
7. Parents and students may not challenge final team placement in any sports needing student-athlete evaluations.
8. Student-athlete should first speak to their coach with any team/playing concerns. After doing this, if more discussion is needed, the parents and the student athlete can meet with the coach together. Please remember it is best to observe the 24 hour cool off period.

Student Athletes

All STA student-athletes in grades 5-8 who are in good conduct and academic standing may participate in STA sports. Students are ineligible to participate in STA athletics and/or extracurricular events when their grade in any class is below a 70 and/or their conduct reflects a "U" (Unsatisfactory).

Non-STA student-athletes may participate on STA teams under the following conditions when it does not interfere with the opportunities for STA student-athletes to participate. Non-STA student-athletes must be students of other Catholic schools within the Dallas Diocese who would not otherwise have the opportunity to participate in the sport.

Following are expectations for STA student-athletes:

- Know and demonstrate the fundamentals of good sportsmanship at all times.
- Do not applaud errors by opponents or penalties assessed against them.
- Do not heckle, jeer, or distract the opposing team or its coaches.
- Do not criticize any student-athletes on any team.
- Avoid profane language and obnoxious behavior that is contrary to good Christian values and sportsmanship.
- Censure fellow teammates whose behavior is inconsistent with the mission and philosophy described in this handbook.

- Respect the judgment and strategy of the coaches.
- Refrain from protesting calls of game officials to the point where the team or the school is shown in a poor light.
- Be responsible for cleaning the sporting areas prior to leaving the area.

Coaches

The sport coordinators, in conjunction with the athletic director, select coaches for their respective sport. The final decision for placement and selection of all coaches will be approved by the St. Thomas Aquinas Catholic School administration. Coaches have discretion to appoint an assistant(s) with the approval of the AD. Coaches and assistant coaches of the team may be suspended, removed or not allowed to coach for failure to comply with Dallas Parochial League, school, and church policies. Such actions will be the decision of the Principal, based on recommendations and input from the AD and the Athletic Committee.

Upon assignment, each coach is charged with his/her responsibilities as described:

- Coaches are required to set a good Christian example at all times. The coach will lead student-athletes in prayer at games and practices.
- Coaches are to encourage sportsmanship by student-athletes and to create an environment in which students-athletes can learn meaningful life values.
- Coaches are to demonstrate good sportsmanship at all times and will refrain from protesting calls by game officials to the point where the team or the school are shown in a poor light.
- Coaches are never to lead a practice or game if he/she has been drinking alcoholic beverages. Profanity and abusive language by coaches will not be tolerated. DPL rules prohibit "...the use of tobacco in any athletic forum."

DPL reserves the right to fine schools for violations of its rules. Coaches must be aware that such fines levied against the school will be passed on to the person(s) whose behavior or actions resulted in the fine.

At no time will disciplinary action take the form of excessive physical punishment or harassment. Coaches should seek alternative methods of discipline. Disciplinary measures, when necessary, should be fair, equitable, and used in moderation.

In addition to the education and training of student-athletes, coaches are responsible for the safety and security of both student-athletes and school property entrusted to them.

All coaches, assistant coaches, team managers, and other representatives are required to have completed a background check as part of the Safe Environment Program prior to coaching.

All coaches, assistant coaches, team managers and other representatives are required to attend the DPL's mandatory workshop "Play like a Champion" prior to coaching in the league. Workshop schedules are available on the DPL Website. Volunteers must be in attendance for the entire workshop to be able to coach in the league.

Coaches are to remain on the premises at practices and games until all student-athletes have been picked up by a parent or other designated individual. If the coach is unable to fulfill this responsibility, he/she is required to arrange for another cleared adult to stay with the student-athlete. Coaches should keep to scheduled practice times, and report in writing all habitual tardiness in picking up student-athletes with the offending parent, sport coordinator, and AD.

Coaches should have a first aid kit available at all practices and games. In the event an accident does occur, the coach is to contact the athletic director immediately by email.

All coaches, assistant coaches, team managers, and other representatives must annually attend the "Blood Borne Pathogens" and first aid training session provided each year by the school as required by the Dallas Diocese. In the case of a sprain or bruise, apply ice as soon as possible and elevate the injured area. In the event of a serious injury including, but not limited to, severe bleeding, broken bone, possible concussion or unconsciousness, have a coach, team manager, other team representative, parent, or student-athlete call 911 immediately.

Proper procedure should be adhered to as follows:

1. Have an adult supervise the injured student-athlete at all times.
 2. Do not move the injured student-athlete until professional help arrives.
 3. In the case of severe bleeding, make sure protective gloves are worn and apply pressure to the injured area.
 4. All waste must be disposed of properly.
 5. Notify the AD as soon as possible.
- Coaches are also responsible for the safe and secure use of school property. Use of school property (equipment and facilities) is arranged through the appropriate sport coordinator and AD. The use of school facilities including but not limited to the field, gymnasiums, and meeting rooms is a privilege that may be revoked for failure to take care of the facilities. It is the coach's responsibility to ensure that playing surfaces and other conditions provide a safe environment for the student-athletes. This includes being aware of the presence of unauthorized individuals and other risks to the student-athletes. Unsafe conditions with respect to that school's facilities should be reported promptly to the sport coordinator and AD. Coaches are responsible for ensuring that the school's facilities are properly cared for while under their control.
 - The field may be closed occasionally due to maintenance, inclement weather, etc. Coaches should call the AD to determine the status of the field during inclement weather. The field will be immediately closed without further notice if lightning and/or thunder are evident.

Parents and Spectators

Just as the school has certain expectations for student-athletes and coaches, expectations also exist with respect to parents and other spectators. These include the following guidelines:

- Know and demonstrate the fundamentals of good sportsmanship at all times.
- Do not applaud errors by opponents or penalties assessed against them.
- Do not heckle, jeer, or distract the opposing team or their coaches.
- Do not criticize student-athletes on any team.
- Avoid profane language and obnoxious behavior that is contrary to good Christian values and sportsmanship.
- Censure fellow spectators whose behavior is inconsistent with the mission and philosophy described in this handbook.
- Respect the judgment and strategy of the coaches.
- The student-athlete should first speak to their coach with any team/playing concerns. After doing this, if more discussion is needed, the parents and the student athlete can meet with the coach together. Please remember it is best to observe the 24 hour cool off period.
- Parents and spectators should not challenge coaches during games or practices. If you have a grievance it should be addressed outside the game/practice environment. Unresolved issues should be reported to the sport coordinator and the AD.
- Parents and spectators may not protest calls of game officials and score keepers. Direct dialogue with a referee during a game in progress can result in expulsion or suspension from future games.

- The DPL reserves the right to levy fines against schools whose parents/spectators fail to comply with DPL rules. Any such fines levied against STA will be passed on to the offending spectator or appropriate parent. Other sanctions may be imposed by the school, with or without DPL action, against parents/spectators who fail to comply with these rules.
- Parents are responsible for picking up trash and disposing of it in area receptacles. Parents should clean up school facilities and areas used by teams after each event. In addition to complying with the rules above, parents are required to support the athletic program in various ways.
- Parents should ensure their student-athlete arrives at the appointed time for practices/games ready to participate. Parents should promptly pick up their child at the end of practices/games. Parents should notify coaches as early as possible if their child will miss a practice/game.
- Parents of student athletes are required to work a shift(s) in the concession stand as well as serve as a gym monitor. Shifts will be assigned to parents at the beginning of the season. You may trade shifts with another parent, but you will be responsible for ensuring that your assigned shift is worked. Parents who coach their child in the specified sport are exempt from this requirement.

