# Summer CAMPS

Whitesboro Elementary Summer 2024 Enrichment Camps for incoming kindergarten through fifth grade students were a great success! The camps included 2D and 3D art workshops, drama camp, health and wellness camp, kindergarten camp, STEAM camps, volleyball camp and weird science camp.

Camps were held 9 a.m.-12 p.m., Monday-Thursday at different elementary schools throughout the District. Session one camps, which ran from July 8-18, were held at Hart's Hill and Marcy. Session two camps, which ran from July 22-August 1, were held at Deerfield and Hart's Hill. In all, 300 students benefited from these programs facilitated by 25 staff members. Through participation in these camps, students were able to learn from various disciplines and show academic progress as a result of the fun and engaging activities provided for all!

# A MESSAGE FROM THE SUPERINTENDENT

## Dear Whitesboro School Community:

As I anticipate my 25th reopening of school here in Whitesboro and ninth year as Superintendent, I am filled with enthusiasm and anticipation for the tremendous opportunities that lie ahead for our school community.

Over the summer months, our District has been filled with activity. Our dedicated instructional staff has been hard at work, participating in 70 summer curriculum projects aimed at aligning our K-12 curriculum with the Next Generation Standards, NYS Frameworks and mandates from the NYS Education Department. This ongoing effort ensures that we continue to provide an educational experience that prepares our students for the challenges and opportunities of tomorrow.

Our commitment to enriching student experiences is evident through our summer camp offerings. Facilitated by our own talented Whitesboro staff members, these camps covered a wide range of subjects including ELA, world languages, math, science, health and wellness, STEAM, drama, music and art. These camps not only reinforce learning, but also inspire creativity and passion in our students.

I am pleased to announce the introduction of several new courses at our high school this year. These include Financial Accounting 131 (offering dual credit through MVCC), Food and Nutrition Appreciation, Forensic Science (offering dual credit through Syracuse University) and Mandarin Chinese IV. These additions, alongside our already robust course offerings, provide our students with unique opportunities to excel academically and earn transferable college credits, setting them on a path towards future success.

Throughout this communication, you will find further details on the numerous accomplishments within our District. Important information regarding busing, schedules and medication policies is also included. Please take a moment to review these and familiarize yourself with the information provided.

I extend my sincere appreciation for your continued support of our District. Together, we are committed to fostering an environment where every student can thrive. I look forward to partnering with each of you as we embark on another exciting school year.

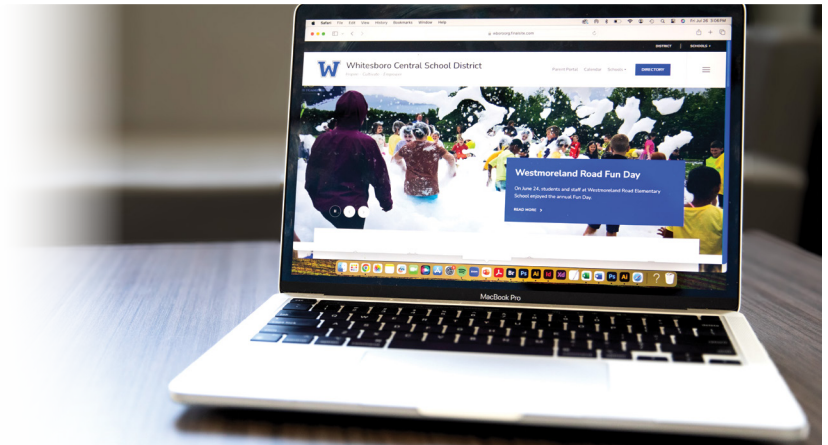

Thank you for entrusting us with the education and development of your children. Here's to a successful and rewarding year ahead!

Sincerely,

**Dr. Brian K. Bellair**

*Superintendent of Schools*

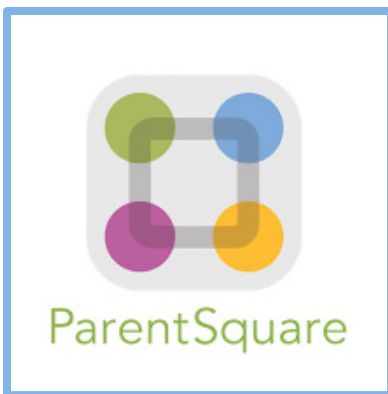

We are excited to introduce you to the **NEW** Whitesboro Central School District website!

