Academics and Grading

Full Board Policy can be found using the link: [District Policy Board Doc](#)

Grading Scale

Students will receive only numeric grades on report cards for each course taken. Transcripts will include a legend showing the grading scale. College admissions officers re-compute averages and can easily make the conversion using the legend provided.

A (90-100) B (80-89) C (70-79) FAILING (0-69)

Certain Courses Carry More Weight

Advanced Placement, International Baccalaureate, Honors, and dual enrollment post-secondary option courses will receive an additional seven points to their final passing grade. The seven additional points will be reflected on grade reports only, and not used in the computation of cumulative averages. These additional quality points are often removed by colleges and state agencies when calculating GPA. Students and their parents should familiarize themselves with how colleges, scholarship committees, and government institutions calculate GPA's.

Grade Reporting

Progress reports can be viewed through Infinite Campus every 4.5 weeks. A year end grade report will be issued at the end of the year. Credits will be earned at the end of each semester. After the fourth week of any semester and until final exams begin, parents are encouraged to use Infinite Campus Parent & Student portal to check their child's progress. Counselors and teachers are available by appointment to discuss with parents the placement and progress of a student. The student transcript reflects all courses attempted in high school as well as grades, credit received, and cumulative numeric average. Final grades are received in each course at the end of each semester and are permanent on the transcript.

Parent Grade/Classroom Performance Inquiries

If a parent has an inquiry regarding any class work of their student, the following steps should be followed:

- The request should first be made to the teacher. (Teacher email addresses may be obtained on the school website or by calling the front office.)
- After an email correspondence or telephone call to the teacher, a parent-teacher conference may be necessary. The teacher will confirm those meetings directly with the parents. Parent appointments cannot be promised on the day of the inquiry, but all will work together to find a mutually agreed upon time.
- After meeting directly with the teacher concerned, if questions remain, the parent should correspond with the department chairperson.
- If further assistance is needed following all steps outlined above, the parent may inquire to the counselor and/or the assigned assistant principal.

Grading Assignments, Assessments, and Tasks

All assignments, assessments, and/or tasks should be aligned to domains, standards, learning targets, or a set of standards to be used in calculating a student's grade.

Report Cards and Progress Reports

All schools will provide students and parents/guardians with a progress report that measures their academic progress on a 4.5-week basis throughout the school year. This can be done electronically or by sending a paper copy home.

At the end of each semester, students will be issued a formal report card to represent the student's final semester average.

At each 9-week reporting period, students' grades should reflect the following grade minimums:

- All students in grades K-12 will receive, at a minimum, eight grades per subject within 9 weeks.
 - Assignments, assessments, and/or tasks should be aligned to the prioritized and supporting standards for the course. AP or IB will follow those set of standards for that course.
 - Multiple practice opportunities should be provided to students before and after assessments to ensure student mastery.
 - At a minimum, two grades should be major
 - At a minimum, three grades should be minor
 - At a minimum, three grades should be practice

Grading Weights - High School (9-12)

- Majors: 55%
- Minors: 35%
- Practice: 10%

In accordance with State Board Rule, students taking an End-of-Course (EOC) assessment, must have the EOC count as a weighted percentage of the student's total grade as specified by [State Board Rule](#). If the state continues to use the 20% weight, the 2nd-semester of the course should reflect the following grade weights subject to State Board Rule. See the Final Exams section for more information.

EOC Courses 2nd semester

- EOC:20%
- Majors: 40%
- Minors: 30%
- Practice: 10%

Non-Academic Skills

Non-Academic Skills- Feedback provided to students and/or parents/ guardians in areas beyond academic mastery.

Non-academic skills will be reported in a separate section from academic performance. Feedback will be given to students and parents/guardians every 9 weeks on the progress report/report card for K-12 students.

Fulton County Schools will use the following key to report non-academic skills critical to student success.