Governance

The Athletic Director, appointed by the President and Principal, supervises and directs the extracurricular athletic program in a manner consistent with the policies of the school and the DPL. The AD also oversees the scheduling and maintenance of the field and gymnasiums. The Athletic Committee, chaired by the AD, assists in the coordination of the athletic program and serves in an advisory capacity. Committee members include coordinators for each sport, the Booster Club president, and a recording secretary. The coordinators and recording secretary are appointed by the AD with approval of the Principal. The AD may appoint additional members as appropriate. Coordinators' responsibilities may include registration, tryouts, practice schedules, assigning coaches, and uniform/equipment distribution and return.

Parents agree to the following Diocesan policies on athletics:

Subject to the Release and Indemnification terms (see section 416)

I/we consent to Student's participation in School-sponsored athletic activities, including without limitation athletics-related training and exercise programs, practices, School-sponsored pre- and post-game activities, games, competitions, and tournaments. I/we have read, discussed with Student, and understand the Student conduct expectations set forth in the Handbook and understand that Student's continued participation in athletics is conditioned upon his/her compliance with all applicable policies and rules of conduct when engaged in any School-related activity, whether academic, athletic, or otherwise.

Consent and Medical Authorization

I hereby consent and authorize my child (children) to participate in the St. Thomas Aquinas (STA) Athletic Program. I certify that said student-athlete is insured, that a physician has examined said student-athlete for this school year and that the physician has stated that the student-athlete is physically able to participate in supervised athletic activities.

In the case of a medical emergency, I authorize the coach and/or other STA team representatives to seek medical attention for the student-athlete for injuries that may occur as a result of the student-athlete's participation in athletic activities.

It is understood, and I hereby waive and release St. Thomas Aquinas Catholic School, STA administrators, sport coordinators, coaches, other STA team representatives and St. Thomas Aquinas Parish of and from any liability in the event of an accident or injury that may occur as a result of the student-athlete's participation in athletic activities.

223 Conduct

The highest standards of conduct and respect are expected of students and parents at all times. Any student who does not abide by the school behavioral expectations, or whose conduct is such that the learning process or welfare of other students is adversely affected, will be subject to disciplinary action. Corporal punishment is not permitted in the Catholic schools of the Diocese of Dallas.

Parents are expected to partner with the school regarding student discipline. Appropriate communication between parents and the school is expected at all times. Non-partnership is grounds for school-initiated withdrawal.

Most discipline will be handled by the classroom or special area teacher, however any serious or persistent problems will be referred to an administrator. Both teachers and administrators may interview any student regarding discipline problems without prior notice to the parent(s).

St. Thomas Aquinas Catholic School students are expected to:

- witness Christ to others
- be respectful of persons in authority and the rights of others
- always behave courteously in manner and speech
- follow the school behavioral expectations
- follow the school's attendance policy
- follow the dress code
- respect school property and personal property of others
- exercise proper care in the use of materials and equipment
- be reverent in church
- follow the Honor Code

224 Discipline

The teachers at St. Thomas Aquinas Catholic School have established a set of core beliefs about working with children which govern our interactions with them.

Core Beliefs on Discipline

Our Promise to Parents and Students

1. We believe that every attempt should be made to maintain the dignity of both the student and adult.
2. We believe that students should be guided and expected to solve the problems they create without making problems for anyone else.
3. We believe that misbehavior should be handled with natural consequences whenever possible.
4. We believe that students should have the opportunity to tell their side of the story.
5. We believe that misbehavior should be viewed as an opportunity for individual problem solving and preparation for the real world and viewed objectively by staff as opposed to a personal attack on the school or staff.

K-2 Discipline

All children are different; effective discipline happens when situations are dealt with as they arise with the focus on enabling the child to grow and learn from his or her actions. Teachers will guide students toward personal responsibility and the decision-making skills they will need to function in the real world. Teachers will attempt to arrange consequences for problem situations in such a way that the child will not be humiliated or demeaned. In cases of serious or repeated misconduct, parents will be contacted. Consequences for serious or repeated misconduct can include but are not limited to: loss of privileges, suspension from school, or school-initiated withdrawal.

Upper School Consequences for Disciplinary Infractions

For students who do not adhere to St. Thomas Aquinas Catholic School guidelines, whether on or off campus, teachers and administration may apply any of, or combination of, the following consequences (listed in no particular order):

- Verbal reminder
- Intervention
- Silent lunch/recess time
- In-school work
- Out-of-school work
- Detention
- Immediate removal from class
- Student/parent conference with administration/teacher
- Grade of zero for academic violation
- Disciplinary probation (the loss of extracurricular activities and technology privileges including any and all school functions, clubs, athletics, and organizations)
- In-school suspension
- Repose period (In accordance with Diocesan policy, St. Thomas Aquinas Catholic School may remove a student from school until a disciplinary action is decided upon that is in the best interest of the school, the student, and the family.)
- Suspension
- Probation
- Expulsion (The procedure for expulsion will follow Diocesan guidelines.)

225 Severe Infractions

Severe Infractions listed below may result in the immediate suspension and/or automatic termination of enrollment:

- Sale of a controlled substance on campus
- Possession or use of weapons of any kind on campus regardless of intent
- Vandalism
- Consuming, having possession of, or being under the influence of any controlled substance on campus or at any school-sponsored activity. Controlled substances include but are not limited to alcohol, tobacco, vape, marijuana, narcotics, hypnotics, sedatives, or any chemical depressant or stimulant as defined under the Penal Code of the State of Texas not prescribed by a physician.

226 Behavior Outside of School

Students who demonstrate inappropriate behavior during school-sponsored events and non-school activities outside of the school day that reflect negatively upon the school may receive disciplinary action at the discretion of the administration.

227 Suspension/Probation/Expulsion

Suspension

Suspension is determined by the administration and may occur in and out of school. Efforts will be made to notify a parent before a student is suspended. However, parents may not be notified of the decision to

remove a student from class before removal occurs if the administration deems the action to be immediately necessary. Students are responsible for all work during suspension period. The student is ineligible to participate in any school activity during a suspension period, unless authorized by the school administration. A student may be suspended without any prior behavioral issues or consequences.

Probation

Students not meeting academic and or conduct requirements may be placed on either academic or conduct probation at the discretion of the administration. Probation status and eligibility will be monitored by the administration, the Athletic Director, and any sponsor of extracurricular activities.

Expulsion

Diocesan Policy

Orderly school administration is essential to fulfilling the core mission of Catholic schools. Even a single failure by a member of the school community to uphold the standards of behavior to which all community members agree when a student is enrolled can cause irreparable harm. Thus, while in many cases expulsion is reserved for very serious or persistent misconduct, a school may properly determine that a single instance of on- or off-campus misconduct requires separation of a student from the school community. Misconduct committed by a member of the school community other than a student (including parents or other family members) can also significantly hinder a school's ability to perform its essential task of educating students. As a result, misconduct committed by a person connected to the school through a student (including parents or other family members) may result in the expulsion of the student from the school when, in his or her sole discretion, the chief administrator determines that such action is appropriate. Provided that any applicable school and diocesan policies have been substantially followed, the decision to expel a student rests in the sole discretion of the chief administrator of a school.