Our new website echoes many of the concepts that are central to our mission of inspiring, cultivating and empowering all learners to maximize their potential. # GIRLS *in* STEM DAY

Five Whitesboro Master Teachers participated in and helped organize a Girls in STEM Day at Utica University on April 13.

Jaclyn Countryman (Marcy Elementary), Megan Dote (Middle School), Jessica Hamilton (Parkway), Carla Ryan (Parkway) and Abbie Sutliff (Marcy Elementary), in conjunction with Utica University professors and students, helped design and run six unique, hands-on STEM lessons that were aimed at engaging and inspiring young women in the CNY area.

This free event hosted local female students in grades 6-8 for a day-long learning experience that left them with a vision of how women have made, and continue to make, incredible contributions to the STEM world.

## Computer Science Club Game Jam

Throughout the 2023-24 school year, the Computer Science Club at Whitesboro High School focused on video game development. Each meeting, they would work through broken code for a classic arcade or mobile game, trying to fix it to make the game playable. Through that process, they learned a lot about computer science and video game design principles.

As a culminating activity, the club hosted their own “game jam.” A game jam is an event in which participants are given a theme prompt and then must create a video game from scratch in a given time window. Students came together on a Saturday and had six hours to build a working video game around the central theme, “The More You Have, The Worse It Is.”

Students broke off into teams where they collaborated on ideas and brainstormed to create a rough outline of their gameplay, story, level design and characters. Then they got to collecting and creating their assets for images and animations. Lastly, students worked together to actually code their own games!

The final products included games such as “Caffeine Rush,” a game where if you drink too much coffee you get overcome with the jitters; “Skelly’s Mission: Green Slom Mitosis,” a game where a skeleton has to fight off evil cells that are undergoing mitosis; and “Population Decimation,” a game where you have to try to minimize the negative effects of overpopulating a small town.

Overall, it was a great event and experience for students and they can’t wait to do it again next year!

## Optimist Youth of the Month

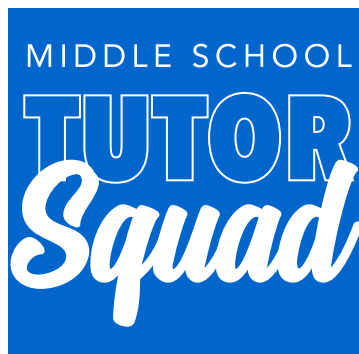

On May 1, three Whitesboro students were honored at Michael T’s Restaurant for the Optimist Club of Whitestown’s Student of the Month program. The three students were Matthew Brinck, Connor Hahn and Aubrey Hughes. These students were chosen based on their academic standing, participation in school activities, community service/volunteering and for taking on leadership roles in their school and community.

Whitesboro teachers Mrs. DePalma, Mr. Powers and Mr. Ryan were chosen by the recipients to speak on their behalf.

Congratulations to Aubrey, Connor and Matthew!

## MIDDLE SCHOOL News

The Whitesboro Middle School campus’ High Dosage Tutoring Summer Squad had the opportunity to strengthen their ELA and math skills over the course of four weeks at the Parkway building!

The enrichment activities ranged from developing plot diagrams, showing their knowledge of story elements and using the Whitesboro Middle School campus’ reading and writing strategies to analyze plays, fiction and nonfiction texts. They solved real-world and mathematical problems through a math workshop model, and still had time to shine during their equation bingo. Their mornings included out-of-the-classroom “brain breaks,” moments of mindfulness, and thanks to our Food Service staff, we were able to provide breakfast and nutritional snacks every day. These students continued to review necessary skills for their upcoming school year while having fun - mission accomplished!