- Consistently demonstrates
 - Often demonstrates
 - Sometimes demonstrates
 - Rarely demonstrates
-
- Self-Direction: The student follows directions and procedures, sustains attention during class, and/or resists distractions.
 - Collaboration: The student works well with others, asks for help when needs it, and/or shares ideas.
 - Problem Solving: The student can describe a problem, finds more than one way to solve a problem, and/or is aware that all actions have outcomes.
 - Work Habits: The student comes prepared for class, manages time and materials, and/or stays on task.

Final Exams

The district will not require the administration of a final exam or midterm in any course or grade level except when a course includes a state-mandated end-of-course test. Final exams and/or midterms, if administered, can only count as one of the major assessments of the course and cannot have a separate weight. When a course includes a state-mandated, end-of-course test, the student's grade in the 2nd semester of that course will reflect the required percentage weight for that assessment based on State Board Rule in a separate category.

Recovery

Recovery: Administered throughout a unit to students who have failed to demonstrate mastery of the standards. Recovery should cover the standards that the student has not mastered.

Teachers should provide opportunities for each student K-12 to continue learning material that has not yet been mastered even if the student's grade is not replaced.

- Students in K-12 should be afforded the opportunity to recover all major assessments if they score below a 75% on the assessment.
- Students are limited to one recovery attempt per major assessment that meets the threshold for recovery.
- Recovery of a major assessment should occur before the next major is given.
- Students are eligible to earn a replacement grade on a recovery that is no higher than 75%.
- If a student's recovery is below the original score, the original score should stand in the grade book.

- Before recovery, the teacher should work with the student to complete missing work and/or ensure delivery of the content through reteaching and relearning.
- The original score should be noted in the comment section of the grade book if a student recovers a major assessment.

Missing/Late Work

- Schools and teachers will make a good faith effort to have structures in place to clear late/missing assignments before grades are impacted.
- When a student has missed instruction, the teacher should work with the student to ensure the delivery of content before the student is assessed.
- Should there be an extenuating circumstance for a prolonged absence and/or missing assignments/assessments and/or tasks, the teacher and student will create an appropriate plan to deliver content and assess student learning.

Student Misses Work Due to Absence (Excused/Unexcused)

- Upon return to school, students will have an equal number of days as they were absent to complete any late/missing assignment, assessment, and/or task(s) for full credit.
- After the deadline of an equal number of days a student was absent, teachers may begin deducting points from a late/missing assignment, assessment, and/or task(s) (maximum 20% deduction).
- If a student fails to turn in a late/missing assignment, assessment, and/or task(s), then a zero may be entered in the grade book.

Student Present but Fails to Turn in Assignment, Assessment, and/or Task(s)

- Teachers may begin deducting points from a late/missing assignment, assessment, and/or task(s) (maximum 20% deduction).
- If a student fails to turn in a late/missing assignment, assessment, and/or task(s), then a zero may be entered in the grade book.

Attendance

[Board Policy JBD](#)

For students in Fulton County Schools to learn and achieve, it is critical that they attend and engage in the learning process. Student absences impact a child's ability to succeed.

The Board supports enforcement of Georgia's Compulsory School Attendance Law which makes school attendance the responsibility of the parent and the student. Parents should avoid scheduling or arranging activities that require absences during the school day due to the detrimental impact on the student's access to, and progress in, their educational program. Any child in the state of Georgia subject to compulsory attendance who during the school calendar year has more than five (5) days of unexcused absences is considered truant (Georgia State Board

of Education Rule 160-5-1-.10). Board Policy JD, Student Discipline, outlines consequences for failure to comply with this law.

Student ID Badges

Students should always carry their Centennial ID badges with them. Students should be prepared to show these ID badges upon request.

Check in / Check out Procedures

Students are required to Check In/Check Out through the attendance office whenever they arrive late or leave school early. The attendance office window opens at 8:00 a.m. and closes at 3:10 p.m. daily. Students must bring a parent-signed check-out note to the attendance window **prior to 8:15 a.m.** on the day of check-out. The Attendance Clerk will issue a check-out pass to the student stating when the student is authorized to leave campus. This pass must be presented to the teacher to be released from class.

Students are required to remain on campus at all times during school hours. Failure to checkout through the attendance office will result in disciplinary actions.

