The Pierce County Board of Education is soliciting bids for surface grinding the sidewalks and outdoor entrance area in front of Patterson Elementary School for the purpose of removing the existing concrete stain.

A site visit is highly suggested, but not mandatory. Bids are due by 2 PM on September 4, 2024. Bids will be publicly opened during a Board Work session at 8:00 AM September 5, 2024. Bid specifications can be obtained by going the Pierce County Board of Education website at: <https://www.pierce.k12.ga.us/alumnipublic/bid-opportunities> and selecting "PES Concrete Grinding". Information may also be picked up at the Board office at 840 East Main Street, Blackshear GA, 31516.

General scope

Provide all materials and labor for the surface grinding of all concrete areas outside the front of Patterson Elementary School for the purpose of removing the "gray stain" and restore the concrete back to its original unfinished color. See drawing details for areas to grind

Work to be performed

- Contractor shall perform all necessary site work required to remove existing gray stain from concrete surface by means of surface grinding with machine and by hand as needed around columns, posts and joints. Re-caulk expansion joints as needed
- Once awarded, work may take place during weekends and holidays etc. pending coordination with owner, as long as it does not interfere with the current school operations. **All work must be scheduled in advance with the school facilities department before beginning**

Site Verification and Protection

- It is the responsibility of the contractor to verify all existing conditions and measurements. Any overlooked conditions or misjudgment in measurements, work/labor required to complete the project, or material calculations are the sole responsibility of the contractor. It is also the responsibility of the contractor to protect the site, using signage, barricades, and temporary fencing if required in order to provide a safe work environment. All material must be stored on jobsite prior to any billing. Contractor will be required to leave jobsite clean and safe upon completion.

INSURANCE

- Contractor shall be responsible for all injury or damage of any kind resulting from this work to persons or property regardless of ownership. In addition to the liability imposed upon the Contractor on account of personal injury (including death) or property damage suffered through the Contractor's negligence, which liability is not impaired or otherwise affected hereby, the Contractor assumes the obligation to hold the Owner harmless and to indemnify the Owner from every expense liability or payment arising out of or through injury, including death, to any person or persons or damage to property (regardless of who may be the owner of the property) or any place in which work is located arising out of or suffered through any negligent act or omission of the Contractor, Its Agents, Servants or Employees. The Contractor agrees to comply with the provisions of the Worker's Compensation Laws of the State of Georgia and to require all Subcontractors likewise to comply. Prior to the beginning of work, the contractor agrees to furnish the following to the Owner for itself and for each Subcontractor: certificate from insurance company showing issuance of Worker's Compensation Coverage for the State of Georgia or a certificate from Georgia Worker's Compensation Board showing proof of ability to pay compensation directly.
