KINDERGARTEN

Dear Strawbridge Kindergartener & Family,

Welcome to Kindergarten! I am so excited that I get to be your teacher this year! We will spend time this year learning new math, reading and writing, social studies and science skills. We will also focus on social-emotional growth as we learn how to navigate feelings and be a good friend. This is going to be an academically rigorous year, but we will prioritize purposeful play, as well as character building, each and every day. I am so happy that we will have the opportunity to learn and grow together!

Below I have developed a list of supplies that will be helpful in ensuring a successful Kindergarten year. Please bring these items to our **Open House**. This open house will be a great opportunity for us to meet, for you to see our classroom, and to help alleviate any first day jitters! Please be sure to also send a **snack** and **water bottle** each day! We are going to have a great school year together! I hope you enjoy the rest of your summer! See you soon!

Love,
Miss Small
