## Using Mobile Devices for Online Registration

Registration using iOS and Android mobile devices, including cell phones and tablet computers, is user-friendly. This may also affect desktop computers, particularly when the screen size is reduced to less than 1000 pixels wide.

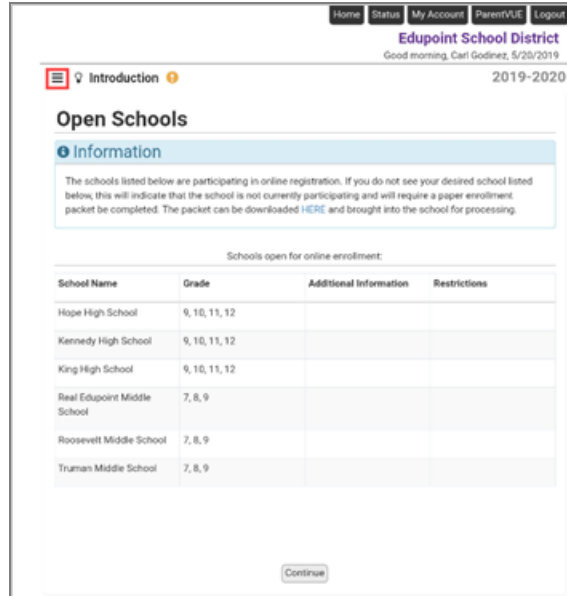

You must have the minimum versions for ParentVUE and StudentVUE applications.

- ParentVUE – Version 5.3.11
- StudentVUE – Version 5.3.12

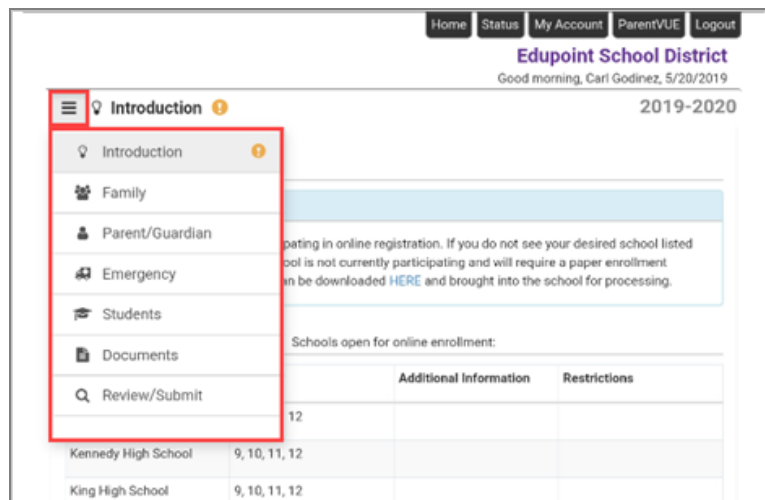

## OLR Menu Icon

When the screen width of a device is less than 1000 pixels, usually with mobile devices unless it is a tablet held in landscape mode, the OLR menu usually displayed on the left side of the screen is replaced with a three-bar icon on the top left of the screen. Tapping on the icon opens the menu.

Online Registration Home Screen

1. Log in to OLR.
2. Click .

Online Registration Home Screen

## Progress Bar

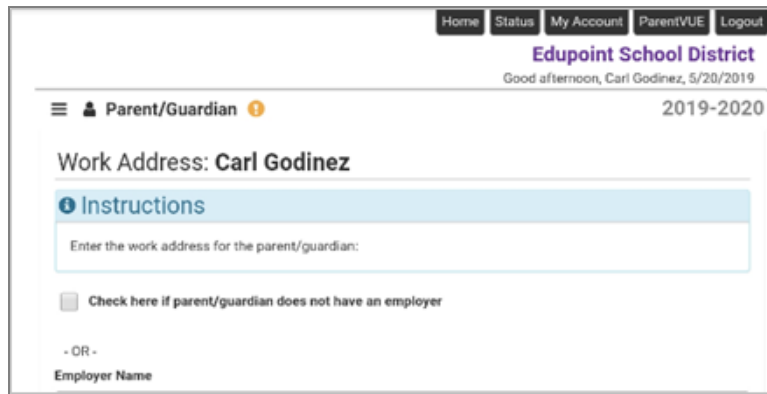

There is no progress bar shown at the top of the pages in OLR when the screen width of a device is less than 1000 pixels.

## Checking Application Status

After submitting the completed registration, your school district reviews your application information. Log in to ParentVUE and click the **Status** tab or click the **Status** button in Online Registration to view the status of the application.

Online Registration, Home Screen

Online Registration Screen, Status Tab

You can only review the registration data on the Status screen after submission. You can log in to Online Registration to modify or register additional children once the school district reviews and accepts all the registrations.

Previously denied registrations move to a **Waiting** status when the school retracts the denial.
