

# WELCOME *TO* *SIXTH GRADE*

September 2024

Dear Sixth-Grade Students and Families:

Welcome to Middle School! We would like to take a minute to introduce ourselves. We are Ms. Hunchak, Mr. Asare, Ms. Albritton, and Ms. Germaine and we will be your teachers for Grade 6 Math, SS, Science, and ELA here at Public School 12, for the 2024-2025 school year. We cannot wait to meet you and begin learning and reaching academic goals through hard work, thinking, and perseverance.

Your sixth-grade year begins on Thursday, September 5, 2024, the first day of school! Middle School is a big transition in your academic life. Coming to school prepared is a huge part of your success. Please bring your school supplies with you every day, as a list of the items you will need has been provided below. Sixth grade is such a special year and we are excited to be a part of your learning and academic growth. Let's have a fantastic year of learning and growing!

Family members, please take a moment to email the teachers and tell us ONE positive thing you would like us to know about your child. Also, please let us know how your child will go home on the first day (picked up or walker). If you do not have Internet access, please send a note on the first day with the two pieces of information.

Sincerely,  
Ms. Hunchak, Mr. Asare, Ms. Albritton, and Ms. Germaine