Special thanks to our Whitesboro faculty and staff who made this program a success and were a part of our squad: Mrs. Hula, Mrs. Yardley, Mrs. Potter, Mr. Burns, Miss Dewan, Miss Mucurio, Mrs. Zyskowski, Miss Shepard, Miss Miller, Mrs. Raymond, Mr. Brown, Mrs. Kraeger, our SROs and maintenance staff, the transportation department and our campus administrative team!

# EIGHTH GRADE ADVANCEMENT CEREMONY

On June 22, the Eighth Grade Advancement Ceremony was held in the high school gymnasium to recognize students who completed their middle school education.

During the ceremony, students advanced through the processional and recited the Pledge of Allegiance and "The Star-Spangled Banner," the band and choir performed special song selections and the ceremony concluded with the recessional. Remarks from Middle School Principal Mr. Egresits were also given during the ceremony to commemorate the students' hard work. Following the advancement ceremony, students and parents celebrated their successes in the high school "pit."

The Whitesboro Central School District is extremely proud of the students that partook in the Eighth Grade Advancement Ceremony and wishes them all the best in the coming years!

## KICKBALL TOURNAMENT RAISES MONEY FOR THE AMERICAN HEART ASSOCIATION

On June 11, The Whitesboro Central School District held their sixth Annual American Heart Association Kickball Tournament. Thanks to the support of administrators, teachers and students, the event was a huge success.

A few of the many teachers that contributed to the event by volunteering to have pies thrown at their faces were Mrs. Butka, Mr. Haggas and Mrs. Davis. Mrs. Nobis and her students performed "The Star-Spangled Banner". Mrs. Butka supported through the PTO and Mr. McQueen announced the sequencing of events. Thank you to the countless staff members who volunteered and were present throughout the entire tournament.

By the end of the kickball tournament, which consisted of 10 teams and over 150 students, the orange team won. The Whitesboro CSD and the community are proud to announce that just over \$2,500.00 was raised. Additional thanks to Coach DiGiorgio, Coach Faro and Coach LaValley for putting together this awesome event to support the American Heart Association!

# Spread Kindness Love Like Olivia Day

In celebration of Olivia Rose Sacco, whose joy and kindness touched countless lives, Deerfield Elementary School launched an annual fundraising event in her memory – "Love Like Olivia Day."

On May 31, students and staff at Deerfield, Hart's Hill, Marcy and Westmoreland Road Elementary Schools joined to support the cause. The goal was to raise funds for a foundation established in Olivia's honor, dedicated to sponsoring a memorial scholarship for a Whitesboro senior who exemplifies kindness. Olivia's legacy of spreading love and brightness continues to shine through this initiative in the community she cherished. "Love Like Olivia Day" serves as a beacon of hope, inspiring others to embrace her joyful perspective and pay it forward to make a difference.

Students and staff at each school building joined in honoring Olivia's memory by wearing her favorite colors: purple and tie-dye, and performing acts of kindness. The Deerfield Elementary PTO also served lemonade all day and sold "Love Like Olivia" bracelets for \$2.00 to benefit the Olivia Rose Sacco Foundation.

## MARCY ELEMENTARY PTO FUN DAY

On June 20, Marcy Elementary School held its 11th annual PTO Fun Day. Students in kindergarten through fifth grade participated in various competitions and games throughout the morning. The students had a great time with water activities, races, games and lemonade!

The Marcy PTO would like to thank the parent volunteers, Nick Schmidt, Squeezers Lemonade, Steve Strife and Varano Super Jump for providing lots of fun activities for students to enjoy.

HART'S HILL FOURTH GRADERS PRESENT

# MIGHTY MUNCHKINS OF OZ

On June 18, fourth grade students at Hart's Hill Elementary School presented the play "Mighty Munchkins in Oz" for two separate shows in the school cafeteria.

The play advances the original storyline, as all the famous characters return to Oz a year later. It focuses on conflict resolution among the characters, who face trouble readjusting and struggle to get along including the Tin Man, Lion, Dorothy and Toto. The play introduces and reinforces strategies for controlling anger, including using I-statements, active listening, sharing perspectives, and finding win-win solutions to conflict.

