Attendance

When a student is unable to attend school due to illness or other causes, parents/guardians are required to notify your child's homeroom teacher and school office by 7:50. Please note the parent name, student name, homeroom teacher, and reason for absence.

If a student needs to leave school during the day for a health-related appointment, please give your homeroom teacher and the school office advance notice of the appointment and time. This will allow staff to prepare for departure and missed schoolwork. Students shall be picked up at the office (Door 1). If someone other than a parent/guardian or person with permission (with a signed note on file at the office) is picking up the student, special directions to permit the child to leave must be received from the parent/guardian. No student shall be released to anyone other than a parent/guardian or other pre-approved person.

Please contact the office at 812-817-0900 Extension 2001 or holli.land@sedubois.k12.in.us

Doctor's notes are required for health-related appointments.

Students and parents are urged to schedule medical and dental appointments at times when school is not in session. When conflict with school hours cannot be avoided, the principal may grant an excused absence. Excused medical and dental absences **must be verified in writing** by the doctor or dentist's office.

An absence will be considered EXCUSED if any of the following criteria are met:

- **A parent phone call or email notifying the school of illness. Parents/Guardians are permitted 10 call-ins for illness before needing a medical professional's written authorization.**
- The student has authorization in writing from a licensed person in the legal or medical profession.
- There is a death in the immediate family.
- There is a special situation as determined by the principal: school-sponsored trips, special awards/recognition, etc.
- Any absence that is excused per Indiana Code 20-33-2

If the school does not receive a call, a phone call will be made to inquire and confirm the need to be absent. If the cause for the absence is within the above-mentioned regulations, the student may be given an excused absence. Once a student is reported as a habitual truant, all future absences must be certified by a legal or medical professional.

Make-up work will be required for any absence. A student will be given one (1) day for each excused day missed to complete the make-up work and receive credit for it. If the make-up work is not completed in the allowed time, the student shall not receive credit for such work.

VACATIONS AND DAYS AWAY FROM SCHOOL

A special excused absence may be granted for a student going on a trip. The principal must approve these absences before the date of absence. If it is not pre-approved, it is considered unexcused. Students going on a trip may be excused upon meeting the following conditions:

- The student will be absent no more than (5) five school days.
- The student will be accompanied on the trip by a parent or legal guardian.
- The parent/guardian will have all academic work planned with their child's teacher and will have the child complete the work and turn it in upon returning to school.
- The student must make up any additional work missed within three days of return.

Dubois Circuit Court and Project Attend

In partnership with Dubois County Circuit Court, Project Attend is a program designed to reduce absenteeism in local schools. The Project Attend case committee overseeing each individual referral is made up of the juvenile probation officer representing the juvenile court, the referring school principal, the Indiana Department of Child Services, the Prosecuting Attorney's Office for the State of Indiana, a school representative (guidance counselor and/or teacher), and/or any other person who has any interest in the student's attendance in school may also participate.

Step 1: Three Unexcused Absences

- A phone call to parents/guardians will be made with the date and time of the phone call documented.
- A copy of the school attendance policy via registered mail will be sent.
- The student's name will be placed on the Attendance Officer's watch list

Step 2: Five Unexcused Absences

- 2.5 hours - 4 hours = half-day absence
- Anything over 4 hours = full-day absence

Behavior Expectations

Bus Behavior: Students who ride a SED school bus are reminded of safety and behavior expectations.

- Students should remain seated while the bus is in motion.
- Students should face forward.
- Students should keep their body parts and belongings to themselves--no touching others.
- Voice levels should remain normal, with no screaming or yelling.
- There should be no foul language or inappropriate hand gestures.
- No food or drinks, with the exception of water bottles, are allowed.
- All school rules apply.

Riding a school bus is a privilege, not a requirement of SED. To ensure continuous safety, please make sure that your student(s) is/are aware of and are adhering to the rules. Students who do not follow these rules will receive school consequences and may be removed from the bus. If a child is removed from the bus due to behavior, it will be the responsibility of the parent to transport the student to school. Removal from the school bus is not an excuse to miss school.