To be considered “in attendance” for a school day, a student must be present for at least three complete class periods. Students leaving school before meeting that requirement will be considered absent for the day.

A reminder that all adults asking to check a student out of school must have a valid, government issued, picture identification. Any adult checking a student out of school must be previously identified on the school’s Student Information System as an emergency contact.

SPECIAL NOTE: On all days immediately preceding a school holiday, a parent/guardian must come in person to the attendance window to check out any student. The check-out note should still be sent with the student that morning.

Excused Absences – A hold harmless absence that has been documented, and relates to one of the following circumstances in accordance with State Board of Education Rule 160-5-1.10 and Georgia State Code, O.C.G.A. 20-2-690.1:

- Personal illness or when attendance in school would be detrimental to the health of the student or others
- A serious illness in the student’s immediate family necessitating absence from school
- A death in the student’s family necessitating absence from school
- Observance of religious holidays necessitating absence from school
- Compliance with a court order or an order issued by a governmental agency mandating an absence from school
- Visitation with an immediate family member who is on leave from or is being deployed to military service

- Important family events/celebrations for an immediate family member (graduation, wedding, religious ceremony, etc.)
- Compliance with an order for a pre-induction physical examination for service in the armed forces
- An absence for registering to vote or participating as an active voter in a local, state, or federal election
- A verified interview for college admission or a documented college visit
- A specialized, supplemental, or extracurricular program/event
- Other absences pre-approved by the principal

Unexcused Absence – Any absence not accompanied with a note or documentation or any absence that does not relate to the circumstances listed above is considered unexcused. The following non-exhaustive list includes examples of unexcused absences

- Bad weather
- Missing the school bus
- Car trouble
- Shopping
- Babysitting
- Oversleeping

In-School Suspension (ISS) – the removal of a student from his/her class for at least half of a school day by the principal or a designee and assignment to a location supervised by appropriate personnel in another room on the school premises.

Out-of-School Suspension (OSS) – the removal of a student from his/her school for at least half of a school day by the principal or a designee and assignment to the student's home/residence.

- Students who are assigned a suspension/expulsion for twenty (20) school days or less who are not participating in the alternative education program are permitted to make-up their work pursuant to the provisions of this policy.

Documentation and Thresholds

Documenting illness or the illness of family members:

- After 3 consecutive absences, late arrivals, or early checkouts a doctor's note will be required
- After 7 cumulative absences and/or 10 cumulative late arrivals or early checkouts, a doctor's note will be required for any subsequent illness-related absences, late arrivals or early checkouts.
- If there is an on-going medical circumstance that requires a student to be absent, late, or checkout early from school frequently or intermittently, a doctor's note will be required to address medical concerns and need for absences
- In the event of a serious illness in the student's immediate family, schools may require students to present medical documentation regarding the family member upon return to school for validating the excused absence, tardy, or early checkout

Excused Absence Allowances for a death in the family:

- Four days for immediate family (parent, sibling, grandparent, or anyone else living in the student's household)
- Two days for non-immediate family (any family member not included in the definition of immediate family)

Documentation Requirements

Documentation for any absence type must be provided within five days of returning to school for an absence to be excused. Parents and/or guardians may send an email or handwritten note to the school to document a student absence. If needed, the principal or designee will verify the email address and the credibility of the email. The following must be included in all documentation:

- Student Name
- Student FCS ID Number (lunch number)
- Parent/Guardian Name
- Parent/Guardian Email & Phone Number

Any student who accumulates seven or more days in a given school year for any reason, will be required to provide additional documentation (doctor's note, court order, etc.) for any subsequent absence, whether that absence be excused or unexcused. This excludes days accumulated during an Assigned Remote designation.

Student attendance records shall be corrected from unexcused to excused after proper documentation is provided.

Family Events and Pre-Approved Absences

Students/families must formally request for students to be absent for family events or other pre-approved absences. These requests should be made five school days in advance of the absence. Schools should create their own procedures to collect and approve requests for absences related to family events and/or other pre-approved absences. Only the principal or assistant principal(s) can approve these absence requests.