More than 50 fourth grade students participated in various roles, including as characters and members of the chorus, which sang fifteen songs.

The fourth grade class would like to thank the Hart's Hill Elementary School PTO and all the teachers and staff who were involved in the production of the play for their efforts and support.

WEST. ROAD ELEMENTARY RAISES MONEY

## for American Cancer Society

On May 29, the Westmoreland Road Elementary School community came together to raise funds for the American Cancer Society. The entire school community was challenged to wear purple during an all-day Relay for Life to show their passion and ongoing support for the American Cancer Society. Their recent collection has just surpassed the \$1,000 donation mark at the elementary school, due to the efforts and generosity of the entire school community. This important relay has been a tradition at the elementary school for more than 22 years.

FIFTH GRADE  
*Advancement*

The end of the school year was filled with exciting advancement ceremonies for fifth grade students at each of the elementary schools.

On June 13, Westmoreland Road Elementary School held its annual Fifth Grade Advancement ceremony. During the ceremony, fifth grade student Juliana Busch gave the welcome and flag salute. After "The Star-Spangled Banner," class speaker Connor Fay highlighted Westmoreland Road class of 2024 memories. Teachers presented awards and the evening concluded with the entire class performing "Watch as We Walk on Our Way," directed by music teacher Mrs. Tallman.

On June 20, 21 and 24, fifth grade students at Deerfield, Hart's Hill and Marcy Elementary celebrated the end of their school year with ceremonies attended by teachers, family and friends. Students performed musical selections and enjoyed photo memories of their time in elementary school. Each ceremony concluded with the presentation of certificates and a reception for all to enjoy.

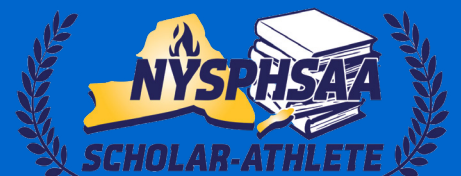

ATHLETICS

District Recognized As School of Excellence by NYSPHSAA

The Whitesboro Central School District is proud to announce that they have been designated as a School of Excellence by the New York State Public High School Athletic Association (NYSPHSAA) for the second year in a row.

Following each sports season, the NYSPHSAA awards varsity sports teams with Scholar-Athlete pins and certificates. At least 75% of a varsity sports team must have a GPA of 90% or higher to be eligible for the Scholar-Athlete award. If the entire team does not meet the goal of a 90% or higher GPA, there are individual awards for those who have met the NYSPHSAA Scholar-Athlete criteria during the season. For the 2023-2024 school year, 29 out of 30 varsity sports teams at Whitesboro High School were designated as Scholar-Athlete teams.

The District would like to congratulate all students, teachers and staff on this recognition!

**THE BUS SCHEDULE**

Morning pick-up times will begin at the approximate time stated. We ask that students arrive at their bus stop **five** minutes prior to pick-up time.

Bus arrival times, routing and stops will become finalized several days into the school year. Post cards with initial route/bus information will be sent home the last week of August.

All routes are **subject to change** during the school year.

**STOP AND PICK-UP TIMES**

Approximate times are given for the bus stop on each run. A time pattern for all stops will be established within a few days. Students should be ready at the stop five minutes ahead of the estimated time. Exact arrival times are affected by many factors, including weather, traffic, substitute drivers and mechanical problems. These are suggested times for the first week of school and are **subject to change**. Drivers will notify students of changes.

**BUS SAFETY GUIDELINES**

1. Line up single file as soon as you see the school bus approaching. Do not start toward the bus until it has come to a full stop and the driver has opened the door. If you have to cross the street, wait for the bus driver to signal.
2. Use the handrail when boarding and exiting the bus.
3. Be courteous.
4. Do not walk behind the bus.
5. Bus passes must be obtained from school personnel (available with written permission from parent or guardian) in order to discharge student at another stop other than his/her normal stop.