.1 Procedure for Expulsion

Circumstances giving rise to expulsion can arise and unfold quickly. The chief administrator's primary duty in such situations is to protect the school community. No student or family has any right to the application of a particular procedure before or in connection with the expulsion of a student. Nevertheless, the following process can serve as a general guideline when, in the chief administrator's discretion, circumstances warrant:

- When practical, the pastor of a parochial elementary school and the chief administrator of a diocesan school should be apprised of the circumstances of a potential expulsion before the decision to expel is implemented;
- When circumstances permit, before the decision to expel is implemented, the student's parents should be advised of the potential for expulsion and a summary of the grounds for expulsion.
- The student and his or her parents should be invited to a conference with the school's chief administrator. In parish schools, the local pastor should be advised of the scheduled conference. In diocesan schools, the chief administrator should be advised of the scheduled conference. At the chief administrator's discretion, this conference may be held before or after the decision to expel is implemented.
- The final decision to expel a student rests with the school's chief administrator and will not be reviewed except to ensure compliance with any applicable pre-expulsion procedures. In parochial elementary schools, the pastor should be consulted. In diocesan schools, the chief administrator should be consulted.

.2 General Grounds for Expulsion

Any instance or course of misconduct may, at the sole discretion of the school's chief administrator, be sufficient grounds for expulsion. In many cases, it is appropriate to attempt to correct the problem behavior through less severe disciplinary measures. In other cases, however, the school's chief administrator may determine that expulsion is the appropriate sanction for misconduct that has not previously resulted in probation, suspension, or other discipline.

Examples of such severe misconduct include but are not limited to:

- a) Actions gravely detrimental to the moral and spiritual welfare of other students;
- b) Incurable or disruptive behavior which impedes the progress of the rest of the class;
- c) Assault, battery, or any threat of force or violence—whether intended in jest or not—directed

toward any school personnel, students, member of the school community, or other person on school property or during school-related activities;

- d) Habitual or persistent violation of school regulations;
- e) Possessing, selling, giving away, using, or being under the influence of alcohol and drugs and/or hazardous substances on campus, at school functions, or at a time and place that directly involves the school or the welfare of members of the school community;
- f) The on-campus use, sale, distribution, or possession of a substance intended or commonly used to mimic a narcotic, controlled substance, or alcoholic beverage;
- g) Use or possession of firearms or other potentially harmful objects or weapons;
- h) Gang-related conduct or activity including but not limited to, symbols, graffiti, apparel, colors, hazing/initiations, and hand signals commonly associated with gangs;
- i) Theft, extortion, arson;
- j) Habitual truancy;
- k) Malicious damage or destruction of real or personal property at school;
- l) Hazing;
- m) Serious bullying and/or harassment;
- n) Conduct which may damage the reputation of the school or parish;
- o) Transmission of nude or otherwise inappropriate images of any student or person who appears to be a minor child; and
- p) Use of social media in such a manner as constitutes bullying or online harassment or which causes another student or member of the school community to fear for the safety of any member of the school community.

Additionally, off-campus misconduct may result in expulsion, especially when it is related in some way to the school community because it is directed towards a member of the school community, directly or indirectly involves multiple members of the school community, or may negatively impact the school's reputation in the community.

.3 Grounds for Expulsion Related to Alcohol and Drug Abuse

The promotion and the safeguarding of student health (physically, mentally, and emotionally) are a concern to our schools. The use, misuse, and/or abuse of alcohol, drugs, and hazardous substances cause grave problems in the areas of student health and student stability. Many incidents of scholastic failure, school dropout, violence, tension, and suicide can be traced to alcohol and drug abuse.

Therefore, the following general school policy is set forth:

- a) Possessing, selling, giving away, using, or being under the influence of alcohol and drugs and/or hazardous substances on campus, at school functions, or at a time and place that directly involves the school or the welfare of members of the school community constitute grounds for expulsion.
- b) When the school's chief administrator, in consultation with appropriate school or other personnel, believes it is appropriate, students who are involved in the use or abuse of alcohol or controlled substances should be provided with information regarding available substance abuse counseling and treatment resources. Additionally, the chief administrator or appropriate school personnel should, when practical, notify a student's parents or other guardian or conservator when use or abuse of alcohol and/or other controlled substances is reasonably suspected. The school should, when possible, refer the student and his/her parents, guardian, or conservator to resources known to the school for medical and/or psychiatric care, mental health and substance abuse counseling, and/or substance abuse recovery programs.

.4 Procedure for Appeal and Review of Expulsion

Parish school expulsions may only be appealed to the Pastor, whose decision on the matter shall be final and unappealable. The Pastor may define the appeals process as he wishes, and he does not have an affirmative responsibility to meet with the family or student in said process. Diocesan school and private school expulsions are governed by the school's respective policies and procedures. In general, the chief administrator's decision shall be final and binding without right of further appeal.

.5 Tuition and Fees

Prepaid tuition and fees are not refunded if a student is expelled. If a student is expelled before tuition or fees would ordinarily come due, the family of an expelled student shall be excused from further payment.

Grievance Policy For Parents

Parent Concerns or Complaints: The Diocese generally supports a collaborative approach to resolving parental concerns or complaints regarding school employees. Accordingly, such concerns or complaints should generally be addressed to the affected employee first to allow an opportunity for open communication and direct problem-solving. If the concern or complaint cannot be resolved directly with the affected employee, it should be presented to the employee's supervisor (or the chief administrator), preferably in writing. If the complaint or concern is escalated to the supervisor or chief administrator, the affected employee will be notified of the concern or complaint and provided an opportunity to provide explanation and additional information. In parochial schools, the decision of the chief administrator as to resolution of the concern or complaint—acting in concert with the pastor when necessary—shall be final. BULLYING CHECKLIST

FOR SCHOOLS

**PLEASE READ
BEFORE USING CHECKLIST**

To determine whether an act is bullying or cyberbullying by law, proceed down the checklist and provide a checkmark for each true statement. If any identified section does not receive at least one checkmark, then the act is not considered bullying by state law.

SB 179, "David's Law" expanded authority to school districts, allowing public and charter schools to address cyberbullying off-campus and outside of school-related or school-sponsored activities based on specific criteria. In order to address this legislative change, this checklist may help parents, educators, and administrators determine if a student at their school has been bullied according to the legislative definition. Please follow the conditional 'yes/no' logic for the questions regarding the use of electronic communication devices in possible bullying scenarios.

IS IT BULLYING?

Was it a single significant act? ☐

Was it a pattern of acts? ☐

By one or more students directed at another student that **exploits an imbalance of power** ☐

Through physical contact ☐

Using verbal expression ☐

Using written expression ☐

Using electronic means ☐

Physically harms a student or damages their property ☐

Creates reasonable fear of harm to student or damage to their property ☐

Is sufficiently severe, persistent, or pervasive enough that the action or threat creates:

 Intimidating educational environment ☐

Threatening educational environment ☐

Abusive educational environment ☐

Materially and substantially disrupts the educational process or operation of school ☐

Infringes on rights of victim at school ☐

YES, IT'S BULLYING
(Cyberbullying is bullying)

Did the act occur outside of a school-sponsored or school-related activity?

(This is an important distinction, as David's Law expands a school district's authority to include cyberbullying incidents that occur off campus and outside a school-sponsored or school-related activity, as long as it meets one of the below criteria.)

Yes

No

Did the act interfere with a student's educational opportunities; or substantially disrupt the orderly operation of a classroom, school, or school-sponsored/related activity?

Yes

No

According to law, if the act **DID NOT** meet the criteria above, it is not under the school district's authority.

Was the act committed by using any type of electronic communication device?

