

Stanwood-Camano School District #401
APPLICATION FOR ATTENDANCE IN NON-SERVICE AREA SCHOOL
(IN-DISTRICT TRANSFER)

3131F1
Students

Each student in the district is required to attend the school designated for the geographic attendance area in which they reside. A parent or guardian may request that their child be allowed to attend another school in the district. Requests must be submitted, in writing, to the Director of Curriculum and Instruction.

Such requests will be reviewed and prioritized using the following criteria: (refer to Stanwood-Camano School District Policy 3131 and Procedures 3131P).

- a. Whether the student is a child of a full-time certificated or classified employee and the request is for the employee's assigned school or a feeder pattern school.
- b. The capacity of the building, program, grade level or classroom as determined by the district.
- c. Specific program features as reported by the principal to the Director of Curriculum and Instruction.
- d. The availability of a program at a school to meet the educational needs of the student.
- e. Whether student is continuing enrollment at site or in program.
- f. Whether siblings are enrolled at the same site. In situations where district boundaries and special programs would separate siblings, this procedure keeps siblings together K-12, regardless of where the family resides.
- g. Date the In-District Transfer Form was received by the Director of Curriculum and Instruction.

If the request for transfer is approved, the parent/guardian **must assume responsibility for adequate transportation** and supervision to and from school. If the request for transfer is denied, the parent/guardian may appeal to the Assistant Superintendent of Teaching and Learning for review of the decision.

INSTRUCTIONS:

1. Present this application with Section I completed to the Director of Curriculum and Instruction. The district office will review the request.
2. If approved by the Director of Curriculum and Instruction, if applicable, enrollment in the non-service area school is authorized and families will be notified in writing.
3. This application is for the current school year only and **must be completed each school year.**