**ITEMS PROHIBITED ON SCHOOL BUSES**

For the safety of all riders, students are requested not to carry potentially harmful items on the bus. Nothing should be carried that will interfere with seating, space or safety. The following are examples of items prohibited on the bus:

- Insects or animals of any kind
- Glass objects and breakable objects
- Balloons
- Skate boards
- Sleds and skis of any kind
- Any sharp or pointed objects
- Medicine, medications
- Projects that don't fit on a student's lap
- Large musical instruments
- Weapons of any kind or any object that could be perceived to be a weapon (toy guns, knives, etc.)
- Matches/lighters

**SCHOOL BUS RULES OF CONDUCT**

1. Follow directions of the driver at all times.

2. Stay seated in your seat at all times.
3. Keep all parts of your body in the bus and to yourself.
4. No pushing, shoving or fighting.
5. No eating, drinking, smoking or spitting.
6. Do not litter, write on or damage the bus in any way.
7. Do not use profanity, rude gestures, tease or harass anyone on the bus.

**BUS DISCIPLINE**

Improper behavior may result in the suspension of bus riding privileges. The following procedure is followed when a student's conduct may warrant suspension.

**IF A STUDENT VIOLATES THE CODE OF CONDUCT:**

- 1st time:** Driver verbally warns student and documents on daily log.
- 2nd time:** Parents contacted by driver or transportation department personnel, documented on daily log form (probationary period begins).
- 3rd time:** Bus Conduct Form issued, parents contacted by Building Administrator, three (3) day bus suspension.
- 4th time:** Five (5) day bus suspension.
- 5th time:** Principal's hearing (10-30 day bus suspension).
- 6th time:** Superintendent's hearing.

**SEVERE DISRUPTION**

The following inappropriate behavior will result in suspension of transportation privileges

**IMMEDIATELY:**

1. Physical harm to student.\*
2. Physical harm or threat of physical harm to driver.\*

\*May result in referral to law enforcement

**It's "Back-to-School" time. School buses are back on the roads, and students are walking along the side of the road and waiting for buses.**

- Please watch carefully for children near school buildings, in areas where school buses are traveling or where there are signs for school zones or bus stops.
- Remember that if you are approaching a school bus from either the front or behind, and its yellow lights are flashing, the bus is preparing to stop.
- If the bus' red lights are flashing, **YOU MUST STOP. It's the law!**

This **includes** school buses that are: on the opposite sides of divided highways, on multiple lane roadways, in parking lots and on school grounds.

**NOTE:** The **only** exception to this law is if the bus driver or a police officer signals that you may pass the bus.

**PENALTIES FOR PASSING A STOPPED SCHOOL BUS**

	Minimum Fine	Maximum Fine	Possible Imprisonment
First Conviction	\$250.00	\$400.00	Up to 30 days
Second Conviction (within 3 years)	\$600.00	\$750.00	Up to 180 days

## PESTICIDE NOTIFICATION

School districts and BOCES are required to maintain a list of parents or guardians who wish to receive written notification 48 hours prior to application of a pesticide that is covered by notification requirements, at their child(ren)'s school/facility. If you wish to be included on the School District Notification List, please contact Kevin Storsberg, Director of Facilities, at 315.266.3312. You will then receive advance notification of a pesticide application at your child(ren)'s facility of pesticide products covered by notification requirements.

For further information about the products being applied, including any warnings that appear on the label of the pesticide(s) that are pertinent to the protection of humans, animals, or the environment, call the National Pesticide Telecommunication Network at 1-800-858-7378 or the New York State Department of Health Center for Environmental Health at 1-800-458-1158. For additional information on the District's pesticide program, contact Kevin Storsberg at 315.266.3312.

## NOTICE OF COMPLIANCE

The Whitesboro Central School District does not discriminate on the basis of gender, race, color, national origin, handicap or age in employment or in providing student access to educational programs, courses and activities. This policy is in compliance with Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973 and the Age Discrimination Act of 1975. Any alleged grievances should be reported to the appropriate compliance officer. Compliance officers are as follows: Section 504/ADA Coordinator, Christopher O'Neil, Director of Pupil Personnel Services, Whitesboro High School, 6000 State Route 291, Marcy, NY 13403, 315.266.3240; or Title IX Coordinator, Christopher O'Neil, Director of Pupil Personnel Services, Whitesboro High School, 6000 State Route 291, Marcy, NY 13403, 315.266.3240.

