**SCHOOL DISTRICT 347
BUILDING DIRECTORY:**

Dear Community,

As we embrace the upcoming fall, we are excited to present our new class offerings for the season. We have a wide range of activities designed to inspire, educate, and entertain. Whether you are interested in learning a new skill, improving your health, or simply exploring a new hobby, our fall catalog has something for everyone.

If you have never participated in a Community Education class before, this fall is the perfect time to start. Our classes are a great way to meet new people, expand your knowledge, and become more involved in our vibrant community.

We also value your input and ideas. If there are specific classes or topics you would like to see in the future, please do not hesitate to contact Community Education. We are your lifelong learning partners and are committed to meeting your educational needs.

Thank you for being an active and engaged member of our community. We look forward to seeing you in one of our classes this fall.

Warm regards,

Alex Watter

Director of Community Education and the
Willmar Community Education Staff

Welcome

To Early Childhood Family Programs

Welcome to the Willmar Public Schools Early Childhood Department! We're dedicated to supporting families in their journey as parents and caregivers, emphasizing the crucial role of early learning in shaping a child's future success. Our committed staff provide top-quality programming to nurture growth and development for children and families alike. We invite you to join our community and stay connected through our Facebook page, www.facebook.com/willmarecfp, where you'll find valuable videos, resources, and information for all. Thank you for your ongoing support of our programs.

Warmest Regards,
Willmar's Early Childhood Team

Early Childhood Family Education (ECFE)

Welcome to Early Childhood Family Education (ECFE), where we lay the groundwork for a lifetime of learning. Our classes provide opportunities for children and families to learn and grow together, with dedicated time for both joint activities and independent learning. Parents and guardians have the chance to gain valuable insights and access resources from our experienced parent educators. Join us as we embark on this journey of discovery and growth together.

Early Childhood Special Education (ECSE)

ECSE provides opportunities for the growth and support of children and their families. Any child between birth and five years with a demonstrated developmental delay and who meets eligibility criteria can receive services.

If you have concerns about a child's development, please contact Help Me Grow at 1-866-693-GROW to make a connection for potential services.

Preschool Programs

We offer programming for 3 and 4-year-old children. These play-based learning opportunities help prepare children for success in kindergarten and beyond.

See page 4 for more information.

S.O.S. (Support on Site)

We want to share information with families even if you cannot attend an ECFE class. SOS will be out and about at various locations to provide information for families with young children.

Kids Together and Cardinal Kids Preschool

3-YEAR-OLDS

Age: Child must be 3 on or before 9/1/2024
All 3's classes are held at Jefferson Learning Center

Classes are half days, 2, 3 or 4 days per week. Transportation is the responsibility of the parents. **Kids Together 3's** is a nine-month program that gives children opportunities to play and learn in a classroom setting, focusing on developing social and emotional skills while learning in a fun and engaging classroom.

4-YEAR-OLDS

Age: Child must be 4 on or before 9/1/2024

All 4 year old children will be placed in their home school boundary unless there is a waitlist.

Kid's Together 4's and **Cardinal Kids Preschool** are nine-month programs that give children the opportunity to meet and play with other children while learning important pre-kindergarten school skills in a play-based classroom setting.

Kid's Together 4's is offered five days a week AM or four days a week PM sections.

Cardinal Kids is an all-day, everyday program.

EARLY CHILDHOOD SCREENING

Minnesota Law requires all children to be screened before school enrollment. Age 3 is the recommended age for this health and developmental screening. If your child is older than 3 and has not been screened, give us a call today!

3 reasons to screen at age 3:

1. Early screening can help set your child up for school success.
2. Any health or learning concerns can be found and help provided sooner.
3. Screening is free and can assist in uncovering any potential issues with your child's development.

Early Childhood Screening helps with:

1. Finding out how your child is doing.
2. Connecting you with early childhood programs.
3. Answering your parenting questions.

At your child's screening appointment, we will check your child's:

- Vision and hearing
- Growth and development
- Immunization and family health history

To start the process for your child, call 320-231-8490 or scan the QR code here!

Instructors: Mid-MN Total Defense

Mid-MN Total Defense is a family-oriented dojo with a well-rounded approach to self-defense, drawing from a variety of martial arts in a fun and uplifting environment. We strive to prepare our students in age appropriate ways for the challenges they may encounter in their everyday lives, such as bullying, harassment and physical confrontation. We utilize games, drills, and other tools to educate and train our minds and bodies to respond to these situations calmly and decisively. Parents are encouraged to train with their children for free. This does not include testing, uniforms, or equipment.