Before approving these requests, school administration should consider the student's complete attendance record including excused, unexcused, disciplinary, or other absence types. The school administration should also consider the student's academic standing before approving these absences.

Remote Learning Days

Participated Remotely: This is an option that allows students to be counted as present even though they are not physically at school for up to 5 days each semester. All requests for Participated Remotely **requires advance notice** by sending an email to the attendance clerk.

To be counted as present for each Participated Remotely day, students **must complete assignments within 48 hours of the absence**. Failure to complete these requirements will result in an unexcused absence. Any required work that is missed during the day must be completed within 48 hours of the students' return.

Please know that students **will not** be able to participate in any live instruction on these days as we do not provide simultaneous instruction.

Virtual Classes / Reduced Schedule/Dual Enrollment

Students with senior reduced day, off-campus dual enrollment, and/or virtual classes off-campus either at the beginning or end of their school day should adhere to that schedule. Students should always carry their ID badges with them. Students should be prepared to show these ID badges upon request.

For students taking virtual courses during the middle of the school day on-campus, there is an attendance requirement. Students are required to report to the Virtual Lab (room H03) for the entire semester unless an official schedule change is made and provided by the counseling office.

It is the responsibility of the student and parent to keep up with course absences in Infinite Campus.

Lunch Periods

Centennial has 3 lunch rotations during 4th period. Lunches are done by content areas. Students may dine together in the cafeteria or in the outdoor dining area (weather permitting). However, ***all other areas of the building and campus*** - including academic halls, the gym, parking lots, hallways, and athletic facilities - are considered unauthorized areas during lunch.

Students are not allowed to order and/or purchase food from outside vendors during the school day. Parents/guardians may drop off food for their students, however outside food that is delivered through delivery services for students MAY be confiscated and returned at the end of the day. Parents are asked to avoid the delivery or drop-off of food items to students during the school day. Lunchtime guests (including parents) are not allowed. Former students may not sign in to visit anyone and should not be on campus without administrative approval.

Cell Phone / Personal Communication Device Policy

Cell phones (and/or Personal Communication Device) use must not disrupt the educational process or violate Board policies. Cell phones and/or personal communication devices are not permitted to be out or in use from the start of each class to the end of each class unless express permission has been granted by the teacher. Inappropriate cell phone usage will result in disciplinary consequences, including confiscation of cell phone by school administration. Students may use school telephones with permission from school personnel. Cell phones, headphones, earbuds, and electronic devices must be turned off and not visible during safety drills.

Rule 18.f - *Prohibited Use of Personal Communication Devices (PCD) During School Day*
Possession of Personal Communication Devices (PCD) (e.g., cell phones, tablets, recording devices) by a student at school during school hours is a privilege that will be forfeited if a student fails to abide by the Student Code of Conduct. The use of PCDs during the school day is not allowed in grades Pre-K through 5. In grades 6 through 12, the use of PCDs is not allowed during instructional time and will only be allowed when explicitly instructed to do so by a teacher or other school staff member. ***Please Note: If a student violates this rule which leads to the student's personal communication device being confiscated by school personnel, it will only be released to the parent or guardian who must come to the school to personally retrieve the device.

Rule 18.g - *Inappropriate Recording and Distribution Using Personal Communication Devices (PCD)*

The use of cell phones and other PCDs for noneducational purposes, including but not limited to, recording staff and/or students without permission or other inappropriate content is strictly prohibited. Consequences for doing so may result in up to a 10 Day suspension and a referral for a discipline hearing with a recommendation for long term suspension. ***Please Note: If a student violates this rule which leads to the student's personal communication device being confiscated by school personnel, it will only be released to the parent or guardian who must come to the school to personally retrieve the device.***

Clinic / Student Health

The clinic is staffed during school hours and is located in the Assistant Principals' office suite. Students must obtain a written pass from his/her teacher before reporting to the clinic. **All prescription medication, along with signed parental consent forms, must be left with the clinic during the school day. All medications must be in the original labeled container.** The clinic does not supply over-the-counter medications.