## SPECIAL EDUCATION NOTICE

If you believe your child may have an educational disability and is in need of special education services, please contact the Office of Special Programs at 315.266.3309.

If you are interested in serving as a parent member for the Whitesboro Committee on Special Education, please call the Office of Special Programs at 315.266.3309 for information and eligibility criteria.

## TAX INFORMATION

Please understand that there are many factors that are involved in determining the total tax contribution. Some of the main factors are:

- The property value assessment determined by each town
- The equalization rate determined by New York State
- STAR program adjustment determined by New York State law
- The tax levy set by the local school board

## USE OF SURVEILLANCE CAMERAS

The Whitesboro Central School District promotes student, staff and visitor safety in all District facilities, grounds and buses. In an attempt to ensure a safe and effective learning environment, the Board of Education supports the use of surveillance cameras, when necessary, in all District facilities, grounds and buses. Surveillance cameras will not be used in private areas such as restrooms and locker rooms, where there is a reasonable expectation of privacy. Audio recordings will not be made in conjunction with the use of cameras. Such prohibition does not preclude the use of audio recordings by law enforcement or District personnel when used in accordance with their official duties as authorized by law.

The Whitesboro Central School District's Food Service department welcomes you to a new and exciting school year. The food service team will work hard to ensure that each meal served provides a varied and well-balanced meal consisting of whole grains, lean proteins and array of wholesome fruits and vegetables. The food service staff are knowledgeable and trained in food safety procedures, regulations and food allergy protocols to follow. Each staff member has the skills and mindset to ensure a safe, healthy and friendly experience for all students.

### Community Eligibility Provision (CEP)

Back on November 1, 2023, the District's food service department received approval to operate both the School Breakfast Program (SBP) and National School Lunch Program (NSLP) under the Community Eligibility Provision (CEP). Under the CEP, students enrolled in the Whitesboro CSD can receive FREE breakfast and lunch meals at no cost! This approval is good through June 30, 2027.

Families with children of the District do not need to fill out a new 2024-2025 household income eligibility form, but it is encouraged to determine eligibility for additional state and federal program benefits that the District and/or your child(ren) may qualify for.

Applications are available in each building's main office or guidance office, as well as online at <http://www.wboro.org/freedreduced>.

## CONTACT US

**Please call the Food Service Office at 315.266.3315 if you have any questions or need assistance with this process.**

## MEDICATION DURING THE SCHOOL DAY

School policies regarding administration of medication are consistent with procedures established by state education law.

For students to receive medication (prescription or non-prescription, including cough drops and other "over-the-counter" medication) during the school day, the following procedures MUST be followed and renewed each year:

- **The parent or legal guardian must submit a written request to school authorities, along with a written request from the prescribing physician, indicating the frequency and dosage.**
- **The medication must be brought to school by a responsible adult in the original container labeled with the name of the medication and the dosage.**

***These procedures must be followed in order for medication to be administered in school.***

## STUDENT PHYSICALS

New York State Education Law requires that each new entrant to the District and students in kindergarten, 1st, 3rd, 5th, 7th, 9th and 11th grades must have a physical examination, either by the school nurse practitioner or family physician. Vision, hearing and scoliosis screenings per NYS regulations will be done by the school nurse.

Please communicate with the school nurse if you will have your family physician provide the physical examination. The family physician will need to complete a physician's report form (available from the school nurse) and submit it to the nurse.

**For complete New York State Immunization Requirements for School Entrance/Attendance, please refer to the Health Department page on [www.wboro.org](http://www.wboro.org)**

## COVID-19 PROTOCOLS

The District, in consultation with our School Physician, will be following the current CDC recommendations in regards to COVID-19 mitigation protocols. Students and staff members with a confirmed positive test or diagnosis from a physician must isolate themselves for 5 days, and upon returning to school/work, wear a mask for the following 5 days after. Consult your physician or school nurse for additional information or guidance if needed.

