Foundation

Comprehensive School Counseling Program (CSCP) Mission Statement

The mission of Mayfield Elementary School’s Counseling Program is to help students create an anchor for life by connecting them, as well as families, schools and the community with the tools and resources for academic, social, emotional success, and college and career readiness.

Program Definition

Below are the defining elements of our CSCP:

Delivery

Princeton ISD Counselors are lead on delivering the school counseling program along with the principal, assistant principal, teachers, paraprofessionals, guest speakers and parents. This is collaboratively done for the success of the school counseling program.

Competencies

Student Competency: Students have a positive self-concept

- Become aware of their personal traits
- Become aware of the importance of liking themselves

Student Competency: Students utilize effective executive skills

- Become aware of the need to use time effectively
- Describe the steps in a goal-setting process

Student Competency: Students behave appropriately to the situation and environment

- Behave appropriately in various school settings
- Be able to follow rules and directions and complete task

Student Competency: Students incorporate wellness practices into daily living

- Describe feelings related to stress
- Identify healthy activities to do when alone

Student Competency: Students demonstrate resilience and positive coping skills

- Identify changes that have occurred in themselves
- Find strategies for feeling secure in a new class or school

Clients

On Princeton ISD Elementary School Campuses students are the primary focus. However, other clients that are served are parents and staff members.

Organizational Elements-

Princeton ISD Elementary Counselors focus on scheduling and planning prior to school starting. They track their time in the following program components: Guidance Curriculum, Individual Planning, Responsive Services and System Support. Princeton ISD counselors, teachers, parents and principals collaborate together to help create a fluid calendar.

Program Rationale

Below are the 6 statements that make up the rationale for our CSCP:

1. The comprehensive counseling program is an integral component of the school's academic mission. The comprehensive school counseling program, driven by student data, is based on standards in academic, career, and personal/social development, which promote and enhance the learning process for all students.
2. The school counseling program ensures equity and access to a comprehensive counseling program that is based on the TEA standards in academic, career, and personal/social development.
3. The comprehensive school counseling program is data-driven and provided by a state-credentialed school counselor who systematically delivers instruction to all students.
4. The rationale for the comprehensive counseling program can be determined by reviewing data, including but not limited to, needs assessment, behavior referrals, academic performance, and attendance.
5. Goals for the school counseling program include academic success, safety, acceptance, equity, empowerment, personal growth, and respect.
6. Current theories and professional trends of our school counseling program include Solution-Focused Brief Counseling, Play-Therapy, and Cognitive Behavior counseling, and other appropriate methods for school counselors.

Program Assumptions – see completed checklists in Texas Model Guide on page 56

Program Goals (highlighted) & Process

Needs Assessment Results: Improve Student Behavior, Increase Attendance, Assess Program Balance using Time Tracking

We reviewed the following data points:

- Behavior incidents
- Attendance reports

The following patterns will be evaluated in our data:

- Incident types
- Incidents by grade level
- Incidents by school year
- Attendance by nine weeks
- Types of absenteeism

We found the following areas of significance in our data points:

- During the 2023-2024 school year, Kindergarten students had an attendance percentage of 94.26%
- During the 2023-2024 school year, there were 162 behavior events.

The most significant needs identified in needs assessments were:

- Parent and teacher resources to best help support their children/students.

Advisory council input/insight to be incorporated into CSCP goals:

- We will share 2 CSCP goals at our leadership meeting to elicit revisions/additions
- TBD through discussions of student concerns at RTI meetings, counselor academy, and leadership meetings.

Program SMART Goals for the 2023-2024 School Year

1. By May 2025, the school counselor will work to decrease discipline referrals by 10%, going from 162 events to 146 events percent by providing individual, group, and whole-group guidance lessons.
2. By May 2025, the school counselor will work to increase first grade attendance by two percent going from 94.26% to 96.26% through attendance incentives and parent phone calls/meetings.