Student Health Services requires that students who are sick, contagious and/or have a fever greater than 100.4 must not be sent to school. In order to return to school, a student should be fever free for at least 24 hours. If a student becomes ill at school, the student must report to the clinic immediately. In the event a student runs a fever, has a potential contagious illness or a more serious health problem while at school, the parent will be notified to pick up his child immediately. We will not allow a student to drive him or herself home if the student does not seem able to do so safely. A note may be needed from a doctor in order for a child to return to school. It is the parent's responsibility to keep the student's health and contact information updated.

Friends/relatives should be listed as emergency contacts for students when parents cannot be reached. This is extremely important if parents are unable to pick up their children in an emergency. It is best for students to take medication at home, before or after school.

Clubs and Organizations

Find your place at Centennial! Clubs and student organizations expose students to a multitude of ideas and philosophies that promote stronger academics, build leadership qualities, create ties to the community, and encourage service. Clubs and organizations are designed to complement the academic mission and vision of the school. Soon after school starts each year, Centennial will host a club fair at lunch. Attend the club fair if interested in joining a club. A complete list of clubs and student activities can be found on Centennial's website at <https://centennial.fultonschools.org/activities/school-clubs>. Because Centennial provides a list of clubs to parents and families, it is the parent's responsibility to provide a request in writing to the school administration if their child is not permitted to participate in any and/or all clubs.

Dances/Athletics/School Social Events

Throughout the school year, Centennial High School may hold dances (Homecoming and Prom) and other social events. The purposes of these events are to allow students to socialize and enjoy themselves in a safe and monitored environment.

- Parents are responsible for their students before arriving at a dance or event and after they leave.
- The school is not responsible for lost articles.
- Students leaving a dance/event before it is over may not return.
- Please remember that all school rules apply to dances and after school student events. The possession, use, sale, or distribution of drugs and alcohol at a dance will also be referred to local law enforcement.

Students who wish to bring a non-Centennial student to a dance or Prom must obtain permission in advance. The forms are available in the AP Office and require the signature of an administrator at the school where the guest student currently attends.

People aged 21 or over, who are not Centennial students, are not allowed to attend school dances or the Prom.

Devices: 1 to 1 technology and the Internet

Please refer to the District Board Policies for a comprehensive look at all operational guidelines for Fulton County Devices.

[IFBGA Board Policy](#)

[IFBGA Operating Guidelines](#)

Devices

Centennial students are assigned a school-issued device from and are expected to use this device in the classroom setting and for school purposes. Students must carry their issued device daily.

Personal laptops and computer systems are not needed and should remain at home for reasons, which include (but are not limited to) that personal devices cannot: consistently access our test and assessment platforms, be monitored through our district's computer monitoring software, be supported by or protected by school staff members / school system.

Students may additionally choose to bring their own device to school so long as they follow the terms and conditions of acceptable Network and Internet use outlined below. For a student to receive a device from the school both the student and their parent/guardian must sign a Fulton County Device User Agreement (sent out by the school for electronic signature). Devices must be returned to the school at the end of the school year if required. The use of devices provided by Fulton County Schools is not transferable to anyone and terminates when a student is no longer enrolled at the issuing school. Students must pay for the device and any ancillary issued accessories if the device is lost, stolen or damaged. Students who misuse or are irresponsible with a district-issued technology will be subject to disciplinary and/or legal action and they may also have the privilege of being issued an FCS device revoked. Please refer to the Device User Agreement, the Code of Conduct, and an Administrator for further questions or concerns.

Acceptable Use Policy for Network and Internet Access

The Internet is an electronic communications network that connects computer networks and organizational computer facilities around the world. The computers communicate with the same protocol and have an established Internet address. Selection of Internet resources is decided by the end user. The user carries the responsibility of selecting appropriate items to view. This policy describes user behavior and identifies prohibited actions.

Security is a high priority. Notify the System Administrator of any breach in security. Attempts to log in as the System Administrator will result in immediate termination of user privileges.

