

IMPORTANT INFORMATION & UPCOMING DATES

Dear LCTC Families,

As we begin the new 2024-25 school year, we would like to share with you some important information and upcoming dates below.

Whether you are a new or returning student, you will have an opportunity to tour the building on Friday, August 23 from 10am to 2pm to find your class and familiarize yourself with the building.

All students attending the Livonia Career Technical Center should take the time to review the Student Handbook [here](#). The procedures, guidelines, and policies regarding student behavior, attendance policy, dress codes and cell phone usage are consistent with Churchill, Franklin, Stevenson, Northville, and all other home schools.

The district has sent an email out about the "Back to School Checklist" that each family will need to complete for students enrolled in LPS by August 19, 2024. To complete this online process, you can access Parent Connect via the district website www.livoniapublicschools.org by clicking on the Parents tab. Be sure to log on to ParentConnect and click on the red text at the top of the screen labeled "Back to School Checklist."

One thing that is new this year is any student who is interested in driving to the Career Center **MUST** have a parking permit. Please see all information regarding LCTC Parking Permits below.

The Livonia Public Schools' **Student Website/Media Authorization Opt-Out option**; The Career Technical Center receives newspaper coverage, and publicizes the career technical classes, through video, public TV, print, social media, and Web pages. **If you do not wish to have your student's name or pictures included in any of these communications, please complete [this form](#) and return it to the Main Office at LCTC.**

Student Schedules: should be available on August 21 after 4pm, through Parent/Student Connect.
