

We utilized a variety of different methods to gather feedback and information across PPS. Each source provided a rich understanding of the district.

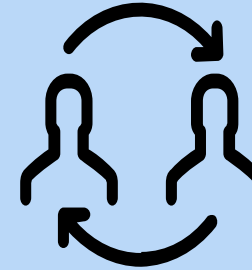

Surveys

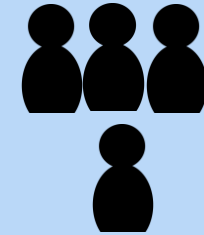

**Community
Townhalls &
Conversations**

**Document
Reviews**

**Interviews,
Meetings, &
Focus Groups**

**Student
Engagement**

Our process included a variety of methods, including a landscape assessment to understand community needs and staff morale coming into Phase 1, as well as gathering important data from a variety of internal and external stakeholders across the district.