Vandalism will result in immediate termination of privileges; disciplinary action will be taken and may result in school suspension.

Vandalism is defined as any malicious attempt to harm or destroy computerized data of another user, data stored on school servers, computer hardware, or other networks connected to the system. This includes the uploading of computer viruses. Any user identified as a security risk or having a history of problems with other computer systems may be denied access to the EN. **Violation of this policy constitutes a major disciplinary infraction.**

Conditions of Use and Account Management

Students who access the electronic network agree to abide by the restrictions outlined in Fulton County Schools' policy for acceptable use. The specific conditions and services being offered may change from time to time. Fulton County Schools makes no warranties with respect to Internet service or content.

Parents and students should be aware that Fulton County Schools does not have control of the information on the Internet, nor can it provide impenetrable barriers to accessing the full range of information available

Sites accessible via the Internet may contain material that is illegal, defamatory, inaccurate or potentially offensive to some people. All Fulton County Schools students will be assigned their own network account name with password. Passwords should not be shared with anybody. With this account, students will have their own folder on the school's server to store their work. Fulton County Schools utilizes filtering software to block access to undesirable web sites.

Centennial High School personnel regularly sends information to student email accounts (student number @fcstu.org). These are also the official email accounts used by teachers to communicate class information to students. Students should regularly check their official student email accounts.

All staff members have full authority to direct or discipline any student. Direct disobedience of a staff member's directive is absolutely forbidden. If a student feels that a directive of a staff member is unreasonable, he/she is expected to comply and is encouraged to later discuss the situation with an administrator so that clarification and/or corrective action may be initiated.

The authority of all Centennial personnel is in effect when students are:

- on school grounds at any time
- off school grounds at a school activity, function, or event
- traveling to and from school or a school activity, function, or event

Honor Code / Academic Dishonesty

As a community that values academic honesty and seeks to provide the highest levels of learning for students, the Centennial administration, faculty, parents, and students do not tolerate cheating.

Use of Artificial Intelligence

- **Limited AI Use with Teacher Permission:**

In this course, the use of generative AI tools is permitted only with explicit teacher approval for specific assignments. AI can serve as an aid to enhance understanding and interaction with course content, within the boundaries of academic integrity. If AI tools are used, all AI-generated content must be accurately cited, and students are responsible for the integrity and correctness of their submissions, including any content derived from AI tools. It is essential to critically evaluate AI outputs to ensure they meet academic standards. Unauthorized use of generative AI, without proper citation, is considered a violation of the Fulton County Schools Code of Conduct and may result in disciplinary action.

Learning Commons and SPaCE

The Learning Commons is open from 7:45 a.m. – 3:45 p.m. each school day. The staff are available throughout the school day to assist students. The Learning Commons is an active learning environment where appropriate student activity includes checking out books, studying, researching, reading, and browsing the shelves for materials. **Eating is not permitted in the Learning Commons**

Visiting the Learning Commons:

Students are welcome in the Media Center before, and during lunch if capacity is available. During the school day, each student who visits the Media Center without a teacher must have an **official** Learning Commons pass from their teacher for that class period. If students do not have an official pass, they will be directed back to class. Students must always check-in at the information desk immediately upon entering the Media Center during the instructional day. Because both formal and informal instruction occurs simultaneously throughout the day, students are expected to show respect for others and Learning Commons resources.

Lunch period visits to Learning Commons:

Students may utilize the Learning Commons during their lunch periods. **Students are not allowed to eat their lunch in the Learning Commons.**

Students may come directly to the Learning Commons during their assigned lunch period without a pass. However, they will not be allowed to leave the Learning Commons to go to the cafeteria. Students who plan to eat lunch and then leave the cafeteria to come to the Learning Commons must have an official Learning Commons lunch pass. These passes may be picked up in the morning or at the beginning of lunch in the Learning Commons. Students will not be allowed to leave the cafeteria without this pass.

Once students are signed into the Learning Commons, they are expected to remain there. Students are not allowed to leave for the restroom or to other areas of the building during lunch. The Learning Commons is used as a quiet, calm place for many students. Any students who do not follow the rules will be asked to leave.

