

September 2024

Dear Parents, Guardians, and Students,

Welcome to Grade FOUR!

We are looking forward to a fun and interesting year with our scholars! We desire that each scholar is motivated to reach his or her full potential. This letter contains information to help you keep our scholars on track throughout the school year. We have also included a list of supplies needed for the 2024-2025 school year.

Attendance

Attendance is very important. Please make sure scholars arrive on time every day. School starts at 8:20 a.m. Breakfast will be provided in the classroom during the homeroom period at the beginning of the school day. In addition, if scholars are absent, all work (classwork and homework) must be made up.

Chromebooks

To complete classwork on time, scholars must come to school with a fully charged Chromebook, chargers, and headphones. These items are needed daily for scholars to complete class assignments during the school day.

Homework

Each teacher will have their homework expectations and requirements, which will be explained to you by the teacher of each subject area.

Parent/Teacher Communication

Parent and teacher communication is essential for our scholars during the school year to ensure scholars stay on track academically and behaviorally. Therefore, please contact us with any questions or concerns via email or phone at 973-321-0120. You can also schedule an appointment for a meeting to discuss any concerns that you may have.

Staying Informed

Please check with your child daily for school correspondence and the Google Classrooms for each subject. This should ensure that you are updated daily on homework, projects, announcements, and any information regarding important dates.

We look forward to a great school year.

Sincerely,

4th Grade Team

Public School Number 12