Classroom Behavior

Each teacher will develop a set of norms to follow while in that classroom. These norms will vary due to teaching styles and techniques. In addition, norms will be established for student behavior outside the regular classroom (hallways, gym, cafeteria, recess, etc.).

Positive student behavior, attitude, and work ethic are expected and shall be acknowledged regularly.

School Safety

Weapons of any kind are prohibited on school property, buses, or at any school-related activity.
(This includes pocket knives.)

2. Use, possess, or provide to any person anything used or designed to be used primarily for the storage, possession, delivery, or consumption of alcohol, marijuana, stimulants, intoxicants, narcotics, depressants, hallucinogens, prescription medicines, whether on school premises at any time, or any school-sponsored activity at any location, including the school bus.

This policy may be applied regardless of the physical location in which the bullying behavior occurred, whenever the individual committing the bullying behavior and any of the intended targets of the bullying behavior are students attending a school within our school corporation and disciplinary action is reasonably necessary to avoid substantial interference with school discipline or prevent an unreasonable threat to the rights of others for a safe and peaceful learning environment. Southeast Dubois School Corporation prohibits bullying through the use of data or computer software that is accessed through any computer, computer system, or computer network.

Reporting. Anyone who believes that a student has possibly been or is the victim of bullying is encouraged to immediately report the situation to an appropriate staff member. All staff members who observe or receive a report of suspected bullying shall immediately notify the principal and school social worker. Any person who makes a report of bullying and requests to remain anonymous will not be personally identified as the reporter or complainant to the extent permitted by law. School administration will act appropriately to discipline staff members who fail to initiate or conduct an investigation for a bullying incident and for the person who falsely reports an incident of bullying.

Students may report concerns of possible bullying in person, in writing, or by electronic means. However, specific details must be provided to allow for investigation. Students are encouraged to include their names in the report and to request confidentiality so that follow-up questions can be asked by the school administration. [Click here to submit an online report.](#)

IF YOU SEE SOMETHING, SAY SOMETHING!

Threats

Upon notice of threats, if determined appropriate by school staff, parents of all students directly involved shall be informed. State law requires that all threats made to/against staff members are to be reported to local law enforcement agencies.

Searching lockers, backpacks, purses, persons, etc.

Upon a reasonable suspicion that a student

- Violated or is violating a school rule or behavioral norm contained in the student handbook
- Has violated or is violating a particular law
- Possesses an item or substance that presents an immediate danger of physical harm or illness to students and staff or corporation property

The principal or designee may search lockers or other storage areas for student use (i.e. desks, backpacks), vehicles (i.e. bikes, cars of visiting students), and/or persons (i.e. the student's pockets, purses).

Cameras

Security cameras are positioned at various locations inside and outside the school building. Video may be used by the administration to aid in resolving discipline and safety concerns. Due to the confidentiality of other students, parents may not view the camera footage.

Cafe Services

Southeast Dubois School Corporation participates in the National School Lunch Program. Menus shall be published. Prices are noted on the General Information Sheet during online registration. Free and reduced-price meals are available based on financial need. Applications for Free and Reduced lunches are available during online registration. If a family has students attending more than one corporation school, only one form is required to be completed. Information about a student's participation is confidential. Families who are unsure if they qualify should apply. For more information, please see <https://www.sedubois.k12.in.us/rangercafe>.

Parent/Teacher Conferences

Parent/Teacher Conferences will be offered on October 3 and 5 from 4:00-7:30 PM for all students. Please check the newsletter and your email for scheduling updates.

Parent/Guardian Questions/Concerns

Parents and guardians, please reach out to your child's homeroom teacher with any questions or concerns. Teachers have voicemail, however, they are unavailable most of the school day to respond to a phone call. The best form of communication is email. We will make every effort to return communication promptly. Parents are encouraged to contact the school directly instead of making social media posts regarding school concerns.

