

**2024-2025 MoASBO Network Webinars
CPE Session Listing & Information**

CPE INFORMATION

Earn up to four (4) CPE credits for the webinars offered through the 2024-2025 MoASBO Network Webinars.

MoASBO is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors. State boards of accountancy have final authority on the acceptance of individual courses for CPE credit. Complaints regarding registered sponsors may be submitted to the National Registry of CPE Sponsors through its website: www.nasbaregistry.org.

COMPLAINT POLICY

For information regarding administrative policies such as refunds, cancellations and complaints, please contact MoASBO at 573-644-7900.

The instructional delivery method for webinars is Group Internet Based (GIB), basic program level. Each session completed earns one credit unless noted otherwise. No prerequisites or advance preparations are necessary for participation unless otherwise indicated. Visit the MoASBO website at www.moasbo.org for more information.

TO RECEIVE CPE CREDIT FOR DESIGNATED SESSIONS, PARTICIPANTS MUST:

- Be present for at least 50 minutes of the presentation
 - Verify attendance by participating in presentation poll questions used as the attendance monitoring mechanism during the session.
 - Electronic session evaluations will be solicited from participants following sessions. The evaluation will be available for two weeks following session completion.
 - The above requirements must be met for each session to earn CPE credit and/or documentation for each session.
- CPE certificates will be emailed within 60 days of the end of the Network series.

Sessions and schedule are subject to change.

Session Name	Session Description	Learning Objective #1	Learning Objective #2	Learning Objective #3	Session Speakers	Session Start	Session Location	CPE Field of Study
*Attracting and Retaining Employees by Helping with Student Loans	Exceptional educators are critical to the success of any school district. You can attract and retain more of them through educational programs designed to help them make smart financial decisions and feel more comfortable about the future. The average college graduate has more than \$35,000 in student loan debt, which affects daily life decisions and causes some educators to reconsider their career choice.	Explain how to eliminate or reduce monthly student loan payments.	Describe how the district can help attract and retain employees.	Identify current grants that will support the above actions.	Bernard Heffernon, President Equitable Financial Life Insurance Kevin Adams, Vice President Equitable Financial Life Insurance	November 19, 2024 10 a.m. - 11 a.m.	MoASBO Network Webinar	Personnel/Human Resources
*Ways to Integrate Policy Around Using AI for Employees and Students	The face of education looks different now a days for staff and students. Have you accounted for this evolution in your district? During this webinar, we will share data, relatable stories and actionable tips to implement policy around AI technology to empower professionals and students in the classroom.	Explain the impact of the new legislation around student privacy/safety.	Explain how AI can be used and the impact on you as a professional and in classroom development.	Create AI policy with responsibility outcomes.	Kevin Richmiller, Director of Technology Services Kirkwood School District Dr. Tammy Hasheider, Asst. Director of Technology Pattonville School District	January 23, 2025 10 a.m. - 11 a.m.	MoASBO Network Webinar	Information Technology
*The Future of Data Monitoring	In this webinar, learn how school business professionals can harness notifications and prevention to help prevent data breaches. We will explore practical examples, shedding light on: navigating complexity; strategic opportunities; resource-efficient monitoring.	Explain the major challenges involved in effectively preventing data breaches and steps needed to be insured.	Identify how to harness technology to help better protect your district.	Demonstrate the benefits of using AI to actively monitor and measure key metrics without placing undue burdens on your valuable resources.	Jason Rooks, Executive Director of Operations Parkway C-2 Ron Orr, Executive Director Missouri United School Insurance Council	February 6, 2025 10 a.m. - 11 a.m.	MoASBO Network Webinar	Information Technology
*Mental Well-Being: Working to Overcome Burnout	If you've felt that the pace of change has only accelerated since the onset of the pandemic in 2020, you are not alone. While changes during the pandemic were necessary to meet the needs of the moment, the reality is that school districts are still struggling with a variety of mental well-being issues not the least of which is burnout.	Explain the connection between mental well-being and workplace satisfaction and performance	Discuss key workplace contributors to educator mental well-being	Design a workplace well-being strategy for your district using the most effective best practices	Scott James, Vice President MarshMcLennan Agency Diane Andrea, Vice President MarshMcLennan Agency	March 5, 2025 10 a.m. - 11 a.m.	MoASBO Network Webinar	Personnel/Human Resources
