| PFE PROGRAM | <p>MISSION: The Mission of Ireland Elementary is to instill a GROWTH Mindset among all staff members and students, so that all students are encouraged and empowered to achieve their goals.</p> <p>We strive to provide high-quality education individualized for each student by developing and maintaining relationships with families and the community. One way we continue to do this is by participating in the Title I, Part A State Program. This program provides funding for low socioeconomic schools. In return, we promise to meet the expectations laid out for us by the Texas Education Agency and the United States Department of Education.</p> |
| FUNDING | Title I funds will be allocated for the implementation of the parent and family engagement program. Such programs, activities, and procedures will be planned and implemented with meaningful consultation with parents of participating children. This includes Reading Night, Math Night, Game Night, Science Night, etc. |
| REVIEW | All use of funding and activities can be reviewed by the Texas Education Agency upon request to ensure they meet the need of the PFE Program. |
| FAMILY MEETINGS | Parent Meetings offer a time for the school and family to communicate necessary information. These meetings will always take place in the school Gym or Classrooms.
