Mission Statement
SECAC is dedicated to facilitating communication and collaboration between parents/guardians, community partners, service providers, educators, and CCPS to enhance services available for students with special needs and advocate for positive changes in Special Education services within the Calvert County Public School System and its community.

Purpose of Calvert SECAC
To facilitate a positive working relationship between parents/guardians of students with differing abilities and CCPS, promote disability awareness and understanding in the community, Gather and assess feedback from parents/guardians and staff, Provide meaningful input to the Director of Special Education as to the needs of students regarding the staffing plan and budget proposal.

In order to make recommendations to the Special Education Department, we need to hear from you. Contact us and share your success stories and positive feedback, as well as specific issues or concerns you have about your child's educational program.