(i.e. Cellular or other phone, computer, camera, e-mail, text or instant messaging, social media app, Internet website, Internet communication tool)

passive support for acts of harassment or bullying. Bystander support of harassment or bullying will not be tolerated. All witnessed incidents of bullying must be reported.

A plan and procedure for addressing bullying or intimidation is in place through the school counselors and the administration.

For full-version of David's Law see <https://txssc.txstate.edu/videos/bullying-and-the-law/>

Definition of Bullying

Bullying is considered abuse. Bullying involves physical, verbal, non-verbal, emotional, technological (cyber-bullying), psychological attacks or intimidation to another person or persons to intentionally hurt the other person, whether that hurt be physical, emotional, and/or psychological. Depending on the severity of the bullying incident(s), the administration reserves the right to impose the most appropriate consequence, regardless of the number of incidents. All decisions of the school are final.

Anti-Bullying Procedures:

- All members of the school have a responsibility to recognize bullying and to take action when they are aware of it.
- St. Thomas Aquinas Catholic School will continue to communicate anti-bullying messages to students through the the school's guidance program, Second Step.
- All faculty and staff will treat any report of bullying seriously and take action.
- Teachers will review the reporting and investigation procedures, prevention strategies, and disciplinary approaches as part of their ongoing training each year.
- Students who report bullying will be assured that they acted correctly in reporting bullying.
- Administration will thoroughly investigate allegations of bullying. This may include interviews with students, parents, and staff members as well as review of school records. The victim, accused student, and any witnesses shall be interviewed separately to establish an accurate account of events.
- Emphasis must be placed on changing the behavior of the bully, while providing care and support for the person who has been bullied.
- Any student who retaliates against another for reporting bullying behavior will face disciplinary action.

231 Technology Acceptable Use Policy – US and LS

An Acceptable Use Policy is a set of guidelines for student use of the internet as a tool for learning. St. Thomas Aquinas Catholic School offers all students access to our school's computer networks and the internet for student research and communication. Access to these network services is given to students who agree to act in a considerate and responsible manner. This access is a privilege, not a right. Students are responsible for appropriate behavior on school computer networks.

The following are not permitted:

- The use or possession of an external storage device
- The use of any internet browser other than Internet Explorer, Firefox, Chrome, or Microsoft Edge
- The installation or use of any operating system to bypass St. Thomas Aquinas Catholic School security protocol
- Willfully damaging computers, software, computer systems, or computer networks
- Using the network or internet to plagiarize or violate copyright laws
- Employing the network for commercial purposes
- Using the network to send or display offensive and/or obscene messages or pictures
- Using computers to access materials that are profane or obscene, or that advocate illegal acts, violence, or discriminate toward other people
- Using the network or internet to harass, insult, or attack others
- Downloading software from the internet without the permission of the network administrator
- The use of any device accessing the internet not supplied by the school during the school day or at school sponsored events including, but not limited to, smart watches or similar devices that

have the capability to read/send text messages, take pictures, or communicate with people or other devices.

- This rule applies whether the device is activated, and whether it is placed in sleep mode, airplane mode, or similar modes, or does not have a pairing device to connect to as a source.
- All such items must be turned off and kept in a locker when on school/church property. This includes, but is not limited to, arrival, and dismissal times. A student must have specific permission from St. Thomas Aquinas Catholic School staff to use such a device when on School or Church property.
- The use of cell phones or other devices to record or photograph without teacher approval.

Disciplinary actions will be decided by the administration.

No recording devices (audio or video) are allowed to be used by students or parent unless authorized by the party being recorded.

232 Cell Phones

At the Upper School, students are not allowed to access cell phones during the school day on campus; cell phones must be turned off and stored in student backpacks in lockers. Lower School prohibits possession of student cell phones and smart watches. Students can never use their cell phones to take photographs or videos during school hours. The school is not responsible for lost, broken, or stolen cell phones. A student using his/her cellphone during the school day may have his/her device confiscated. St. Thomas Aquinas Catholic School reserves the right to confiscate cell phones if used during the school day or at a school-sponsored event. Parents/guardians may be requested to retrieve the confiscated cell phone from administration. A fee of \$25 may be assessed at the sole discretion of the school. Disciplinary actions may be decided by the administration if necessary.

233 Social Media

It is expected that all parents, volunteers, and students using social media platforms refrain from:

- Taking and posting photos or videos during the school day or on field trips unless requested by the school.
- Defaming the character of any individual within our community
- Defaming St. Thomas Aquinas Catholic Parish and School or the Diocese of Dallas
- Causing embarrassment to St. Thomas Aquinas Catholic School, any associated organizations, or members of the community
- Harassing any member of the St. Thomas Aquinas Catholic Parish and School community
- Divulging any personal information about children in the community that would jeopardize their safety or well-being in any way
- Sharing answers on student assignments

Social media sites are not the appropriate forum for discussion of school concerns or school business. Any concerns related to the school should be addressed directly with the school.

234 Photographs and Videos

The enrollment packet includes a Video/Image Release that is completed by each family. Due to the enormous volume of student images captured throughout the year and our sizeable student body, St. Thomas Aquinas Catholic School cannot guarantee a student's image will not be captured.

Events during the school day may be photographed by approved class/activity photographers only. Taking photos or videos during the school day or on field trips without parental approval of all parties included is prohibited.

235 Dress Code and School Uniforms

St. Thomas Aquinas Catholic School recognizes the effect students' dress and grooming have upon student behavior and commitment to learning. We further recognize the role of parents in assisting their children in making appropriate choices regarding the school uniform, dress down day accessories, and grooming. Attire considered disruptive or distracting to the learning environment or that could present a health or safety issue is not appropriate.

It is expected that both the student and their parents carefully monitor hair length and hairstyle to remain in compliance with the dress code. Neither teachers nor administrators should have to repeatedly remind a student to keep their hair cut, styled, or colored properly. Frequent haircuts are encouraged so the student will meet the dress code at all times. Students and their parents are responsible for adhering to all uniform and dress down guidelines. Parents will be notified when uniform code violations become excessive and may be required to bring up appropriate alternatives. The teachers and administration ask for parent partnership and student compliance regarding uniforms and dress down requirements.

See detailed Uniform Requirements and Options Chart below.

The school uniform helps to identify the student as a member of the St. Thomas Aquinas Catholic School community. Families must purchase kindergarten through 8th-grade uniform items through the school's contracted vendor:

236 Cafeteria

Cafeteria service is available to all students. St. Thomas Aquinas Catholic School does not have a free or reduced lunch program. Lunches may be purchased from our catering service or brought from home. Lunches brought from home may be warmed in a microwave (food must be in a microwavable safe container, covered, and limited to one minute warming). Lower School student food will be warmed by cafeteria supervisors. Glass containers and/or cans with pull tabs are not permitted. Rules of the cafeteria must be followed on both campuses.

The contract with the cafeteria service provider does not permit class parties to replace lunch, and special arrangements for lunch or other treats from parents or outside vendors for groups of students are not allowed. For security purposes, students on both campuses are not allowed to have visitors during lunch.

237 Health Services

St. Thomas Aquinas Catholic School health clinics are staffed by full-time nurses. The clinic is open daily from 8:00 AM until student dismissal. Both campuses are equipped with life-saving devices including AED's, stop the bleed kits, generic epi-pens, Narcan, and LifeVac for choking emergencies.

Health-Related Restrictions

We ask that the parent/guardian of any child with a health-related restriction communicate the specific restriction to the classroom teacher and the school nurse. Some common restrictions include no PE due to an injury or no outdoor recess due to respiratory conditions. The school will provide an alternative learning environment for students with documented restrictions.