Student Use of Phones

The use of school telephones by students is limited to emergency calls and school business calls only. Calls for forgotten homework, transportation changes, and permission to attend functions will be discouraged. These matters should be taken care of in advance. **Smartwatches are prohibited. If a student brings a cell phone for after-school use, the phone must be turned off and left in the backpack.** Violations will result in cell phones and/or other devices being confiscated and sent to the office. **Parents will be required to collect cell phones and electronic devices from the office.**

Custodial/Non-Custodial Information

Please make the principal aware of any legal custody agreement that pertains to your student. Communications must include copies of the court order, restraining order, divorce decree, or any other court document. It is the responsibility of the custodial parent to inform the principal of all pertinent information, special concerns, and restrictions concerning child custody matters. The principal must be informed of all updates and changes that impact the child and the function of the school as they occur.

Federal and State Law automatically provides that non-custodial parents have unlimited access to all records and information concerning the education of their child unless those rights are specifically taken away and documentation of such is provided to the school.

Dress Code

Modes of grooming and styles of attire that detract from an appropriate educational environment will not be permitted. Students, in their dress and grooming, must recognize the necessity for health, safety, cleanliness, and modesty at all times. The building administration shall determine what is appropriate. A student may be sent home to correct inappropriate dress or grooming. Students may also be instructed to wear clothing provided by the office for a given day. Students can be disciplined for offenses, especially repeated offenses. In general, students should always avoid extremes. The basic responsibility for appropriate dress must rest with the student and his/her parents.

Guidelines:

1. Students shall wear all items of clothing in the manner for which it was intended or designed.
 - Pants may NOT have holes above the knees.
 - Pants and shorts must be worn at waist level (no sagging) and shall have proper belting to hold them at the waist position.
 - Pants shall not drag on the floor.
2. The wearing of any apparel that has writing, printing, symbols, or graphics that are judged to be offensive, immoral, vulgar, lewd, inappropriately suggestive, and/or implies sex, drugs, alcohol, tobacco, violence, or other subjects disruptive to the normal school environment is prohibited.
3. All shirts must have a capped sleeve and must extend past the waist.
4. Students are expected to wear shoes that are safe and appropriate. On P.E. days, athletic shoes are required.
5. Shorts are permitted in warmer weather. The length of the shorts must extend below mid-thigh.
6. Any attire that distracts from the educational environment is prohibited.
7. Hats may not be worn in the school building. Appropriate hats may only be worn on the playground and during specially-declared days.

Student Health

Medications

The school office must be notified of any medication a student is to have administered during the school day. If a child is required to have medication administered during the school day, and a parent cannot be at school to administer the medication, the nurse, principal, teacher, or school employee designated by the principal may administer the medication in compliance with the following:

1. The school office must receive written consent signed by the parent/guardian. If the medication is a prescription medication, instructions must also be received from the physician. The consent must include the following:
 - date of consent

- child's name
 - name of medication
 - time(s) and day(s) medication is to be administered
 - dosage
 - The termination date for administering medication
2. **All medications must be turned into the office.** The exception to this policy is permitted if the medication is for an acute medical condition and can be self-administered. (Written permission from parent or doctor is required.) All medication must be in its original container. Medications include prescriptions and non-prescriptions such as Tylenol, aspirin, cough syrup, lotions, ointments, cough drops, etc. Medicines stored at school may not be transported to school or sent home with students below grade 9. Parents must make arrangements for the delivery and pick up of medications. Medications shall not be transported to or from school by students.

Parents of students are responsible for informing the school office of any changes in the student's health or changes in medication.

The school retains the discretion to reject requests for the administration of medicine. (The above policy and guidelines are according to I.C. 34-4-6.6-3.5.)