Computer Use:

The Centennial Learning Commons does not have computers in the Learning Commons to use. However, every student is allowed to have a Fulton County laptop checked out for the school year.

The use of any computer is a privilege that may be revoked at any time for abusive conduct; the expectation is that all computer use will be related to schoolwork. Personal e-mail, games, chat on networking sites, or similar non-academic activities will not be permitted. Home access passwords for the subscription research databases for personal use are not allowed.

Students who need technical help with the Fulton County device should come to the Learning Commons for assistance prior to school, at lunch, or during 3rd or 5th period with an official Learning Commons pass from their teacher. If your device cannot be repaired within a reasonable period, it will be swapped for an equivalent device. ***Please be aware that damaged devices and accessories will need to be paid for before replacements will be provided.*** (See Device User Agreement for associated fees.) The school will not troubleshoot issues with personal devices.

Material Check Out:

Up to ten items may be checked out at any time for two weeks and may be renewed once. There is no limit to the frequency of exchanging materials.

Learning Commons Fees:

Books are checked out for two weeks. Fines are charged when a book is NOT returned; Fees vary depending on the original cost of the material. Fines are .10 cents per day for overdue materials.

Printing:

Students should email Learning Commons staff items to be printed. At this time, Centennial will NOT charge for printing school items. This is subject to change at any time during the year. Please see the Learning Commons website for other types of fees.

Online Materials:

Students have access to multiple online library resources through ClassLink. Sora is an application where students can check out eBook and audiobooks which can be downloaded to a Kindle or other devices. The checkout period is two weeks. After two weeks, the book will automatically be checked back in. Student also have access to several databases for research through Gale and Mackin Via.

SPaCE – Shared Personalized and Creative Experience Maker Space

We welcome students and staff to utilize the Makerspace in creating class projects or to learn a new skill. Centennial Students and Staff have access to tools, resources, and material in our MakerSpace. The SPaCE has tools such as vinyl cutting, 3D printing, laser cutting, embroidery, video and sound production, and podcasting.

The same policies apply regarding passes to come to the SPaCE. Staff and students must be accompanied in the SPaCE by either Learning Commons staff or our cadets who work in the SPaCE.

Students are required to take a safety quiz prior to accessing the SPaCE. Some tools do require students to have permission slips signed by their guardian.

Parking

Student parking at Centennial is a privilege for Juniors and Seniors only. It is the sole responsibility of the student-driver (not the parent) to be aware of the rules, regulations, and penalties regarding the privilege of parking on campus. The parking permit issue is non-transferable and may not be sold or given to anyone else. If this is done, this agreement will be considered null, and void and that the student will be subject to disciplinary action.

Centennial High School and/or Fulton County Board of Education assume no responsibility for theft, damage, or loss of contents for any vehicle parked on its property.

Students MAY lose parking privileges for attendance and/or discipline, including but not limited to: excessive tardiness, skipping class, and/or leaving school grounds without permission. Parking privileges are also contingent also upon maintaining appropriate attendance (not being deemed chronically absent) and remaining on track to graduate with the student's 4-year cohort and/or with an approved graduation recovery plan.

Students transporting other students off campus during the school day without expressed written permission from administration will be subject to disciplinary consequences that may include immediate revocation of their parking permit.

When purchasing a parking permit, students must present a valid Georgia driver's license and proof of insurance for the car they are registering to park.

Students who are approved to drive to school must:

- purchase a student parking permit
- display the Centennial permit whenever the vehicle is on school property during school hours
- maintain appropriate insurance coverage
- park in their lot only.

Any unauthorized parking on campus may result in booting of the vehicle and a fine.

For all parking questions, contact Trey Henson at hensondc@fultonschools.org

Schedules and Course Changes

The master schedule is based on Spring course requests and teacher recommendations. Students should fully participate in the Spring scheduling process and meet deadlines. Students and parents will have multiple opportunities during the Spring scheduling window to view and make course requests. Once this Spring scheduling window closes, schedule requests are final.