Parents agree to the following Diocesan policy:

AUTHORIZATION OF CONSENT TO TREAT MINOR

I/We, the Parents/Guardians listed below, are the ___ parent(s) / ___ guardians of the Student listed below, and as such do hereby authorize the School named below and its employees, contractors, and

adult volunteers as our agent(s) (collectively, "School") to consent to any x-ray examination, anesthetic, medical, dental, or surgical diagnosis or treatment or hospital care which is deemed advisable by, and is to be rendered under the general or specific supervision of, any physician or surgeon licensed under the laws of the jurisdiction where such diagnosis or treatment may be given, whether such diagnosis or treatment is rendered at the office of said physician, at a hospital, or at any other location.

I/we understand that this authorization is given in advance of any specific treatment or diagnosis, but is given to provide authority and power of treatment or hospital care which the aforementioned physician in the exercise of best judgment may deem advisable. This authorization is given pursuant to the provisions of Chapter 32 of the Texas Family Code. This authorization shall remain effective for up to one year from the date of completion of this form, unless sooner revoked in writing delivered to said agent(s).

In consideration of acceptance of this authorization, but without any time limitation and without any future right of revocation, I/we hereby release and agree to fully and unconditionally protect, indemnify, and defend School, the Roman Catholic Diocese of Dallas, and their respective officers, agents, and employees, (collectively, "Indemnitees") and hold each Indemnatee harmless from and against any and all costs, expenses, attorney's fees, claims damages, demands, suits, judgments, losses, or liability for injuries to property, injuries to persons (including Student) and from any other costs, expenses, attorney fees, claims, suits judgments, losses, or liabilities of any and every nature whatsoever arising in any manner, directly or indirectly, out of, in connection with, in the course of, or incidental to such treatment, treatment decisions, diagnosis, or hospital care relating to Student, REGARDLESS OF CAUSE OR OF THE JOINT, COMPARATIVE OR CONCURRENT NEGLIGENCE OF THE INDEMNITEES.

Illness

If your child is not feeling well, keep your child home from school and extracurricular activities. It is the parent's responsibility to partner with the school any time the health clinic requires the student to go home due to illness or accident. Children must stay home when they have had fever, cough, shortness of breath, sore throat, swollen glands, vomiting, diarrhea, eye infections, unusual skin eruptions, or suspected communicable diseases. Also:

- If your child has been experiencing a temperature of 100 degrees or more, the child must stay home until they are fever free for 24 hours without the aid of a fever reducer.
- If your child has vomited or has diarrhea, either at school or home, the child must stay at home for 24 hours after the last vomiting or diarrhea event.
- If your child requires medications during school to prevent them from exhibiting signs of illness, such as coughing, wheezing, or copious drainage, it would be in their best interest to stay home until the symptoms have abated.
- Parents of students out for an extended period of time may be required to meet with the teacher, administration, and student support team before their child returns to school in order to ensure a smooth transition.

Health Screenings

The health clinic provides screening for vision, hearing, acanthosis nigricans, scoliosis and pediculosis (head lice) on an annual schedule, as required by the Diocese at various grade levels.

Immunizations

St. Thomas Aquinas Catholic School follows the Texas Department of Health rules covering immunizations. The Texas Education Code requires students in elementary and secondary school to provide proof of required immunizations. A current immunization record must be received by the school at application and before your child is formally accepted or reenrolled. For applicants entering PK-8th, the record must be received, reviewed, and deemed complete by St. Thomas Aquinas Catholic School prior to on-site assessment or shadowing. St. Thomas Aquinas Catholic School does not accommodate provisional enrollments; the school requires all applicants and students to be current on immunizations prior to acceptance/registration/attendance. Students must remain current with immunizations at all times while enrolled at St. Thomas Aquinas Catholic School. If for any reason, the student is not current with immunizations, the student will be removed from school.

Parents are required to inform the school nurse of any changes in medication that may occur during the school year.

Asthma Policy

St. Thomas Aquinas Catholic School recognizes that asthma can be a serious condition affecting many school children. The school encourages children with asthma to achieve their full potential in all aspects of school life by providing a clear policy that is understood by faculty and staff. All faculty and staff who come in contact with children with asthma are provided with training from the school nurse.

Asthma Medication

Immediate access to the student's rescue inhaler is vital to keeping the student's asthma under control during school hours. Parents are asked to complete the in-school medication form and provide the clinic with a rescue inhaler labeled with the student's name, medication, and name of prescribing doctor. The nurse will keep the student's inhaler in the clinic for easy access.

Allergy Policy

St. Thomas Aquinas Catholic School recognizes that life-threatening food allergies can be serious. In order to minimize the incidence of allergic food reactions, St. Thomas Aquinas Catholic School will maintain a school-wide procedure for addressing life threatening allergic reactions. The nurse will maintain an emergency action plan for any student whose parent/guardian and physicians have informed the school in writing that the student has a potentially life-threatening allergy. Parents are required to provide an EpiPen for students with severe allergies.

In order to minimize the incidence of life-threatening allergic reactions, St. Thomas Aquinas Catholic School will provide training and education for all STA faculty and staff including:

- A description/definition of severe allergies
- Explanations of the most common food, medication, latex, and insect bite allergies
- The signs and symptoms of anaphylaxis
- The correct use of epinephrine (EpiPen) and Avui-Q auto-injectors
- The specific steps to follow in the event of an anaphylactic emergency
- The activation of emergency medical response – 911
- The location of emergency medications, including the school's stock EpiPen

The parent/guardian will be responsible for notifying classroom teachers and clinical staff about the nature and severity of the allergic reaction faced by the student. This notification will include an explanation of the severity of the health threat, a description of signs and symptoms, and what allergens to avoid.

In the event that a student has a severe allergic reaction (where there is no known anaphylactic history), the school's stock EpiPen will be administered, and emergency services will be called immediately.

The school's protocol for field trips ensures that the nurse will send with the teacher the student's emergency action plan and the EpiPen as ordered by the student's physician.

Head Lice Policy

Head lice (Pediculosis) can spread rapidly. Students found to have head lice must be removed from school immediately. The school follows a "nit free" policy for readmittance. The school nurse will recheck the student upon his/her return to campus to ensure he/she is nit free before readmittance to class.

COVID-19 Policy

See section 237 Health Services Illness.

Accidents and Injuries

All student accidents and injuries on school premises and at school-sponsored events should be reported to the school office immediately. St. Thomas Aquinas Catholic School follows the Schools Concussion Protocol after a concussion diagnosis.

Any major injury occurring not on campus or a school related event requiring assistance or accommodation during the school, must be reported to the school nurse and front office prior to returning to campus.

Student Accident Insurance

As a part of tuition, St. Thomas Aquinas Catholic School provides each student with student accident insurance. This coverage will be the secondary coverage and health coverage under another insurance plan will be primary. This insurance covers accidental injuries to students during school hours and at all school-sponsored functions including sports, both on and off campus. This coverage is not health insurance. When an accident is reported, the school will provide the necessary paperwork. All claims are handled directly by the insurance carrier.

238 Student Support Services

The purpose of Student Support Services is to ensure that each individual student's learning needs are addressed to help him/her meet the unique and rigorous challenges of our curriculum with success and a sense of competence. In order to meet this purpose, the services provided utilize a team approach, collaborating with teachers, parents, administration, and outside professionals to identify and meet student learning and social development needs. Because the program is individualized, the application of these guidelines will vary.