Notification of Medicaid Billing

Annual Written Notification

Accessing Public Benefits & Releasing Personally Identifiable Information to the Medicaid Program

The federal special education law, the Individuals with Disabilities Education Improvement Act 2004 (IDEA), specifies each State's obligation to develop agreements with non-educational public agencies to ensure that all services necessary to provide a free appropriate public education (FAPE) are provided to children with disabilities at no cost to the parent. This includes the State Medicaid agency. School districts are permitted to seek payment from public insurance programs (Medicaid) for some services provided at school.

Under the Family Education Rights and Privacy Act (FERPA), your consent is required for the school system to release information about your child to the Indiana Medicaid program in order to access your or your child's public benefits. You are entitled to have a copy of any information the school system releases to the state Medicaid program.

If you have previously given consent for Southeast Dubois County School Corporation to access your or your child's public benefits and to release information needed to access Medicaid funding for services provided through your child's individualized education program (IEP), the school district may release:

- Your child's name and Social Security Number;
- Your child's date of birth;
- Your child's IEP documentation including evaluations;
- The dates and times services are provided to your child at school;
- Reports of your child's progress, including therapist notes, progress notes and report cards.

Your child will continue to receive all required IEP services at no cost to you. Reimbursed services provided by the Southeast Dubois County School Corporation or Exceptional Children's Co-op does not limit coverage, change eligibility, affect benefits, or count against visit or funding limits in Medicaid programs in which your child is enrolled.

You may revoke your consent at any time. Revoking your parental consent does not change the school district's responsibility to provide all required IEP services at no cost.

You may ask questions about this program or revoke your consent at any time by contacting the Director of Special Education at Exceptional Children's Co-op.

Method of Delivery: Mailed to parent(s)\guardian(s) with progress monitoring reports.

Lockers

All students shall be assigned a locker in the main corridors of the school. Students may use their lockers to store educational materials, coats, jackets, etc. The lockers do not have locks and personal locks may not be used. Students are not to store personal items of value in their assigned lockers. **Students are not to store opened drinks or food in their lockers.** If students open lockers that are not theirs, consequences will be given.

The lockers are the property of the school and are subject to inspection without notice.

Media

On occasion, newspapers, radio stations, etc. contact us for article information (e.g. Academic Team results). Student names, parent names, and pictures will be given for stories. **YOU MAY TELL US NOT TO ALLOW THIS.** Please do so in writing and send it to the school office.

Parent Involvement

A key part of a successful school is the positive involvement and support of parents. The school will inform parents of school news regularly in the weekly newsletter. Parents are encouraged to openly discuss school activities with their children and inquire about academic progress regularly.

The following are programs specifically designed to involve parents in our school.

PTO Organization

All parents are automatically considered members of the Parent-Teacher Organization and are invited and encouraged to participate in school activities. A representative group of parents meets with the principal periodically. Names of the PTO Advisory Board are published in the school newsletter.

Volunteers

There are several volunteer opportunities at Cedar Crest Intermediate School. Information will go out periodically in the weekly school newsletter. Please be sure to have an updated background check on file with Southeast Dubois School Corporation to ensure your ability to volunteer if you should decide to do so.

Guidelines

- Be punctual (give advance notice if unable to be present as scheduled).
- Know and observe school safety rules.
- Dress appropriately.
- Treat all students fairly and with respect.
- Participate as guided by the teacher, principal, or other assigned staff member.
- Be positive. If unsure or concerned about something at school, discuss it with the principal.

Criminal History Checks are required of all volunteers. This process can be done by going to the "Employment" tab on our SEDubois website. Look for the "SEDCSC Background Check – Volunteer" link.

Weather Delays/Cancellations/Early Dismissals

School delays, cancellations, or early dismissals due to weather conditions will be communicated through School Messenger, local radio stations WITZ, WBDC, or their affiliates, and TV Channel 25 by 6:45 A.M. Please do not call the school, the Principal, or the Superintendent for cancellation information.
