How did we engage the Advisory Committee?

Engagement Type	Data Points
Advisory Committee Kickoff	22 Respondents
Advisory Committee #2	19 Respondents

What did we hear from the Advisory Committee?

- Focusing our plans on preparing PPS students for the future
- Taking action to ensure that students have more offerings and opportunities across all PPS Schools

“We can't have new schools in every neighborhood, but maybe with aggressive consolidation we can have new and excellent schools in each corner of the city. Is the city even ready for a radical re-thinking of our schools?”