St. Thomas Aquinas Catholic School has an excellent support system, which is further enhanced by:

- Reading Specialists – Availability of this support is supervised by the school learning specialist based on a concern made by the classroom teacher. The learning specialist and reading specialist collaborate to meet the needs of Lower School students who need additional reinforcement in order to meet grade-level goals. Students with diagnosed reading disabilities take first priority when creating the Certified Academic Learning Therapists' (CALT) schedules at the beginning of each school year.
- *Build/Take Flight* – These are programs specifically designed to provide qualifying students a multi-sensory approach to reading instruction. This service is provided on both campuses when a CALT is available on each campus and only for students who have a diagnosis or when a professional with the appropriate credential to make the diagnosis has authorized this intervention.
- Upper School Math Specialist - Availability of this support, supervised by the school learning specialist, is based on students with a diagnosed math disability.

Student support services are available to any student who is having academic, behavioral, and/or emotional difficulty with particular focus on identifying and serving students with learning disabilities.

In some instances, the learning specialist will need to investigate a student's academic/emotional challenges through a more detailed process. This process may include student observation, teacher input, parent input, and/or screening instruments. When the results indicate a need for additional intervention/evaluation, the learning specialist will provide recommendations for outside services that may include tutors, psychologists, diagnosticians, speech language pathologists, occupational therapists, medical providers, or other professionals.

Although St. Thomas Aquinas Catholic School does not offer special education services, students with diagnosed disabilities may qualify for accommodations in the classroom. The student will have an Individual Accommodation Plan (IAP) written, implemented, and monitored by the learning specialist. Accommodations provided will not alter the curriculum of St. Thomas Aquinas Catholic School. Accommodations are utilized only when academic integrity can be maintained. The learning specialist and/or counselor determine what accommodations are made based on the diagnostic testing results/report, teacher input, parent input, and the individual needs of the learner. Modifications to curriculum may be made only for students with a diagnosed need.

All form requests related to outside diagnostic testing or special services (occupational therapy, speech, etc.) must be submitted directly to the learning specialist, not teachers.

Criteria for Accommodations in the Classroom

Eligibility for accommodations necessitates the student meets the following requirements:

- The student must have an educational need or diagnosis that directly affects his/her ability to learn.
- The student must have been evaluated by a professional with the appropriate credential to make the diagnosis (e.g. psychologist, diagnostician, doctor).
- Evaluations must be current as outlined in the ETS guidelines (Educational Testing Service, www.ets.org). Extenuating circumstances may warrant an individualized decision for a student's reevaluation.
- A full report must be submitted to the learning specialist for use in developing an Individual Accommodation Plan (IAP).
- The report will be kept on file with the learning specialist.
- The report must include a clear description of the diagnosis listed in the current edition of the Diagnostic and Statistical Manual (DSM) or in the current edition of the International Classification of Diseases (ICD), scores from measures of cognitive functioning and academic achievement, and information that supports the diagnosis along with specific recommendations for appropriate accommodations.

Counselor

The counselor helps students and their families overcome difficulties that may interfere with the educational experience at St. Thomas Aquinas Catholic School. Students may be referred to the school counselor, by parents, teachers, and/or the student themselves. The school counselor uses brief solution-focused counseling modalities tailored individually to each student and family and assists with crisis interventions, testing and psychological referrals, individual/group counseling, child safety, drug education, and preliminary screenings for mental health. The school counselor also serves as a liaison providing outside community resources to assist families when indicated and collaborating with outside providers for a multidisciplinary approach to optimize student success and well-being. The school counselor does not provide ongoing therapy to students.

A comprehensive guidance program is initiated and implemented under the direction of the counselor. Guidance is provided to students in order to assist them in making decisions that impact their school life and home life in a positive way.

Physical, Mental, and Emotional Health Concerns

Physical, Mental, and Emotional Health concerns that have been brought to the school's attention will be discussed with parent/guardian. At the discretion of the administration, the school may require an evaluation by a medical licensed professional for the student to return to school at the parent/guardian's expense. Upon receipt of the evaluation, the school will review to determine enrollment eligibility as well as potential required protocols to ensure the student's safety, wellness, and continued academic success upon the student's return to campus.

Students with a substance abuse problem, eating disorder, or any other mental/emotional health issue, diagnosed or documented by a medical or mental health professional, will be required to successfully participate in a treatment program to maintain enrollment eligibility. A meeting will be held with the parent/guardian, student, administration, and school counselor to discuss appropriate treatment options and communication about that treatment center.

Withdrawal from or nonperformance in a required treatment program may result in a student's dismissal from school at the school's sole discretion. The school will collect all documentation and a re-integration committee consisting of an administrator, (school) counselor, school nurse, and an academic representative will decide on the student's participation and enrollment eligibility at school. The re-integration committee will review the particular circumstances affecting the student and take into consideration the school resources available and necessary to meet the student's needs while continuing to meet the needs of all students.

A signed release form permitting the exchange of information between the school and medical/mental health service providers may be required as a condition of continued enrollment.

239 Library

Every grade has a specified library time that supplements the formal reading program. Procedures are in place on each campus for book check out. Students are responsible for the books and materials checked out from the library. Replacement fees are in place for any damaged or overdue library material billed through FACTS incidental billing.

240 Lost and Found

The school is not responsible for lost or stolen articles. Lost and found bins are located on both campuses. All uniform items and possessions should be clearly labeled with student's first and last name. Expensive items should not be brought to school. Students should bring found articles to the office immediately. Unclaimed articles will be donated to charities on a regular basis.

241 Parties and Birthdays

Dates for all classroom parties are listed in the school calendar and are planned by administration and teachers. Teachers coordinate activities with the help of STAPA representatives (homeroom parents) when needed. Equity across all grade levels regarding treats, games, and party favors is required. Information about parties will be communicated by the teachers and/or homeroom parent. The contract with the cafeteria service does not permit class parties to replace lunch. No special deliveries for any reason or occasion are allowed. Party invitations may not be passed out at school unless everyone in the class is invited to the party.

Lower School Birthdays

Parents are allowed to drop off birthday treats at the front desk. Teachers will provide guidelines.

Upper School Birthdays

The Upper School student birthdays are celebrated internally. Students are not permitted to bring food or treats to the classroom or lunch.

300 Series Parents

301 Parent Cooperation

Parental cooperation is required for continued enrollment. Parents are expected to partner in good faith with the implementation and enforcement of all St. Thomas Aquinas Catholic School policies and procedures as stated in the handbook and requested by the administration.

Parental behavior or failure to partner with the school shall be grounds for removal of any student from the school. Additionally, parents are expected to speak and act in a Christian, positive manner. Disrespectful behavior, vulgar language, or verbal abuse may result in a family being required to withdraw their child from the school, or a family may not be invited to return the following year.

Diocesan Policy

All members of the school community, including parents and family members, are expected to comply with all school rules and policies while on campus and in communications with the school, be respectful, cooperate with the school with respect to all decisions affecting the student, and avoid behavior which disrupts the orderly administration of the school. A community member's failure to meet these expectations jeopardizes school administration, requires the school to expend limited resources to address inappropriate and unnecessary behavior, and detracts from the school's core mission and, as a result, may jeopardize a student's continued participation in the school community. At the school's sole discretion, the failure of a student's parents or other family members to comply with these expectations, separate and apart from the student's conduct, may result in suspension or expulsion of the student.