Youth In Government

Grades: 8-12

Instructor: Payton Sterkowitz

Youth in Government (YIG) offers an unparalleled opportunity for students in grades 8-12 to dive deep into the workings of government through an immersive four-day program. Participants will engage in focused discussions on current issues, partake in exciting social events and evening activities, and develop leadership skills through hands-on experiences. High school students can choose to serve as legislators, judges, attorneys, lobbyists, media representatives, or cabinet members, while 8th graders explore all areas through the Leadership Corps. The program culminates in a dynamic conference in early January, held at the Hilton Hotel in Minneapolis and the Minnesota State Capitol, where delegates from Minnesota and Western Wisconsin come together. Youth Enrichment - Driver's Education

How To Get Your Driver License (ages 15-17)

- **Classroom Instruction:** Students are eligible to register and attend the classroom portion of the training program. You must attend all 30 hours of the training to be eligible for the next step of training.
- **The Blue Card:** After completing 30 hours of classroom training, you will receive a certificate of completion that you must provide when registering for Behind the Wheel (BTW) instruction. You must be registered for a BTW program in order to receive the blue card.
- **Get Your Driving Permit:** Arrange for the permit test independently at a Minnesota Drivers and Vehicle Services location. You will need the blue card, appropriate ID, your social security number, corrective lenses (if needed), and payment for the permit test fee.
- **Schedule BTW:** After receiving your permit, schedule six hours of BTW training by notifying the Community Education office when you are ready to begin the training.
- **Complete BTW Instruction:** BTW consists of one instructor and one or two students in a school district vehicle. After completion of the required six hours, you will receive a white card necessary for the license test.
- **Practice:** You will need to practice driving for six months. Minnesota law requires a student to have a permit for six months and maintain a driving log. The driving log must be submitted at the time of the road test.
- **Road Test:** Schedule the road test at a Minnesota Driver and Vehicle Services location. Students must be 16 years old to take the road test. Bring your white card, proof of insurance, fee, permit, social security number, and corrective lenses (if needed).

Driver's Education: Behind the Wheel Training

Ages 15-17

Instructor: Todd Hagen

To register for Behind The Wheel (BTW) with Willmar Community Education, students must have successfully completed 30 hours of Driver's Education Classroom training. The Certificate of Completion from the classroom course must be provided at the Community Education office along with a \$300 fee in order to register and receive a blue card. A blue card is required for students to take the permit test at the Driver's License Exam Station.

We offer a driver training program approved by the State of Minnesota Department of Public Safety. Our instructor is a licensed school teacher with special certification in driver education from the state of Minnesota.

Once you receive a valid permit, please call 320-231-8492, ext. 6335 to schedule your six hours of BTW instruction. We strongly recommend students drive 5-10 hours with a parent/guardian before their first BTW driving session.

- BTW registration fee is non-refundable.
- BTW driving lessons must be completed within six months of receiving your blue card.
- Starting and ending location for driving lessons is at Jefferson Learning Center.
- Missed or cancelled driving lesson will incur a \$50 fee and require rescheduling that driving lesson.
- Unused BTW driving lessons are non-transferable.

We offer a driver training program approved by the State of Minnesota Department of Public Safety.

Lifeguard Training

Ages 15+

Instructor: Pamela Vruwink

Become certified in American Red Cross Lifeguarding, CPR/AED for Professional Rescuers, and First Aid-valid 2 years.

Attendance at all class sessions is mandatory. This is a blended learning class with approximately 7 hours of online course work required before the first day of in-person class.

Age Prerequisite: Be at least 15 years old on or before the final scheduled session of the course.

Skill Prerequisites:

- Complete a swim-tread-swim sequence without stopping to rest:
 - Jump into the water and totally submerge, resurface then swim 150 yards using the front crawl, breaststroke or a combination of both. (Swimming on the back or side is not permitted. Swim goggles are allowed)
 - Maintain position at the surface of the water for 2 minutes by treading water using only the legs
 - Swim 50 yards using the front crawl, breaststroke or a combination of both

- Complete a timed event within 1 minute, 40 seconds:
 - Starting in the water, swim 20 yards. (The face may be in or out of the water. Swim goggles are not allowed).
 - Submerge to a depth of 7-10 feet to retrieve a 10-pound object.
 - Return to the surface and swim 20 yards on the back to return to the starting point, holding the object at the surface with both hands and keeping the face out at or near the surface.
 - Exit the water without using a ladder or steps.

Participants need to bring swim gear (no bikini suits), towels, pen, highlighter, water bottle, lunch and snacks each session. You will be in and out of the pool throughout each class so extra dry swim suits and towels are helpful.

Minimum class size is five participants; course will be scheduled when minimum has been reached.

The Assassination of President John F. Kennedy: An In-Depth Analysis

Instructor: David Yorks

This course aims to analyze the disparities between the findings of the Warren Commission and the United States House of Representatives regarding the assassination of President Kennedy. The Warren Commission, which conducted a ten-month investigation and released its conclusions in September 1964, will be compared with the conclusions reached by the House of Representatives, which conducted a more extensive thirty-one-month investigation and published its report in March 1979.

Throughout the course, participants will have the opportunity to develop a comprehensive understanding of the controversies surrounding President Kennedy's assassination. The sessions are structured to provide ample time for participants to share their comments and pose questions, fostering a dynamic and engaging learning environment. There is no political agenda, and I am not promoting any products or services. This approach encourages a well-rounded exploration of the subject matter, allowing participants to delve into various perspectives and gain a deeper insight into the complexities surrounding this historical event.
