

Meet Your *Counselor*

Hello Owls! I am the full-time school counselor here at the Early College. I was born and raised in Jacksonville, NC and am a Jacksonville High School graduate. I earned my B.S. in Psychology in 2018 from Wingate University, where I also played collegiate soccer. I received my master's degree in Counselor Education from East Carolina University... Go Pirates! My first three years of being a school counselor were spent in Port Orange, Florida. This will be my 5th year as a school counselor, and my 2nd year with the Early College. I am eager to get this journey started with you all!

In my free time, you can find me out at the beach, reading, or playing soccer. I enjoy listening to music and all things nature. I have an older sister and younger brother who also live in NC, that I enjoy visiting. I also have a Black Labrador, and 2 cats who keep me on my toes. I am looking forward to meeting students and parents and helping meet educational needs this school year!

Taylor Leyble