302 Confidentiality Agreement

The confidentiality and privacy rights of all students are paramount. Any information obtained or overheard while on campus in any capacity in or out of the classroom is considered confidential. It is understood that every member of the community is personally responsible and liable for any violation of this policy.

303 Parent/Teacher Communications

Parents are reminded to avoid contacting teachers during school hours, except through email, to ensure minimal disruptions to the classroom. Please refrain from using personal phone numbers or email addresses for school-related matters. Teachers are not obligated to respond outside of work hours, including evenings and weekends. They will do their best to reply to emails and calls within 24 hours during the school week.

304 Principle of Subsidiarity

Parents/guardians and teachers are expected to address a situation at the level at which the situation occurs. Persons having a concern with another individual should go directly to that person; problems should be solved at the lowest level whenever possible. If there is a concern with a teacher, the concern needs to be explored with the teacher first. A member of the administration may be involved after the situation has been addressed at the level at which the concern exists.

305 Safe Environment Requirements

St. Thomas Aquinas Catholic School ensures that all adults working directly with students have completed the Safe Environment program. All persons (employees or volunteers) working with St. Thomas Aquinas Catholic School students must undergo a security clearance check before the employee/volunteer begins their assignment. Procedures for obtaining a Safe Environment clearance and ID badge are located on the school website. Safe Environment cleared volunteers must wear their ID badges while on campus.

Volunteers and Visitors

St. Thomas Aquinas Catholic School parents volunteer on campus in a variety of ways. Parents will have opportunities to sign up as volunteers through STAPA and must be safe environment cleared.

All visitors and volunteers (including any student's parent, guardian, or other relatives) entering the school must first report to the school office for clearance. No one may proceed directly to any part of the campus without reporting to the front desk. Visiting is a privilege, and St. Thomas Aquinas Catholic School reserves the right to refuse any visitor. The school uses RAPTOR, an integrated school safety software, and all volunteers and visitors must be prepared to provide their identification upon arrival.

306 Custody and Family Law Issues

Diocesan Policy

St. Thomas Aquinas Catholic School understands that families within the school community may be affected by custody and other related legal disputes. The school works to balance sensitivity to difficult family situations and the interests of safety and orderly school administration. Involving school personnel in family and custody issues diverts finite school resources from the school's primary function. Parents' inability to partner with each other and the school may result in the family being asked to withdraw their child/children from the school. It is important that families within the school community who are affected by custody and other related legal disputes read and understand the following:

Generally, a child's biological or adoptive parents have equal rights to custody of and visitation with the child unless and until a court orders otherwise. When this arrangement has been changed by court order, it is the responsibility of the affected student's family to provide the school with a current signed copy of

the relevant court order and to point out to the school any relevant portions of the court order. Unless and until a student's family does so, the school may assume that both of a child's biological or adoptive parents have equal rights to custody of and visitation with the student.

It is the responsibility of the parents, not the school, to ensure that the school is promptly provided with any relevant original or amended custody orders. The school will take reasonably practical steps to facilitate compliance with relevant family court orders. However, it is the responsibility of the family, and not the school, to enforce family court orders regarding a student. School personnel are not family law attorneys and are not responsible for interpreting or enforcing custody or other family court orders.

Attorneys representing parents in custody disputes should not contact school personnel directly, including to request the production of documents and execution of supporting affidavits for use in litigation. Parents may obtain contact information for Diocesan legal counsel from the school and should provide this information to the parents' attorneys if school involvement in a custody dispute is requested. If the school is required to engage counsel to interpret or otherwise advise the school regarding a custody or other family court order or dispute, the parents of the affected student are jointly and severally liable to the school for all costs and attorneys' fees associated therewith. As an exception to this general rule, upon request by either parent, the school will generally, at the chief administrator's sole discretion, provide one copy of a student's central file (e.g., attendance records, report cards, enrollment documents) with a supporting business records affidavit to both parents or their attorneys free of charge.

St. Thomas Aquinas Catholic School is private property and not open to the public. Additionally, it is detrimental to the well-being of the affected students and to the school community as a whole when family disputes are brought onto school property. Parents are expected to do everything possible to avoid parental confrontations or arguments on school grounds. The administration has discretion to exclude any person from the school when, in his or her sole discretion, doing so is necessary or appropriate. School personnel may contact law enforcement for assistance when doing so is necessary to enforce this discretion. If a parent who is prohibited by court order from coming to or near the school attempts to enter the school, the school may call the police or seek other appropriate recourse. If administration believes that the behavior of a parent or other legally responsible adult presents an imminent threat of harm to a student, the school may refuse to release the student to the parent or other legally responsible adult or take such other steps including, but not limited to, contacting law enforcement or the student's emergency contact, as the school deems necessary.

307 Reimbursement for School Expenses and Legal Fees

St. Thomas Aquinas Catholic School recognizes the financial sacrifice many of its families make to participate in the school community. Out of respect for this sacrifice and in recognition of the school's responsibility to wisely steward financial resources for the benefit of all members of the school community, St. Thomas Aquinas Catholic School has implemented the following policy.

St. Thomas Aquinas Catholic School is sometimes required to retain outside legal counsel to respond to parent requests or demands, requests or subpoenas for testimony or documents in legal proceedings to which the school is not a party, or to address other issues affecting or involving only one or a few students or families. In such situations, the school is typically required to expend finite financial resources to address an issue which otherwise affects only a very small portion of the school community. To ensure that the school community at large is not adversely impacted in such situations, at the sole discretion of administration, the school will require the family or families involved to reimburse the school for attorney's fees, costs of court, and other expenses incurred (including, without limitation, the cost to secure substitute staff when school personnel are subpoenaed to testify in court proceedings).

Accordingly, each person who acknowledges his or her agreement to the contents of this Handbook by electronic signature, agrees that, in the School's absolute and sole discretion, he or she shall indemnify and reimburse the School, the Roman Catholic Diocese of Dallas, and their respective officers, employees, agents, and representatives ("Indemnitees") on demand from and for any and all attorney's fees and related costs including without limitation the cost of

responding to requests for documents or other records or information arising from, in connection with, or related to 1) a violation of any provision of this Handbook, 2) any request or demand made upon the School which pertains to a legal proceeding to which the School is not a party, 3) threatening or harassing communications directed to any Indemnatee, or 4) threatened or actual litigation against any Indemnatee which does not result in a final and appealable judgment adverse to the Indemnatee.

308 Volunteer Service Hours

The goal of the volunteer service hours policy is to increase parent participation in the parish and the school. All returning families must complete a minimum of twenty adult volunteer service hours each calendar year. New families must volunteer a minimum of 8 hours between August and December. Volunteers must be cleared by the Safe Environment officer, and volunteer hours must be logged in FACTS by the end of the calendar year.

309 Pass-Through COPPA Parent Waiver

Our school uses certain web-based tools and other applications that assist your child in learning. The filtering and monitoring software is designed to comply with the requirements of CIPA, which mandates that schools prevent access to visual depictions of obscenity, child pornography, or material that is harmful to minors.

The filtering and monitoring software is not infallible and may not block all inappropriate or harmful content. Users are responsible for their own online behavior and choices, and should report any content that is inappropriate, harmful, or illegal to a teacher or administrator. Users should also avoid accessing or sharing any content that violates the Acceptable and Responsible Use of the Internet section of this policy.

The school reserves the right to monitor and review any online activity or content that is accessed, created, or shared by users on the school's network, devices, or online resources. The school may also monitor and review any online activity or content that is accessed, created, or shared by users on their own devices, if they are connected to the school's network or using the school's online resources. The school may use the monitoring and review data to ensure compliance with this policy, to investigate potential violations or incidents, or to provide feedback and guidance to users.