Requests for course corrections will be considered only during the first 10 days of each semester for the following reasons:

- The student has failed a required course and must repeat the course.
- The student has failed a pre-requisite and is not eligible to continue in the sequence.
- The student is not enrolled in a course required for graduation.
- The student is retaking a failed class and has been assigned the same teacher for the exact class he/she has failed, and another teacher is available.
- The student demonstrates poor achievement in a pre-requisite course and is advised by both the teacher and counselor/administrator not to enroll in a more advanced course.
- There is a scheduling conflict, or a course has been cancelled.

Requests will be denied for any of the following reasons:

- The student requests a specific lunch period, class period, or teacher.
- The student asks for a different elective than originally requested during the scheduling window.
- The student requests an online class after the online contract deadline. Students must adhere to the guidelines and classes listed on the contract.
- The student wishes to enroll in a more rigorous course.

Class Leveling

There will be times when leveling a class is necessary due to the limitations placed upon specific courses (teacher to student ratios as required by the State, available resources in those classes, uneven distribution of students, or classes that are created or closed).

When this occurs, the scheduling team will use the following protocol:

- Ensure classes required for graduation are kept for each student.
- Utilize a blind selection process when splitting classes to new teachers.
- Determine the fewest changes to a student's schedule.

**** Students should always address counseling concerns with their counselor first.**

Social Media

Use of social media carries great responsibility. Centennial students are expected to know how to use social media and technology to display respectful interactions and show good judgement and character.

Once you post, tag, send, like or share anything you are responsible for the consequences of that action. Bullying or harassment using social media can carry consequences from school regardless of when or where the activity took place.

If you are being bullied or harassed through social media by another student, you need to take the following steps.

1. **Don't respond**
2. **Report it** to your parent and your administrator (be prepared to show the messages, posts, or videos/pictures). The administrator will investigate and make a report.
3. **Block** the individual on all social media, cell phone and email.
4. **Tell friends not to share** anything from people you have blocked. If they are your friends, they will block them as well.

If you are using social media to send negative messages or to harass or embarrass anyone and those actions cause a disruption at school, there will be school consequences. Based upon the Fulton County Code of Conduct, consequences are local interventions up to 10 days of Out of School Suspension.

If your actions are found to be bullying as described in the Fulton County Code of Conduct (III.6b), you will be taken to a tribunal hearing for expulsion on your 3rd offense. (Fulton County Code of Conduct, pg. 25).

Transportation

Upon arrival, by automobile or school bus, students must come inside the building where adults are supervising. Students should report directly to the gym or the cafeteria. Students will only be allowed to teacher classrooms before the 8:10 am bell if previous arrangements have been made by the teacher, coach, or club sponsor AND students should have a pass.

Parents may drop off students at the front of the building only. Parents may not drop off students at the bus canopy in the back of the building by the stadium.

Consult www.fultonschools.org for busing and bus stop information. **No student may ride a bus other than the one assigned to his or her home bus stop. If a student needs to make a transportation change, they must bring a note before 12:00 pm to the Assistant Principal's office that includes the parent's name and contact phone number. After the information is**

verified, a pass will be delivered to the student in their classroom before dismissal. Bus drivers will not allow students to board their new bus without this pass.

Students are to conduct themselves properly while riding the school bus. Eating, shouting, hanging out of the windows and throwing things will not be tolerated. The bus drivers have the same authority on the bus that teachers have in the classroom. Failure to abide by the rules can result in the student being denied the privilege of bus transportation and/or further discipline.

Vending Machines

Centennial contracts with various companies to provide vending machine services to students. As these vending machines are not operated by the school, the school does not provide refunds. Contact information for all vending companies is located on the machines. Students may not visit vending machines during class instructional time.

Visitors

Due to safety rules, students are not allowed to have other students or parents visit them during the school day. Permission for these types of visits must go through the appropriate assigned administrator.

Students should not visit other Fulton County Schools during the instructional day. It is also Georgia State Law that all visitors to a school campus must report to the front office and be granted permission to visit.