**STUDENTS MAY NOT CARRY MEDICATION WITH THEM**

## ParentSquare School Communication & Notification System

**Beginning in 2024-2025, the Whitesboro Central School District is replacing the SchoolMessenger mass notification platform and the Whitesboro CSD mobile app with ParentSquare, a new and more robust unified communication platform designed to keep parents and guardians informed and encourage greater engagement and connection with the District.**

### Signing Up

Click the link in the activation email/text, or sign up on [parentsquare.com](http://parentsquare.com) or via the ParentSquare app. Parents/guardians who create an account can interact by viewing posts, messaging, downloading attachments, managing their communication settings and preferences and more. Those who do not register will still receive text, email and/or phone notifications. Communications are dependent on the District having accurate parent/guardian contact information on file; please contact your child's school if any of your information has changed.

For the best experience, download the ParentSquare app (available for free on iOS and Android devices).

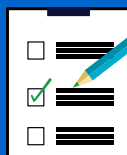

## SNOW DAYS OR EMERGENCIES

**The decision to close school, delay the start of school or release students early because of adverse weather conditions (or another emergency situation) is made only after the road conditions in the District are reviewed personally by District staff. The final decision is made by the Superintendent of Schools. If a closing, delay or early dismissal occurs, the media is informed as a soon as possible. Please listen/tune in to the following stations for closing and delay information:**

- |               |               |                  |
|---------------|---------------|------------------|
| WIBX-950 AM   | WUTR-TV Utica | WTVH Utica       |
| WRUN-1150 AM  | WKTV Utica    | WIXT-TV Syracuse |
| Spectrum News |               |                  |

**All closings, delays and other emergency notifications will be posted to [www.wboro.org](http://www.wboro.org)**

Please note that if there is a one-or two-hour school delay, and you have a previously scheduled meeting, the time and date will remain as scheduled unless you are contacted by our school administrators to reschedule. If our schools are closed for the day, the meeting will be rescheduled.

**335960**

## HIGH SCHOOL STUDENT PARKING

Driving a motor vehicle and parking on school property is a privilege granted to juniors and seniors at the high school. Information on registering vehicles for the upcoming school year is sent out to the parents of all 11th and 12th grade students in early August.

There are designated areas for parking at the high school. Students must park in white lined areas only (including designated parking in the west end of the north parking lot). Staff parking is indicated by yellow lines; signs designate visitor areas. Anyone using a handicap space must have appropriate handicap identification on their vehicle or, for temporary reasons, must contact the student activities office to secure permission.

Daily passes, which allow students to drive to and from BOCES internship sites, can be issued by Dr. Lee in the student activities office.

If you have questions or concerns, contact the student activities office between 7:15 a.m.-3:00 p.m. at 315.266.3230.

## WORKING PAPERS

Before starting employment, students 14-17 years of age are required by New York State law to have working papers. There are restrictions on the type of work and the number of hours a student can work, particularly during the school year.

Students should apply for working papers at least one week before the start of employment to allow time for the paperwork to be processed. Students must provide proof of age and physical fitness to work. School records can provide proof of age for students registered at Whitesboro High School. The high school nurse can provide proof of physical fitness for students whose physicals have been done at school for sports. Students may also submit written documentation from their private physicians.

Application forms (working papers) can be picked up in the high school nurse's office. Students should return their completed forms to the nurse's office. The nurse will then verify that the student has had a physical within the last year and will attach a "certificate of physical fitness" form, forwarding everything to the student activities office where the student will pick up their employment certificate (working card).

## STUDENT DIRECTORY INFORMATION POLICY

New York State law allows school districts to release student directory information to an outside group without individual consent. Parents or eligible students have the right to refuse the release of such information by notifying Mr. Christopher O'Neil, Records Information Officer, in writing, no later than October 1 of the school year. Following this response period, the District may release such information.

The Family Education and Rights Privacy Act (FERPA) defines student directory information as the following: name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height (if members of athletic teams), degrees and awards received and the name of the educational agency or institution previously attended by the student.

Listed below are telephone numbers for the Whitesboro Central School District. Please clip and save.