Park in the Birdies parking lot west of campus and walk along the fence line to the sidewalk in the St. Thomas Aquinas Catholic School lot; do not cross the carpool line.
- Parents are asked to say their good-byes at the designated space.
- The main carpool line begins at the west entrance of the parking lot next to the soccer field. Enter from Skillman and form a single line eastbound on St. Moritz.
- Stay in the queue and do not attempt to pass other vehicles.
- Beginning at 7:30 AM, an adult will assist the children from the cars and direct them to the cafeteria, playground, or classroom. A teacher is on duty to supervise the children from 7:30 AM.
- Do not take your child to the classroom or attempt to have unscheduled time with your child's teacher.

Lower School (PK-2) Afternoon Pickup

During dismissal, the safety and security of the Lower School children is our paramount concern. These policies and procedures are in place to ensure this safety and security. We appreciate your respectful cooperation and courteous treatment of staff as we enforce these rules.

- Parents are issued a carpool tag which should be placed on the vehicle dashboard. Whether you are walking or driving, your child will not be released to anyone without the school-issued carpool tag or notification or approval from parents/guardians. Without verification or authorization, cars will be directed to wait in a holding area until a parent can be reached.
- If children from multiple families carpool regularly, there must be a blue school-issued tag for each family.
- The school must receive written notice of any alternative carpool arrangements no later than 2:30 PM.
- Students who are not enrolled in the Extended Day Program and are not picked up by 3:30 PM will be escorted to and placed in the Extended Day Program, and a fee will be assessed.

Lower School (PK) Arrival and Pick-Up

- All vehicles should approach the circle drive on Alderson by heading south (toward Mockingbird) and turning right into the driveway. Do not turn left into the circle drive.
- When in the queue waiting to enter the circle drive cars must stop at least one car length from the intersection of Alderson and St. Mortiz. There is a sign telling you where to stop. Failure to do so negatively affects the visibility of traffic on Alderson and on St. Mortiz.
- Do not stop on Alderson between St. Mortiz and the circle drive. Drivers are asked to wait until your car is able to enter the circle drive.

Upper School Arrival and Pick-Up

The Upper School arrival and dismissal guidelines will be provided in the Back to School Guide and must be followed.

403 Inclement Weather Dismissal

St. Thomas Aquinas Catholic School requires an alternative dismissal plan when there is inclement weather. A text alert will be sent to parents' cell phones when the school requires indoor dismissal due to inclement weather; this includes walkers/cyclists. A text alert will also be used when the Lower School will not dismiss via the walk-up gate due to inclement weather. It is the parents' responsibility to update the school with any changes to phone numbers.

404 Pedestrians (Walkers) and Cyclists (Upper School Only)

- Students designated as walkers must have an authorization form filled out by parents during enrollment to walk to and from school, and any change in walker designation must be communicated to the front desk.

- Bicyclists are considered walkers and should follow the rules for pedestrians.
- Do not cross the vehicle queue on foot (except at the designated crosswalk).
- Do not cross Kenwood on foot except at the crosswalk at Abrams.
- Children who walk to school must follow the pedestrian routes.
- Bicyclists must provide their own locks for their bikes.
- Parents cannot park on Kenwood or Alderson to pick up their children.

405 Extended Day

Extended day care is provided on both campuses for students enrolled in the program immediately after dismissal time until 6:00 PM on full school days and 4:00 PM on early dismissal days. Extended Day registration opens during the enrollment process. Parents may register for Extended Day at any time during the year. Drop-ins cannot be accommodated.

406 Weapons and Firearms

St. Thomas Aquinas Catholic School is a gun/weapon-free zone. It is the Church's prerogative to maintain the place of worship as a gun-free zone. No person, with the exception of our licensed security personnel hired by the school, may possess a weapon at any facility owned, leased, or operated by the Diocese of Dallas or St. Thomas Aquinas Catholic School, or at any activity or function organized or sponsored by the Diocese or St. Thomas Aquinas Catholic School, even if that person holds a license to carry a weapon, concealed or not.

407 Crisis Management

The safety of the faculty, staff, and students of St. Thomas Aquinas Catholic School is a priority. Each campus has an onsite crisis coordinator, crisis team and a crisis management program for site specific procedures. All faculty and staff are trained in the [Standard Response Protocol \(SRP\)](#) procedure. The five components of the SRP provide actions to be taken in an emergency. Students and faculty are trained and participate in practice drills on the following:

- HOLD – In your room or area. Clear the halls.
- SECURE – Get inside. Lock outside doors.
- LOCK DOWN – Locks, lights, out of site.
- EVACUATE – A location may be specified.
- SHELTER – Hazard and safety strategy.

408 Safety and Emergency Procedures and Drills

Standard Response Protocol (SRP) is used on both campuses. You can find the SRP under the Parent tab on the school website. Emergency drills are held in accordance with the State of Texas, City of Dallas fire codes, and Diocesan policy. Absolute cooperation in abiding by the rules set forth by faculty and staff is expected. Faculty and staff will give direction to students and visitors in the school buildings. Maps and directions for emergency drills are posted throughout campus.

In the event of a serious incident requiring relocation to an alternate site, the school would employ the Standard Reunification Method.

409 Child Protective Services

Texas has both civil and criminal laws to protect children from abuse and neglect. If you suspect that a child is being abused or neglected, the law requires that you report it to the Texas Department of Protective and Regulatory Services (PRS) or a law enforcement agency. Child Protective Services (CPS), a division of PRS, is responsible for conducting civil investigations of alleged abuse and neglect that occur in the child's family or home. Failure to report suspected child abuse and neglect is against the law. Individuals who make reports in good faith are protected by law from liability, as are those who provide information during a CPS investigation. Contact the agency's local office or call the 24-hour toll free Child Abuse Hotline (800) 252-5400.

Reports to Law Enforcement

a) Texas law requires the principal of a private school, or his or her designee, to notify law enforcement if the principal/designee has reasonable grounds to believe that certain crimes listed in section 37.015 of the Texas Education Code. The notice provided to the police must include the name and address of each student the person believes may have participated in the activity, and must also be provided to each employee of the school who has regular contact with a student whose conduct is the subject of the notice. It is the policy of the Diocese of Dallas and its schools to comply with this statutory requirement.

b) Cooperation with Law Enforcement and Child Abuse Investigations

Texas law requires schools to make students available for interviews by child protective workers in connection with an investigation into suspected child abuse. The child protective worker may or may not allow a school representative to witness the interview. Diocese of Dallas schools will cooperate with such interview requests.

From time to time, law enforcement officers also seek to interview students while at school in connection with an allegation or suspicion that the student has committed a crime. When faced with such a request, school personnel will refer the requesting officer to the school's chief administrator or his or her designee. The chief administrator or designee will request additional information regarding the nature of the interview requested and the allegations or suspicions relating to the student. The chief administrator or designee will, if the crime is not serious and contemporaneous or imminent, also request that the interview be delayed until the student's parent or other legally responsible adult is present. School personnel will then notify the student's parent, other legally responsible adult, or emergency contact as soon as possible.

If the officer refuses to delay the interview until the student's parent or other legally responsible adult arrives, the chief administrator or designee will request to be present during the interview. **However, if the officer refuses to allow the chief administrator to be present and refuses to delay the interview, school personnel will not physically prevent the officer from conducting the interview, and the parent or other legally responsible adult signing below agrees that the school is under no duty to do so.**
